

Finch Trial Is Resumed

LOS ANGELES (UPI) — The third Finch-Tregoff murder trial moved into its ninth week today with Dr. R. Bernard Finch expected to be called back briefly to the witness stand.

Finch, 44, completed nearly six days of testimony and cross-examination Friday. His attorney indicated he would call the surgeon back for a few questions on re-direct examination to clear up some points raised by the prosecution.

Finch's mistress, Carole Tregoff, 24, was expected to testify in her defense later in the week. The couple is accused of the July 18, 1959, gunshot slaying of Finch's wife. Their two previous trials ended in hung juries.

Daughter In Delivery Job

LOUISVILLE, Ky. (AP) — Student nurse Marie Klemenz, 19, did some unexpected homework Sunday by delivering her mother's twin boys at their snowbound farmhouse.

"It was nothing," she said. "No one could get in and no one could get out, so I just did it."

Marie is a freshman in a four-year nursing course at Nazareth College at Louisville, which was blanketed by 9.3 inches of snow when the twins were born.

Using a vegetable scale, she weighed in John Thomas Klemenz at 5 pounds just after midnight. Six hours later James Gregory Klemenz arrived, weighing 6 1/2 pounds.

"She did just fine," commented Mrs. Louis Klemenz, five of whose six previous children were delivered at home—by a doctor.

Manslaughter Charge Filed

SALEM (AP) — A charge of manslaughter was filed Saturday against Joe Anderson Pelky, 40, the driver of a car which crashed into a train in downtown Salem Friday night, killing a passenger.

The victim was Irvin W. White, 42, an invalid who has been confined to a wheelchair since suffering an injury in a football game at the age of nine.

Pelky was booked after the accident on a charge of being drunk. The manslaughter charge was filed Saturday. He was released on \$1,000 bail.

Delegates Named To Conference

McCLOUD — Jim Thompson, Larry Gardner, Lee Miller, Al Gist and Wayne Gill, representing Local 3-64, McCLOUD, International Woodworkers of America, will attend the second annual Western States Regional Council No. 3 in Portland Feb. 28 through March 3.

Thompson is a regional Executive Board member. The other men are delegates.

Actress Recovering

LONDON (AP) — Elizabeth Taylor was recovering from influenza today, and this time the producers of the film "Cleopatra" are unworried about their star's illness. Officials said the attack has run its course. Shooting was held up for several months when the U.S. film star suffered a painful illness later diagnosed as meningitis.

Barbers Convene

SAN FRANCISCO (AP) — Two thousand barbers and their wives are attending a two-day convention here to learn what's new in their profession.

Among the men's haircuts demonstrated are the modified duck tail, the twist, the metropolitan, the theatrical and the Ivy League.

Not out yet, but expected to catch on big sometime this year—the JFK.

Leon Tichinin To Speak At Modoc Council Meet

ALTURAS — Leon Tichinin will address the Modoc Council of Natural Resources Friday, March 3, 7:30 p.m. at the Niles Hotel.

Tichinin was born in Orenburg, Russia, and received his high school education in the U.S. He became a naturalized citizen in 1939. In 1943 he was graduated from the University of California, Berkeley, with a major in public administration, and in 1953 he received his bachelor of science degree from the University of California at Davis in agricultural education.

He has had a varied experience in organizations associated with agriculture such as the Soil Conservation Service, consumer cooperatives, a dairy, and educational experience as associate secretary of the University YMCA in Berkeley, and instructor in Institution-on-Farm Training in San Jose.

Since early 1954, Tichinin has been a farm adviser in Santa Clara County with the University of California Agricultural Extension Service, dealing particularly with horticulture, soils irrigation, fertilizers, and strawberries.

Last summer, Tichinin was sent to Moscow by the U.S. Government to serve as a Russian speaking expert on American agriculture at the American National Exhibition. After Richard Nixon's visit to the exhibition, Tichinin received a letter from him which stated in part, "I want to

tell you how impressed I have been by the reports I have received of the work you are doing in explaining to the Soviet people, in the Russian language, how our American system functions. You have worked under conditions of great hardship in carrying out your assignment and I wish to assure you that your preparation and zeal have been greatly appreciated."

Recently the U.S. Information Agency in Washington, D.C., awarded Tichinin the Award for Distinguished Service and Merit Award emblem, with the statement that the mission was one "requiring tact, thorough knowledge of the Russian language, ability to interpret your country under a cross-fire of questioning, tireless effort and a profound knowledge of your field of endeavor."

Time Bomb Found

SAIGON, Viet Nam (AP)—U.S. officials said today a time bomb was found in a jeep parked outside the American officers quarters in downtown Saigon Friday. The attempted bombing, the first reported aimed at Americans here in more than three years, follows an increase in Communist terrorist activity.

JAVITS HITS KENNEDY

WASHINGTON (UPI) — Sen. Jacob K. Javits, R-N.Y., has said President Kennedy's problems with civil rights and national productivity should provide the Republicans with a "very good opportunity" to recapture the White House in 1964.

Javits said Sunday these were the "inner contradictions" of the Democratic administration which would give the GOP "plenty of issues" for the next presidential campaign.

Mt. Shasta High Offers Ski Bus

MOUNT SHASTA—Mount Shasta High School is now making available one day each week for students to ski. Wednesdays a bus will leave at noon, with skiing for two hours.

The school will supply transportation at a cost of \$5 for five weeks of training, payable in advance.

This is under the physical education program. Skiing will be under supervision of the ski instructors at the Ski Bowl.

PTA Honors Montague Resident For Service

MONTAGUE — Simon "SI" Koppes was selected recently as an honorary life member of Montague Parent Teacher Association for his help to local people during depression days and after.

Under his supervision, the creamery produced butter judged perfect in the San Francisco World Fair in 1915. His butter has since won many prizes at state fairs.

Koppes has often donated dairy products to worthy causes in the area. During hard times he loaned and gave away milk cows to farmers with too-small herds and to families who needed them.

Koppes came to America from Hoogwood, Holland, in 1893, at 20 years of age. He worked with dairies along the Mississippi then came to Fresno as a milkman. He later worked at an Oakland creamery.

He is a charter member of the California Creamery Operators' Association, the oldest such group west of the Mississippi, and was instrumental in founding the University of California at Davis.

Cause Of Blast Is Discovered

NEW CASTLE, Pa. (AP)—New Castle police sped to the Lawrence Savings and Trust Co. building Sunday after a tenant in an upper floor apartment reported hearing a "muffled blast."

A quick investigation showed that there had been no robbery, but officers did find the source of the blast.

A tractor-trailer parked in an alley had blown a tire.

IKE, HERTER RELAX

PAL SPRINGS, Calif. (UPI)—Former President Dwight D. Eisenhower and former Secretary of State Christian A. Herter today are vacationing about two miles from each other at this desert resort area.

Eisenhower and Herter have not met since the former secretary of state and his wife arrived Saturday, but a meeting was expected to take place sometime this week. Both men relaxed in their dwellings Sunday.

Potluck Dinner Highlights Wingdinger Club Meeting

YREKA—A potluck dinner highlighted the February meeting of the Wingdinger Couples Club of the Yreka Methodist Church, recently held at the church, with Mr. and Mrs. James B. McAdams of Montague and Mr. and Mrs. Ernest McBain, Yreka, sharing host duties.

During the business session, conducted by Warren Behnke, club pilot, members agreed to postpone the annual Wingdinger smorgasbord from March to April because of Executive Committee commitments in March.

It was also announced that the Yreka Methodist Church annual spring fashion show has been scheduled for March 18, at the Winema Hall at the county fairgrounds, the function to start at 1 p.m.

Guests presented during the evening were Mr. and Mrs. Mervin Gemmer, Mr. and Mrs. Tom Preece and Mr. and Mrs. Hooper Maplesden. A penny-handshake mixer game was held under the direction of Mrs. James B. McAdams.

The business session was followed with a talk by Dr. Kenneth Young, whose topic was on the Fort Jones High School fire disaster unit on conservation.

In addition to those mentioned others present were Mr. and Mrs. Wayne Armstrong, Mr. and Mrs. Warren Behnke, Mr. and Mrs. Kenneth Kendall, Mr. and Mrs. Gene Newton, Mr. and Mrs. Richard Woodruff, Mr. and Mrs. Lester McConahie, Mr. and Mrs. Hartel Gray, Mr. and Mrs. Russell Beckwith, Mr. and Mrs. Harold Coleman, Mr. and Mrs. George Luttrell, Mr. and Mrs. Harold Van Hoesen and Mr. and Mrs. Roy Zamow.

Theater To Open Again

DUNSMUIR — The California Theater is slated to reopen in mid-March.

The Dunsmuir Masonic Temple Association has announced it has accepted the bid of an Ashland partnership to lease the theater building. Details of the contract were expected to be completed this week.

Russell Osborn and Roy Carver, who currently manage the Varsity Theater in Ashland, are the new theater owners. They said they will undertake a renovation program as soon as the contract is signed.

The theater was closed by its former owners in November. Since then the Masonic Temple Association has been negotiating with a number of prospects.

REPEAT PERFORMANCE

CRAIG, Colo. (AP)—Ray Green was traveling west on Berthoud Pass. He was suddenly blinded by snow whipped up by passing vehicles. His truck wound up in a ditch. Estimated damage: \$200.

Green tried the trip again the next day. Same mountain. Same snow. Same ditch. Estimated damage: \$150.

WHAT DOCTORS SAY ABOUT

Origin of Syphilis

• Hepatitis
 • Vein Weakness
 • Salk Vaccine

Q. Where did syphilis originate?
 A. No one knows when or where germs (including the one that causes syphilis) originated. Syphilis, which is again on the rise, probably existed for eons in both Europe and the New World. For some unknown reason, a deadly form of the disease spread with frightful speed through Europe shortly after the discovery of America. The germ (spirochete) which causes syphilis was then unknown, the general belief being that the disease was divine punishment for the lax morals of the times.

Q. What is infectious hepatitis?
 A. It is a virus infection of the liver. Infectious hepatitis, commonly called jaundice, can often be traced to sewage problems or contaminated water. Outbreaks of the disease often occur in areas where septic tanks overflow.

Q. What is the best treatment for varicose veins?
 A. It depends. For some, surgery may be indicated. Injection treatment may be best for others. The condition of varicose veins is due to an inherited weakness of the vessels. Regardless of the method of treatment, revisits to the doctor at regular intervals are absolutely essential in minimizing further trouble.

Q. A neighbor's child who had received four polio shots contracted the disease and is paralyzed. Will you please discuss?
 A. When Salk polio vaccine first became available, some health officials predicted almost complete success in stamping out the disease. Things didn't turn out quite so perfectly. In 1959 there were about 6,000 cases of paralytic polio in the U. S., 1,000 of which involved persons who had received three, four, or more shots of Salk vaccine. The exact reason for the failures is debatable.

Prescriptions called for promptly and delivered quickly.
