

Klamath County 4-H Clubs Observing National Week

About 800 Klamath County 4-H Club members are joining about 2 1/2 million boys and girls in rural, urban and suburban areas throughout the nation in celebrating National 4-H Club Week, March 4 through 11.

Carol Armstrong, county extension agent, says that they will recognize "4-H alumni." These 20 million men and women throughout the U.S. have participated in the 4-H program in the 50 years since the movement started and are benefitting from training and experience they received as 4-H members.

Many alumni are leaders of local 4-H clubs in Klamath County. Window displays in local merchants' windows, set up by local clubs, will help celebrate the week here.

Nationally, 4-H Club Week will be highlighted in Washington, D.C., when six 4-H members chosen as delegates from all states will present the annual 4-H Club "report to the nation."

The report will summarize in stories and pictures outstanding 4-H accomplishments and pay tribute to the thousands of former 4-H'ers.

Bert Frewing On Dean's List

PACIFIC UNIVERSITY, Forest Grove—Bert Frewing, son of Mr. and Mrs. D. K. Frewing, 4225 Summers Lane, has recently been named to the Dean's List honor roll for the fall semester. To be eligible for this honor a student must have attained a grade point average of at least 3.25.

Frewing is a sophomore majoring in pre-optometry. He is a graduate of Klamath Union High School.

Sarah Bernhardt, famous actress, made her last stage appearance on Nov. 30, 1922, at Turin, Italy.

The six, while in the capital, expect to review the report with President John F. Kennedy at the White House. They also plan to visit other agricultural officials and various senators and members of congress on Capitol Hill. Honors will also go to volunteer leaders who guide 4-H work in local communities throughout the states and Puerto Rico.

Main purposes of 4-H Club Week this year are to provide an opportunity to acquaint more young people with opportunities through joining or forming 4-H clubs, to assist new members in starting projects, to inform the public about 4-H aims and methods, and to pay tribute to outstanding "graduates" of the program.
