

# GASOLINE ALLEY Bill Petty

I'm in the usual fix, Chipper. I've got a date tonight and no dough!

I'm flat, too, Slick. Don't look at me.

Come to think of it, I've got a setup that might get you off the hook.

I'm baby-sitting at my Uncle Corky's tonight. They're going to the movies.

You pick up Gloria and your girl and we'll play some of Corky's records.

Wow! I've got it made.

Putting on a tie, Chip? You must be stepping out.

I'm baby-sitting at Corky's, Pop.

Hey, I forgot to tell you. Their regular sitter is coming so they won't need you after all.

Oh, no!

I've got to scoot over to Corky's before Slick and the girls arrive.

Hi, Slick! Where are the girls?

My date has a toothache so I didn't know what you'd want to do about Gloria.

What a switch! Now I'm the guy who has a date and no dough!

C'mon, Slick, it's your turn to get me off the hook.

Don't blow your top, pal! We'll think of something!
