Pair Exchange Nuptial Vows

Barbara Lea Austin and Emilio Aldo Giacomelli exchanged wedding vows in a recent nuptial mass officiated by Msgr. James Casey at St. John's Catholic Church in Dunsmuir.

The bride is the daughter of Mrs. Geraldine E. Austin of Klamath Falls and William H. Austin of Dunsmuir.

Mr. and Mrs. Emilio Giacomelli of Dunsmuir are parents of the bridegroom.

White gladioli, lily of the valley and baby breath decorated the altar to which the bride was escorted by her father. Her princess style, ballerina length gown of white satin was fashioned with a sweetheart neckline outlined with embroidery. A shoulder length veil of nylon organza was held by a crown of seed pearls. On a white missal she carried an arrangement of lily of the valley and white gladioli.

Sole attendant to the bride was the bridegroom's sister, Louise Giacomelli of Sacramento. Her bouffant frock was of lime green chiffon over satin with matching satin headpiece with brief veil.

Aico Giacomelli, Tulelake, was best man for his brother. Ushers were Nick Padula and Alvin Perez, both of Dunsmuir.

Mrs. Austin chose for the occasion, a rose satin finish taffeta

dress with white accessories and corsage of lily of the valley. Mrs. Giacomelli wore a navy blue flowered silk with white accessories. White carnations formed her corsage.

The same all-white flowers used for the wedding decorated the ballroom of the Travelers Hotel for the reception. There, the newlyweds cut a pretty three tiered wedding cake before leaving for their honeymoon to San Francisco and Sacramento. Mrs. Giacomelli traveled in a sea foam green two piece suit with white accessories. She carried a bouquet of

pink rosebuds. She attended school in Klamath Falls and following her graduation from Dunsmuir High School was employed by Pacific Telephone Company in Sacramento.

The bridegroom, graduate of Dunsmuir High School, is associated with his brother at Jock's Super Market in Tulelake where the couple will reside.

Out-of-town guests included Mary Lee and Joe Rider, San Francisco; Mr. and Mrs. John Neygrow; Blanche Gonzales, Rita and Angela Valenzuela, all of Sacramento.

We The Women Taste Of Success Rips Away The Beatnik Pose

Ruth Millett
Newspaper Enterprise Assn.

I see by the papers that John Osborne, the original angry young man of Britain, has taken to success like a duck to water and has developed a healthy respect for the very things he once thought he despised.

The young man whose novel, "Look Back in Anger," started him on the uphill climb now confesses that he likes money because it means comfort, that he likes money because it means independence, and that he likes money because it means power.

This ought to come as quite a shock to the beatniks who are still running around with their scraggly beards, their dirty tennis shoes, and their clothes with a slept-in look—pretending to disdain success. The only difference between being a beatnik and having been a beatnik is a little taste of achievement. With just a little success a beatnik is ready to take a bath, get a shave and a haircut, look for a clean place to live and start conforming. With just little success a beatnik begins to look with a critical eye on the stringy-haired, sloppy looking girls he has been pairing

off with and to grow impatient with the talk, talk, talk of the do-nothings.

With just a little success a beatnik finds he no longer is a member in good standing of the beat society—for his success is envied and resented by those who are still all beat.

In other words you can't be a successful beatnik. Just as you can't remain an angry young man once you've made enough money from your anger to be a successful young man.

PSYCHOLOGICAL POLITICS

DES MOINES, Iowa (AP) — Somebody has been putting "For Sale" signs on the lawn at 2900 Grand Avenue in Des Moines. That's the governor's mansion. Custodian C. E. Carey complained to police about it, and said that in about a week he had removed several such signs, including which said: "Sinner Repent."

Church Rites Unite Couple

In a recent summer wedding at Peace Memorial Presbyterian Church Joanna Hamilton, daughter of Mr. and Mrs. Paul H. Horne, became the bride of L. Dennis York, son of Mr. and Mrs. J. Lewis York, all of this city.

Bouquets of garden flowers decorated for the double ring candle light ceremony read by the Rev. Laing Sibbet.

Mrs. Ross Ragland was the organist.

Escorted and given in marriage by her father, the bride chose a simple street length frock of white taffeta with short sleeves and a scoop neckline. The fitted bodice was covered with embroidered organza. A short scalloped veil was held by a pearl tiara. A gold chain necklace with two pearl drops was a gift of the bridegroom. Gardenias and baby white roses were arranged for the bridal bouquet. The bride also carried a family heirloom silk handkerchief over 100 years old.

Mrs. Larry Swayne, matron of honor, wore a rose chiffon frock with a matching headpiece, similar to that worn by the bride. Her bouquet of white carnations was centered with rose carnations.

Larry Swayne was best man. For her daughter's wedding, Mrs. Horne chose a multi-col-

ored silk print dress with white accessories and a corsage of pink rosebuds. At the reception in Westminster Hall, a miniature bridal couple topped the pretty pink and white wedding cake which was flanked by white tapers and pink and white flowers on the reception table. The cake was cut by Mrs. James Metler. Coffee and punch were served by Mrs. Paul W. Jones Sr. and Mrs. James

Windl. Donna Epps attended the guest book. The new Mr. and Mrs. York honeymooned at Lake Tahoe. Her going-away outfit was a cream colored sheath worn with white accessories and pink rose corsage. She is a June graduate of Klamath Union High School. Her husband, also a KUHS graduate, was affiliated with Alpha Sigma Phi at University of Washington. He is presently employed by Weyerhaeuser Company.

Ford introduces for 1962 two distinguished new series: Galaxie & Galaxie/500
Enduring elegance... with the power to please
With Thunderbird styling... Galaxie '62 has the timeless distinction and talent for travel of the Thunderbird that inspired it. Every quick quiet mile whispers: here is a new standard of quality. And here luxurious detail conforms it. This is the car that introduces twice-a-year maintenance. Routine service is reduced to 30,000 miles on many items such as major lubrications, twice a year or 6,000 miles on the rest. We suggest you see the new Galaxie and Galaxie/500 (shown above) for yourself. We are confident you will agree: it's pointless to pay more—or settle for less.
