

# Saxon Replaces Gidney In Comptroller Post

WASHINGTON (AP)—In an on-again, off-again bit of White House byplay, President Kennedy has named Chicago lawyer James J. Saxon to replace Ray M. Gidney as comptroller of currency.

The appointment, announced Wednesday, will become effective Nov. 15.

Gidney, a Republican, has disagreed strongly with Atty Gen. Robert F. Kennedy, the president's brother, over antitrust policy on bank mergers.

The White House announced nomination of Saxon, a Democrat Wednesday afternoon. A spokesman said he understood Gidney was stepping out under a verbal agreement with Secretary of the Treasury Douglas Dillon.

Less than two hours later, the White House withdrew the nomination. The Treasury Department said it was all a mistake, that the nomination had been sent to the White House "as a result of a clerical error in the rush at the close of the session in Congress."

Still later, the White House press secretary, Pierre Salinger, summoned reporters back to the

# Church Eyes Mass Probe

DETROIT (AP)—After putting new steam into a move for Christian reunion, the legislative machinery of the Episcopal Church today ground to a halt—for a look at some other kinds of machinery.

Nearly 1,000 representatives of the church from across the country—bishops, pastors, theologians and lay delegates—headed into the whirling labyrinth of Detroit's industrial empire.

Their purpose: To hunt clues on how the church can break out of its parochial walls into the mass — organized, mechanized world that has engulfed much of modern American life.

The tour came after the House of Bishops Wednesday swept through a dramatic measure aimed at uniting a wide range of American churches, including at least four other denominations.

It calls for talks with United Presbyterians, Methodists, the United Church of Christ, the Polish National Catholic Church and possibly others to "explore the possibilities of an eventual united church, truly Catholic, truly reformed and truly evangelical."

Altogether, the denominations have about 20 million members.

# Kennedys' Flee Port

HYANNIS PORT, Mass. (AP)—President Kennedy's 3½-year-old daughter Caroline and 10-month-old son John Jr. were removed from their Cape Cod summer home today for protection from Hurricane Esther.

They were taken to Otis Air Force Base at Falmouth, 18 miles from Hyannis Port. With them in a five-car caravan went all persons at the "Kennedy compound," including six cousins.

They made the trip by automobile at 6 a.m., the White House said, at the request of the Secret Service which is responsible for the protection of the President's family.

In addition to the President's children, those at Hyannis Port were the two children of Mr. and Mrs. Stephen Smith; three of Mr. and Mrs. Peter Lawford; and one of Mr. and Mrs. Edward Kennedy.

None of the parents was with them at Hyannis Port, the White House said, but the President's father, Joseph P. Kennedy, was there.

The White House said the children were being cared for at a Strategic Air Command installation at the base, 18 miles from Hyannis Port.

# Fine, Jail Sentence Suspended

Ysmael C. (Smiley) Herrera, 19-year-old Klamath Falls youth, pleaded guilty to an assault and battery charge Wednesday and was given a suspended fine and jail sentence by District Judge Hal F. Coe.

Judge Coe assessed a \$200 fine and imposed a four-month jail term but suspended both on the condition that Herrera "obey all city, state and federal laws." Herrera admitted beating his ex-wife, Dolores, in July.

Another charge, contributing to the dependency of a minor, is pending against the youth. His ex-wife also filed that charge, alleging that Herrera didn't support his child. His attorney, Arthur Beddoe, has filed a demurrer on the grounds of an insufficient complaint.

Herrera was also involved in an escape over the weekend, which was investigated by city police. Herrera was treated early Saturday morning at Klamath Valley Hospital for an apparent overdose of sleeping pills.

The youth is free on \$400 bail on the support charge.

# Dinner Date On Saturday

A savory beef stew dinner, "home grown" and prepared by Bev Lyons, Pacific Power and Light Co. home economist, whose cooking is already known to Klamath Basin gourmets, will be sponsored by the Klamath County Cow Belles Saturday, Sept. 23.

Serving will be in the Altamont Junior High School Cafeteria from 5 to 8 p.m. Dinner will include homemade pies baked by the Cow Belles. Special prizes will be given away at 6:30 p.m. for early arrivals and at 7:30 p.m. for those coming later.

Mrs. Lyons will be assisted by Golden Swartzler, also known to local cooks after her appearance here last May with Mrs. Lyons at the Herald and News Cooking School and Oregon Food Fair.

Beef grown by members of the Klamath County Cattlemen's Association will be cooked to a "king's taste" for the annual dinner.

Funds are used to promote the beef industry in the Basin.

Incidental music will be played during the evening by Mrs. Martin Gift, Cow Belle secretary, on an instrument provided through the courtesy of the Bowden Music Company.

# Grand Jury Given Case

A 22-year-old Klamath Falls man was bound over to the grand jury on a statutory rape charge Wednesday but not before his accuser, a 15-year-old Merrill girl, had been subjected to rigorous questioning by the defense attorney and district judge.

The man is Brownie L. Atkinson, 1904 Fargo Street. He is married and has three small children. He was arrested Sept. 5 for allegedly raping the girl on the morning of Sept. 3 after a dance at the Klamath Auditorium.

Judge Coe ruled that there was sufficient evidence to bind Atkinson over to the grand jury. The jury is due to meet next week. Meanwhile, Atkinson is free on \$5,000 bail.

# Tule Street Paving Done

TULELAKE — Clements Construction Company of Tracy, Calif., has completed the paving of two streets in the city at a cost of approximately \$14,000.

The improvement project, first surfacing except gravel, gives pavement to the Tulelake Elementary School and the Baptist and Presbyterian churches.

# State Picks Airport Job

SALEM (AP)—The state Board of Aeronautics accepted as a state airport development project Wednesday an airport for the Cottage Grove area.

Director Robert Dunn said this will mean that the state will build an airport in the area with the cooperation of local and federal agencies.

The board also approved an \$8,000 grant to help Salem finance a \$44,500 taxiway at McNary field. This was \$1,875 below the request of the city, but the board established \$8,000 as a maximum limit for any grant-in-aid project for airports, other than those owned by the state.

The board also increased a grant for runway maintenance at Ontario from \$1,500 to \$2,100 and provided \$2,500 for lighting at the Arlington Airport.

It established the Monmouth-independence area as a priority area for an airport. It put off specific action until after local residents acquire needed land.

The board approved spending of up to \$10,000 each to protect runway surfaces on state-owned strips at Toledo and Hermiston. An airstrip at Prospect also was accepted tentatively by the board. Dunn also said a meeting will be Oct. 2 in Salem between representatives of the board, West Coast Airlines and Eastern Oregon communities involved to seek improved airline service as ordered in May by the Civil Aeronautics Board.

# Roberson Jury Pick Underway

Jurors were being selected Wednesday morning as the trial of Leslie Roberson, 48-year-old Klamath Falls man charged with assault with intent to kill, got underway in Judge David R. Vandenberg's circuit courtroom.

Roberson is accused of shooting Roy McDowell, 35, also of Klamath Falls, three times in the left leg on July 20. J. R. (Bob) Thomas is Roberson's lawyer while District Attorney Dale T. Crabtree will handle the state's case.
