

BEHIND SCENES — The myriad details of keeping a fair office rolling, the checking and rechecking of records, helping to keep Fair Manager William Whitaker busy and a hundred-and-one other jobs, fall to this feminine corps in the office at the Tulelake-Butte-Valley Fair. Office hours are about around-the-clock while the fair is underway. The fair will be kicked off with a street dance Friday night in the business district and gaily decorated gates will be thrown open at 10 a.m. Saturday, Sept. 9, when the public is invited to see the biggest, best exhibits in the 12-year history of the fair. Left to right are Johnella Takacs, who has done all the art work for the fair; Lura Urbach, arts and craft clerk; Leo Corter, office secretary, and Barbara Krizo, livestock clerk.

Tulelake Grangers Approve Officer Proposal

TULELAKE — Tulelake Grangers in a busy session recently approved the proposal made by the state grange to make possible election and installation of officers before future state conventions. The change would be effective next year.

The Tulelake Grange voted to meet Sept. 14 at 8 p.m. to plan for entertaining J. B. Quinn, state grange master, Sept. 22.

Dorris Tulelake granges will jointly install officers here Nov. 5 with Wayne Ralston, Greenhorn Grange, state deputy installing officer. The meeting will include a 1 p.m. smorgasbord and program.

H. T. Street and W. H. Weikamp reported on success of the Pomona Grange booth which received fourth place and a check for \$145 at the Yreka County Fair. It was announced that Bill Weikamp Jr. hopes to leave for Venezuela in October, sponsored by the Institute of International Education. He is presently at Davis. Bea Schweitzer is in charge of the large commercial grange booth at the fair this year. Mrs. H. T. Street is in charge of the home economics booth.

The local grange now has 90 paid-up members. H. T. Street, treasurer, made the announcement.

Cubans Study Russian

HAVANA (AP) — Prime Minister Fidel Castro says Cubans must learn the Russian language.

Addressing the windup of a four-day national congress against illiteracy, Castro said he had asked the Soviet Union to supply 100 professors to teach the language to 2,000 Cuban teachers.

Castro said English must also be learned because there will be social changes in English-speaking countries.

"Some day we will have to speak in English with the North American revolutionaries," he declared.

But at the moment, Castro said, Russian is the most important tongue "because the Soviet Union is in front in science."

SKIPS NEWS SESSION

WASHINGTON (UPI) — President Kennedy will not hold a news conference this week. White House Press Secretary Pierre Salinger said Tuesday there was no special reason for deciding against one.
