Millionaire Businessman Freed On Killing Count

CHARLOTTE, N.C. (AP)—Millionaire businessman George King Cutter went free today, acquitted of a charge of slaying Delette Nycum, a divorcee whom he had dated since 1948.

Cutter had been in jail since July 4.

40 AND 8 Drops Legion Ties

INDIANAPOLIS (AP)—Delegates to the 40 and 8 national convention voted Friday to erase all mention of the American Legion from the fun-making group's constitution.

The action practically eliminated any chance of the 40 and 8 revoking its "white only" membership qualification which led to the dispute between the 40 and 8 and the Legion.

At its last convention, the Legion voted to ban the 40 and 8 from using American Legion emblems until it was opened to veterans of all races.

This Shelter Seems Crowded

SALISBURY, Md. (AP)—Mr. and Mrs. Oscar Taylor may be wondering how crowded their fallout shelter would be in the event of a nuclear attack.

The underground shelter, built for the Taylor family of four at a cost of about \$1,250, has been described as ideal by civil defense officials.

That's the way friends and relatives apparently felt early in the week when Hurricane Esther threatened this area. Mrs. Taylor said 12 persons requested permission to use the shelter.
