NEW YORK (AP) — Improvement by some of the market wheelhorses put the stock market on the upside at the close today. The list was mixed most of the day but late in the session steels, coppers, chemicals and some other cyclical issues advanced enough to shove the average into plus territory.

GREAT NORTHERN'S YARDMASTER, Bill Elliott, seated, was visited Tuesday in his aerie, the control tower, by Cub Scouts of the Klamath Basin area. Elliott was spelled at his task by Bill Weinstein, Shasta School third grader and member of Den 6, Pack 10. Young Weinstein is talking to a switch engineer. He is the son of Mr. and Mrs. Hyman Weinstein, Klamath Falls. More than 100 cubs toured GN facilities as a monthly project tied to railroading.

County Building Firewood Supply

A row of poplar trees being cut down on Highway 39 just east of Merrill will provide firewood for Klamath County welfare families next winter at a considerable saving to the county. The trees are being felled and chopped up for firewood as a result of an agreement among their owner, Daniel Cashman of Merrill, the State Highway Commission and the Klamath County Court. There were approximately 110 trees in a stately row before cutting operations began. Although the trees were thought to be beautiful by some people, the State Highway Commission said they were a hazard to safe driving during the winter. Because of their huge size, they were shading the highway and keeping it frozen and slippery most of the time. County Judge R. R. (Bob) Walker said the county would cut the trees if it could keep the wood and Cashman and the highway commission agreed. County Road Department crews, under County Engineer Jack Kalinoski, are doing the cutting and welfare work crews are bucking the trees into 18-inch chunks and stacking the chunks in the old county shop area in Klamath Falls.

Robert Steele Adams Sr. Found Dead By Visitor

Robert Steele Adams Sr., lifetime resident of Klamath County, was found dead in his home near Lorella late Tuesday, March 14. Time of his death has as yet not been determined. He had suffered from a heart condition for several years and had been under a doctor's care. He was found about 6:15 p.m. sitting in a chair in the living room of his ranch home by Kent Pulley, Sutherlin, Ore., a friend who once lived near the Adams family at Henley. Deputy Coroner W. P. Kendall and Sheriff Murray Britton were called in an official capacity. Mrs. Adams, a well known teacher, was in Idaho on business and was en route home today with other members of the family. Mr. Adams, 67, was born at Merrill May 3, 1893, the son of Basin pioneers, Mr. and Mrs. J. Frank Adams Sr., who played an important part in the development of irrigation and other progress in Klamath County. He had devoted his lifetime to ranching. The family lived for many years near Merrill and Tulelake and moved to their present ranch location about six years ago. He served in the United States Infantry overseas in World War I where he was wounded. He was a member of Klamath Falls Elks Lodge, No. 1247, and of Tulelake Post 164, American Legion. Survivors include the widow, Even, Lorella, one son, Robert S. Adams Jr., Rupert; a daughter, Mrs. Fanny Bryngelson of Rupert; brothers, Dr. J. Martin Adams, Klamath Falls, William W. Adams, Lancaster, Calif., and J. Frank Adams Jr., Klamath Falls, who with Mrs. Adams has been in Carmel; also eight grandchildren. Arrangements will be announced by Ward's Klamath Funeral Home. Friends wishing to do so may contribute to the heart fund.

Stolen Car Reported

A car theft was the most serious crime reported to city and state police Tuesday. Gene Ballard, 309 Washington Street, said his two-door hardtop car was stolen from the corner of Main and Sixth streets Tuesday night or Wednesday morning. The car was black and white. Raymond Meek, 316 Broad Street, called city police to report that his seven-foot glass fishing rod and spinning reel were stolen from his station wagon Sunday night. The vehicle was parked on Klamath Avenue between Seventh and Eighth streets. State police reports: Michael Kleinkopf, Cooley Hall, OTI, said someone stole the generator and air cleaner off his 1961 car while it was parked on the campus between Cooley and Antler halls. Mike Eittrheim of Bend-Portland Truck Service said a rock or bottle was thrown into the windshield of a truck early Wednesday morning near the Chilquin Junction. The truck driver reported that two men were standing by the side of the road and one threw the object. The driver did not stop to investigate.

Grant, South Eugene Win Games

McARTHUR COURT, Eugene (AP)—Grant High School extended its winning streak to 23 games by defeating Scappoose 61-56, and pushed the losing team out of championship play in the Oregon A-1 basketball tourney. Scappoose pushed the tall General all the way, but dropped behind in the middle of the first period after the score had been tied three times. At the end of the first quarter, Grant had a nine-point lead at 19-10. In the second quarter, with Scappoose edging a bit closer, the Generals' 6-4 forward, Al Zell, had a hot streak and hit five field goals to lead his team into a 33-23 halftime margin. Zell was the high point man in the game with 20 points. Forward Dave Kucera of Scappoose was high of the Indians with 16. Grant, which usually uses a two-platoon system, made it work again in tournament play. During the first half, the second platoon kept the Generals in contention, until Zell lit his scoring stride. In the last period, Scappoose never could get closer than six points. The Indians improved each period, with an output of 10, 13, 15 and 18 in the last period. But Grant netted 16 points in the hectic final period to make their margin stand up. Grant will face South Eugene in the next round of the championship bracket Thursday, while Scappoose will face Central Catholic, 39-34 loser in the first morning game to South Eugene.

EUGENE (AP)—South Eugene knocked Central Catholic of Portland out of the championship round of the Oregon A-1 basketball tournament Wednesday. The game was dominated by tight defenses. In the third quarter, South Eugene could only score 5 points; Central Catholic only eight. The period was scoreless for almost five minutes as the ball was stolen repeatedly at mid-court. Central's 6-2 forward, Dave Bergman, was the high scorer with 11 points. Don Du Shane, South Eugene tried to control the ball during the last few minutes, but only Central's inability to hit from the floor kept the latter from going ahead. South Eugene built up a first quarter lead of 17-7, led at the half 26-18, and at the end of the third quarter, 31-26. South Eugene had been rated No. 6 in the last Associated Press poll and Central Catholic No. 7. South Eugene next will play the winner of Wednesday's second game, between Grant and Scappoose. Central plays the loser in the consolation round.

Young Thieves Given Probation
Two young shoplifters were released to their parents Tuesday afternoon after questioning by City Juvenile Officer Ray Howard. The boys, ages 13 and 11, were caught by an employee of F. W. Woolworth Company, 811 Main Street, in possession of a stolen toy car and an eraser. They also had a balloon which had been taken from Payless Drug, 808 Main Street. After admitting the thefts, the youths were released to their parents to await a juvenile court appearance.

New Board At Tulelake
TULELAKE—The new Tulelake Irrigation District Board of Directors met March 13 at 8 p.m. at the district office and organized the board for the ensuing two-year period. Sam Anderson was reelected president; Director Les Cushman was elected vice president; Maurice Strantz was reelected secretary. Earl W. Parsons and Maurice J. Ott, recently appointed by the Siskiyou County Board of Supervisors, will serve as directors for the first time. Ott's appointment last week by the Siskiyou County Board of Supervisors was announced by Earl Ager, supervisor. He is the son of J. I. Ott, a long time Tulelake resident and a farmer in the Basin.

Students Get Service Exam
The annual Selective Service College Qualification Test will be offered to college students April 27 at approximately 500 colleges throughout the nation. The score made on the test is a help to local boards in considering students for deferment from induction for study as undergraduate or graduate students. Sprague H. Carter, state director of Selective Service for Oregon, urged students to take the test. The test is for the student's benefit as well as for the nation's good. A local board should have full information about a student in order to classify him, including his class standing and a score on this test. A high test score may compensate for a low class standing; and a high class standing may compensate for a low test score. The purpose of student deferments is to give promising students an opportunity to continue to prepare themselves for careers in support of the national interest. The undergraduate student who today does not plan on graduate study may change his plans as he nears graduation, Carter added. That is also the time when a test score may be important in the local board's decision concerning deferment. Application materials for the test are now available at the nearest Selective Service local board office. Students are urged to make application early. The application must be postmarked not later than midnight, April 6, 1961. Full instructional materials are issued with applications.

Woman Injured
City police said a car driven by Robert Earl Small, 628 Oak Avenue, struck a pedestrian, Mrs. Kenny Masterson, 33, 1905 McClellan Drive, at the corner of Ninth and Main streets at 11 a.m. Wednesday. Peace Ambulance took Mrs. Masterson to Klamath Valley Hospital where she was treated for minor injuries and released. Police are investigating.

Statement By Defendant Quoted In Murder Trial
A statement given by Verna Lee Ruff was read Wednesday morning in circuit court during her second degree murder trial. "I guess I stabbed him. I don't know," Mrs. Ruff is quoted as telling sheriff's deputies. She is charged with the murder of Joseph W. Penasse Feb. 4. The statement was given three days after the killing. The statement, which was read by Deputy District Attorney Robert M. Redding, was admitted as evidence over the objections of Defense Attorney Glenn D. Ramirez. A series of pictures of the scene of the killing taken by Sheriff Murray Britton was also admitted into evidence. Judge David R. Vandenberg motions by Ramirez. The motions asked that shorthand notes taken by Deputy Sheriff Kathleen McLin be produced in court. Ramirez had also requested the sheriff to give Penasse's criminal record available. Tuesday afternoon, the jury was selected and the defense opened its case by calling pathologist Dr. George R. Nicholson. Dr. Nicholson performed an autopsy on Penasse which revealed that he died from a stab wound. The doctor also examined Mrs. Ruff on Feb. 5 and found a scratch on her back and bruise under her eye. Mrs. Ruff has pleaded not guilty by reason of self defense.

Car Strikes Young Girl
A 10-year-old girl ran into the street in the 300 block of Martin Street Tuesday and was struck, but not injured seriously, by a car. Janice Marlene Mattinen, 357 Martin Street, was treated for leg bruises and released from Klamath Valley Hospital. The driver of the car, Nora Bernice Hawk, 71, Klamath Agency, said the girl ran directly in front of her car without looking. A witness said Mrs. Hawk swerved in an attempt to miss the child. Janice said she looked both ways and didn't see any cars. A Tulelake woman, Mrs. June Williams, suffered an elbow injury Wednesday morning when the car she was driving ran into a steel light pole at Sixth and Commercial streets. The accident was reported by Burt Chealander, who was watching from a service station across the street. Mrs. Williams' arm was put in a sling, X-rays were taken and she was released from Klamath Valley Hospital.

Term Suspended
A 20-year-old California man was given a 30-day suspended sentence Tuesday in district court after he pleaded guilty to petit larceny. Marvin Junior Gregory, Oceano, Calif., was sentenced after he admitted stealing 27 cents worth of candy from Market Basket No. 1, 122 North Ninth Street, over the weekend. He was arrested Monday by Deputy Sheriff Del Summers.

FORT ROCK STORE, restaurant and dwelling areas were completely destroyed by fire Saturday night which started around the flue in the post office section. Only the sign and a charred shower stall remained erect.

The carriage road to the summit of Mount Washington, in New Hampshire, was completed in 1861.

Naval Threat

—PORTSMOUTH, England (AP)—Britain's biggest naval city is now out of bounds to Kay Grant-ham, 17. The girl was placed on probation for two years Tuesday with the condition that she stay away from Portsmouth and its 10,000 navy men after probation officer Dorothy Aspery told the court: "She is far too fond of sailors and seems to know all the bad places."
