Ohio State Nation's Top Team; Niagara Stops 99 Game Streak

By THE ASSOCIATED PRESS

Ohio State still is the No. 1 team in the nation, and no doubt about it. But the Buckeyes have to give up some of the spotlight to Niagara, the No. 1 team of the moment in college basketball.

It was the Purple Eagles, coached by nice guy Taps Gallagher, who snubbed a jinx and surely drew a nod from the National Invitation Tournament by upsetting second-ranked, NCAA-bound St. Bonaventure 87-77 Saturday.

The Bonnies had won 12 in a row and had lost only to unbeaten Ohio State, the weekly unanimous first-place choice in The Associated Press poll, by a mere two points, 84-82, in the Holiday Festival in New York.

Not only did Niagara whomp the Bonnies by 10 points, but they did it in St. Bonaventure's cosy home court at Olean, N.Y.—where the Bonnies had put away 99 consecutive victories. St. Bonaventure hadn't lost in 13 years and 13 days at home, and it was the same Gallagher and Niagara that last came out a winner there.

With Niagara (15-4) waiting at the telephone for a call from the NIT to fill one of the four berths remaining in the March 16-25 tourney at Madison Square Garden, the post-season tournament picture is much closer to completion.

Temple (18-5) agreed to its fourth trip to the NIT Sunday, after beating Villanova 79-69 in a Philadelphia doubleheader that also sent St. Joseph's into the NCAA as Middle Atlantic Conference representative after the Hawks had downed Muhlenberg 81-72.

Kansas State (18-4) of the Big Eight and Texas Tech (14-8) of the Southwest can nail automatic NCAA tickets tonight. And by week's end, Ohio State (22-0) should have stretched the nation's longest streak through 28 games for another Big Ten title and a long ago conceded right to defend its NCAA title.

The week also will determine NCAA entries from the Atlantic Coast, Southern, Skyline and Yankee conferences, and perhaps the Missouri Valley, Border, Ohio Valley and Southeastern as well.

While Ohio State won its 27th in a row with a hot-shooting (.500) 97-74 breeze at Wisconsin, gaining position to nail the Big Ten title in a game against Michigan State this Saturday, St. Bonaventure fell victim to its own weapon—a deadeye, fast-break attack.

Niagara, although blowing a 13-point second half lead, hit 73 per cent of its shots in the second half, 60 per cent over-all, and then stood off the Bonnies' deadly press in the final three minutes.

Kansas State can clinch in the Big Eight tonight by winning at Nebraska against the club that upset Kansas 69-68 Saturday. Kansas State whipped Missouri 91 - 71 Saturday and the eighth-ranked Wildcats need win just one of their three remaining games to cinch the NCAA berth over third-place Iowa State or fourth-place Colorado. Second-place Kansas can tie for the title, but is banned from tourney play because of NCAA probation.

Texas Tech can make it by beating sixth place Rice tonight in the Southwest.

In the SEC, Mississippi State is the leader at 10-2, after slipping past SU 56-54, but because of the past LSU 56-54, but because of the segregation issue will pass up the NCAA. That leaves it to Kentucky, Florida or Vanderbilt, all tied for second at 8-4.

Pelicans Cop Title; Place Eight In State

By TIM MASON

A very happy bunch of Klamath Union wrestlers arrived in town early Sunday morning with the knowledge that they had pleased their coaches and finished their long, hard season undefeated in the face of the roughest competition available. They were bringing the District 6-A-1 wrestling trophy home to a jubilant high school student body and community.

Coaches DeLance Duncan and Jack Peterson's matmen swept aside all contenders in the district competition held in Grants Pass Friday and Saturday to not only cop the first-place crown, but also the Fall Trophy for the greatest number of pins made during the meet.

The Pelicans racked up a total of 148 points to better the 141-point effort of the Grants Pass team which had led the field of muscle benders through all but the last round of the meet. Medford placed a close third with 134 points. Crater of Central Point nailed down the fourth spot with 75, and Ashland finished last with 15.

With the conclusion of the district matches, this season's wrestling work for all but eight members of the Klamath squad was over. Those eight qualified for the state tournament to be held this coming Friday and Saturday in Corvallis by taking either first or second in their respective weights.

Gary Head, Gary Leavitt, Dale Crumrine, Bob Mitchell, and Gary Hancock won the championships in each of their weight classes, while Milo Crumrine, Dave Gonzales, and Larry Wishard nabbed the second spots in theirs — all landing berths for themselves in the state tourney. They were presented with silver and gold medals for first and second finishes.

In addition, six other Klamath grapplers took third-place honors after having to fight it out and losing to their own teammates at one time or another. These included freshmen Grant Humphrey and Dave Vetkos, Sherd Duncan, Pete McSwain, Henry Swisegood and Fred Stilwell.

Duncan was forced to accept a third place finish as he was first pinned by fellow Pelican Leavitt and then by Dave White of Central Point Saturday night when he failed to get up off the mat and was rushed to the Josephine County General Hospital where he spent the night. He was released Sunday and returned home after passing all the medical tests.

The Whitebirds also lost two potential state champions during the meet when 98-pound Jim Long couldn't make his weight in the Friday morning weigh-in session and big Art Mills, wrestling at 171 pounds, had to forfeit after his first match due to a bad elbow that he had dislocated earlier in the season.

Russ Jumper Tops Thomas

NEW YORK (UPI) — Valery (Beau) Brumel, Russia's human sputnik, today promised he'll rocket to a new high jump record in the Knights of Columbus track meet at Madison Square Garden Friday night.

Brumel outclassed John Thomas for the third time in the National AAU indoor track and field championships at the Garden last Saturday night, equalling Thomas' meet record with a leap of seven feet, two inches.

A record crowd of 16,243 moaned loudly when Thomas failed to clear 7-1 three times after passing the seven-foot mark on his first try.

The Brumel-Thomas duel was billed as the feature attraction of the Nationals but the broad jump—another U.S.-Russian battle—produced the most drama and a world record leap by Olympic champion Ralph Boston of Tennessee State.

Palmer Wins New Honors

BATON ROUGE (UPI)—Pressure player Arnold Palmer, the guy who uses golf clubs with the finesse of a virtuoso, was atop the golfing world today after running away from the field to register a record 72-hole total of 266 in the $20,000 Baton Rouge Open.

Palmer, the defending champion, was tied for the lead at 65 in the first round but the rest of the field faltered as he shot sub-par rounds of 65-67-68-66. Only one other golfer in the tourney, second place finisher Wes Ellis Jr., played all four rounds below par. Ellis, seven strokes back, had rounds of 68-68-68-69—273. Par on the 6,700-yard Sherwood Forest course was 70.

Palmer's score, 14-under par, eclipsed a 13-under par record set in 1953 by Sam Snead. Snead's mark was 275—but it was played on a par 72 course, ahead of veteran Jack Burke.

Going into Sunday's final 36 holes, Palmer was just one stroke

Lippy Leo Gets Familiar Boot; Hutchinson Whistling In Dark

Baseball's spring training season is official — Leo Durocher lost his first argument with an umpire.

It was only the Los Angeles Dodgers' first intra-squad game Sunday but there was Leo, back in harness after five years, managing one of the squads from the third base coaching box — and up to an old trick.

In familiar fashion Leo began to dub out the white lines marking the coaching box and then wander along the third base line at will. Over the years the ex-Brooklyn and New York Giant pilot has pulled the same trick defying countless umpires in an effort to steal a sign or gain some other advantage.

Plate Umpire Jim Duncan is slated to do his umpiring in the Class D Midwest League this year but the fellows who'll be playing in it might just as well understand here and now that they're not going to get away with anything. The rules state that the coach must remain within the limits of his prescribed area and the umpire is supposed to enforce the rules.

Duncan warned Durocher. No dice. He warned him again. Still no dice. And so, without further ado, the Class D umpire swept up his right arm with thumb skyward and bounced a guy who's defied umpires, commissioners and players for 30 years out of the game!

Action began to step up in other camps along the citrus and cactus routes as the time drew near for the full squads to go into action. At St. Petersburg, Fla., Manager Ralph Houk outlined a new role for slugger Mickey Mantle — that of leader of the Yankees — and said he believed Mantle could develop into a "quiet leader" on the style of Joe DiMaggio.

Dale Long, counted on by the new Washington Senators to supply much-needed power, checked in at Pompana Beach, Fla., three days ahead of schedule.

Steve Bilko, "down to" a mere 240 pounds, starred in the Los Angeles Angels' workout at Palm Springs, Calif., by hitting five drives out of the park during a lengthy batting drill.

Other camp notes: The Boston Red Sox still have "scouts out" for pitcher Mike Fornieles, missing between Miami, Fla., and their Scottsdale, Ariz., camp. . . Vice President John Holland expressed satisfaction with the Chicago Cubs after two weeks of preliminary training.

Second baseman Billy Gardner, unsigned but close to agreement, was given permission to workout with the Minnesota Twins. . . Mel Roach, 28, was tossed into the battle for the Milwaukee Braves' wide-open left field job. . . the World Champion Pittsburgh Pirates reported "all signing" when first-baseman Dick Stuart agreed to terms.

TAMPA, Fla. (UPI)—Every one discounts the Cincinnati Reds except Manager Freddie Hutchinson.

In all the pre-season forecasts, the five clubs picked to battle it out for the National League pennant are the Pirates, Braves, Dodgers, Giants and Cardinals.

The Reds, who finished sixth last season, never even get a call. Hutchinson, however, feels they deserve one.

"The Dodgers finished seventh in 1958 and won the pennant in 1959," Hutchinson reasoned. "In a league as tough and evenly balanced as this one there aren't any dark horses.

"We all knew back in 1958 that the Dodgers were not as bad as that seventh place finish made them look. And I know, and my players know, that the Reds weren't as bad as that sixth place finish last year indicated.

"But I'm not being the optimistic spring training camp manager you meet every year this time when I say that I think my club can do it."

The former major league pitching star is confident the potential is there.

"Last year," he recalled, "we had the hitting it takes at times, the pitching it takes at times, and the speed and defense it takes at times. We never could put all of them together. Now if I can get all of those things meshed into one unit we aren't going to have to take a back seat to anyone."

Dark Warns Giant Staff

PHOENIX Ariz. (UPI) — Manager Alvin Dark officially put his San Francisco Giants to work today—and he warned them he does not expect a letup until September.

"It is only human to take things easy at times, but you lose when you do that," Dark said. "So, you need somebody around to keep you alert and alive—and that will be my job."

The full Giant roster was on hand for the opening day of spring training. Dark said his crew would concentrate on fundamentals, hitting and running for the first two weeks.

"Take care of the legs," the manager said, "and the arms will take care of themselves."

The Giants got the last real rest of the season Sunday—and the manager kept the park's gates locked to be sure that they took it.

The Boston Celtics' fifth straight Eastern Division crown in the National Basketball Association was all but assured today after the Celts lowered their magic number to two over the weekend.

But the remaining playoff berth in the Western Division is still up for grabs between Detroit and Cincinnati.

Boston won both of its weekend games, beating St. Louis 122-109 Saturday and leveling Detroit 113-99 Sunday. The two victories, combined with Philadelphia's 121-116 loss to Los Angeles Sunday, mean the Celtics can gain the Eastern title with two victories, a pair of losses by Philadelphia or a combination of the two.

Even with the Boston loss, Detroit stayed two games in front of Cincinnati as the Royals also bowed, 148-122, to division champion St. Louis. Cincinnati has only 4 games left while Detroit has 6.

In the other game Sunday, Syracuse beat New York 136-110 while Philadelphia won from Cincinnati 129-120 in Saturday's only other game.

Decision Due On Gloves

MIAMI BEACH, Fla. (AP) — The city boxing commission may decide today whether Ingemar Johansson may wear six-ounce gloves in his March 13 bid to regain the heavyweight title he lost to Floyd Patterson.

Bill Fugazy, promoting the Convention Hall bout, said he would press the Swede's demand at the commission meeting. Six-ounce gloves, regulation in New York, were used in both previous Patterson-Johansson bouts. Miami Beach has a rule that eight-ounce mitts are to be used.

Patterson boxed only three rounds Sunday in addition to working out before a crowd of 600 in his hotel ballroom gym.

Comet is one of the least expensive compacts you can own! These are the facts. Comet costs less when you buy—up to $331* below other compacts. Comet gives you high resale value—up to $546† more than other compacts. That's why it pays to own a Comet. But that's not all. Comet has fine-car features, too.

It's the first family-size compact Longer wheelbase—up to 7.5" longer than other compacts—means more Comet room, not only in pleasurable comfort-for-six seating but in over 28 cu. ft. of trunk space—up to twice as much as other compacts.

Comet's big-car ride is the comfort difference Extra length also contributes to Comet's road-leveling ride. The refined new suspension and easier-action springs give Comet a better ride than many standard cars. And you'll find Comet turns, parks and handles almost as easily as a tricycle!

Talk about economy and you're talking Comet To save on gas, choose either of Comet's two thrifty engines. You change Comet oil only every 4,000 miles, get 10% better tire mileage, save on licenses and insurance. And Comet's super-enamel finish won't cost you a cent for waxing—never needs it!

Both two- and four-door sedans and wagons Take your pick from sedans or wagons. Comet wagons have up to 30% more cargo space behind the front seat than most other compacts, *plus* a convenient roll-down rear window.

Lasting quality, even where it doesn't show Comet *is* quality, inside and out. Unit-built to keep quiet, stay sturdy and durable. Comet also has rustproofed vital underbody parts, complete soundproofing and an aluminized muffler.
