

# YMCA Opens Swimming Program At KUHS Pool

Beginning this week, the Klamath County YMCA will move into the Klamath Union High School swimming pool during the evenings for both recreational and instructional swimming.

Rates for recreational swimming are adults, 35 cents (YMCA members) and 50 cents (non-members); youths 20 cents (through high school age, YMCA members) and 30 cents (non-members).

Swimming lessons for adults, children and handicapped persons will cost \$7.50 for a 10-week session.

Pool schedule:  
Monday—7:15-8:15 p.m., handicapped swim. Open to youngsters and adults, male or female, with a physical handicap. Started Oct. 9; teaching will be Mr. and Mrs. John Tribe, both experienced in rehabilitation of the handicapped.  
8:20-9:20 p.m., adult women swim, free time or instruction as desired; instructors and life guards are Mrs. Phyllis Goakey, Mrs. Harmony Jones and Donella Plowman.  
Tuesday—7:15-8:15 p.m., rental period, individual groups can rent for one hour's time. 8:20-9:20 p.m., public swim.  
Wednesday—7:15-8:15 p.m., rental period. 8:20-9:20 p.m., adult men swim.  
All events Mondays through Wednesdays, began Oct. 9; Friday and Saturday events will begin Nov. 10.

Friday — 7:15-9 p.m., family swim. Married couples, with or without children.  
Saturday—9-9:30 a.m., boys instructional swimming, 11 years through high school. 9:30-10:15 a.m., boys recreational swim, 11 years through high school. 10:15-10:45 a.m., boys instructional swimming, 6 years through 11 years. 10:45-11:30 a.m., boys recreational swim, 6 years through 11 years. 1-2 p.m., girls swim and instruction, 6-14 years.  
Instructors for the boys instructional periods are Tom Arnott of Oregon Technical Institute and Perry Hicks, member of the KUHS swimming team. Registration for the instructional sessions must be completed with the YMCA office by Nov. 1. Only 20 boys will be taken in the first 10-week session.

## Your'e Invited!

- See for yourself how you may develop and train these basic traits:
- SELF CONFIDENCE
  - SPEAKING SKILLS
  - HUMAN RELATIONS INSIGHT
  - DECISION-MAKING ABILITY
  - POSITIVE MOTIVATING ATTITUDES

SACRED HEART Parents and Patrons public card party, 7:30 p.m. Sacred Heart gym. Individual table prizes. Take own cards. For scholarship fund.

## Band Shows On Oct. 18

S.Sgt. Harry H. Gleeson, who acts as master of ceremonies for the United States Air Force Band which will appear here Oct. 18, also announces the band's nationwide weekly radio program, Serenade in Blue, and is a member of the Singing Sergeants.  
He is also narrator for the weekly program beamed to American servicemen overseas via the Armed Forces Radio Network. He will emcee the program presented in Klamath Union High School's Pelican Court for two performances next week.  
Gleeson was born in Washington, D.C. He attended George Washington University and was associate director of the University Chorus for four years. He began his career as a reporter for the Washington Daily News, then on to the associate directorship at the university. He switched to radio work while still in Washington and has worked for commercial stations in Maryland and Oklahoma.  
When the Singing Sergeants toured Japan in 1960, Gleeson made all his announcements in Japanese. He has a knowledge of Spanish, Chinese, Italian, German and Korean.  
Net proceeds of the concert here at 8 p.m. Oct. 18, will go to the KUHS Music Department operating fund. Tickets at \$1 general admission, \$1.50 reserved, are available from Bowden's Music Store and Derby's Music Store.

## Costly Spree

A 19-year-old Keno youth began serving a 90-day sentence for a weekend spree in Bly.  
The youth, David Davis, a forest worker, was arrested Saturday night by Deputy Sheriff Jim Conroy on charges of being drunk in public and disorderly conduct. He pleaded guilty to both charges in a special term of court before Justice of the Peace Walter Zimmerman.  
Zimmerman sentenced Davis to 60 days on the disorderly charge and 30 days for being drunk.

**WHO'S DOING THE GUARDING HERE?** — Little Kim Tribe, age 3, plays lifeguard while YMCA guards and instructors take a dip in the Klamath Union High School pool, site of the YMCA winter swimming program. Shown are Tom Arnott, Ruth Tribe and Donella Plowman, all instructors in the YMCA program. Klamath County YMCA is another of the 27 agencies of your Klamath County United Fund.

## Oil, Water Color Art Classes Open Here Soon

Opening sessions of both oil painting and water color classes have been announced by the Klamath Art Association, according to Lyle Matoush, president.  
First meeting of the oil painting class for both beginners and advanced students has been set for 1:30 p.m. Friday, Oct. 13, at the Maple Park Art Gallery. A definite meeting time will be decided at that time.  
The 15-lesson course, which will allow students to work at their own pace, will be taught by Mrs. Jack (Edith) Warrick, Klamath Falls portrait specialist, who has works hanging in private homes in New Jersey, Massachusetts, North Carolina, Louisiana, Mississippi and Klamath Falls.  
A graduate of Skidmore College, Saratoga Springs, N.Y., she has studied portraiture at Newark Art School for four years. She taught art classes in her own Gladstone, N.J., studio, following commercial experience.  
She has exhibited in shows in New York, New Jersey, Mississippi, Washington, and Salem and Eugene. She was given a one-woman show by the Civic League, Somerville, N.J.  
The Klamath Art Association's water color classes will be taught by Roberta B. Blomquist for the third time. First session will be at 7:30 p.m. Oct. 1 at the Maple Park Gallery.  
Mrs. Blomquist has had extensive training in theater and visual arts at Whitman College, University of Washington, Stanford University and the University of Mexico.

## Duck, Goose Population 'Stable'

Duck and goose populations on the Klamath Basin National Wildlife refuges totaled approximately 1,700,000 as of the weekly aerial census on Oct. 3, 1961.  
Estimated numbers of 104,000 geese on Tule Lake Refuge and 86,000 geese on Lower Klamath Refuge are similar to those recorded at this time last year. Approximately 92 per cent of the present goose population are White-fronted geese with Canada geese and Snow geese constituting the remainder.  
A duck concentration of 1,350,000 on Lower Klamath Refuge is similar to the number censused at this time last year. However, the 250,000 ducks on Tule Lake Refuge represents a decrease of 70 to 85 per cent from last year's population. Tule Lake duck use is expected to increase as the migrational influx continues. About 20,000 redhead and canvasback ducks are using the refuges. Hunters are reminded that these ducks are fully protected again this year.  
Losses from botulism or "western duck sickness" have subsided as of Sept. 17.  
Water levels on Tule Lake and Lower Klamath refuges are at or near desired operating levels. Access for hunting during the forthcoming waterfowl hunting season is expected to be good.

**1961 BELL SYSTEM CREDIT CARD**

J. DON COMPTON  
1234 MAIN STREET  
ANYWHERE, U.S.A.  
Card Number 000-000

A salesman wrote us that he would sooner leave home without his shoes than forget his Bell System Credit Card! This is a trifle extreme but does point up its usefulness. With this card, you're in close touch with home or office. You can call ahead for reservations or appointments; get decisions on yesterday's contact or say "thanks" for an order—without begging a phone, calling "Collect" or fumbling for change. The card—with the dime tucked neatly in its slot—gives you an office anywhere at anytime. And you regularly receive all your telephone charges for easy listing on your expense account. Why not have your secretary call our business office for your Bell System Credit Card today? It's part of our service to you.

# Kitchen waxes dangerous to wood floors!

**Expert warns wood floor owners many new self-polish waxes can't be removed without serious damage!**

If you use kitchen waxes on wood floors, watch out! As the world's largest maker of hardwood floors, we want you to know these facts:  
Many of today's self-polishing waxes are made primarily of synthetic plastics. The reason is simple. They provide the hard surface you need on your kitchen floor. But perhaps you've noticed how difficult these waxes are to remove. It takes a lot of work to get them up from kitchen floors. When it comes to wood floors—look out!  
We've tried everything, but nothing we know of can remove these kitchen waxes from wood floors without causing serious damage to both the finish and the wood. Here's what we've learned...  
**WOOD FLOORS BECOME DARK AND DISCOLORED!**  
Since these new kitchen waxes cannot be removed safely, every time you use them you are putting a fresh coat of wax on top of a soiled one. No matter how conscientiously you clean before waxing, the layers of old, soiled wax will eventually darken and discolor your wood floors.  
We are sure you'll recognize the logic of always removing the old, soiled wax before putting on a fresh coat of wax. It's the only way you can have a clean, bright floor!  
If your wood floors have already become dark and discolored through the use of these new waxes, the only thing to do is have them refinished. If you're lucky and your wood floors do not yet show ill effects, we urgently advise you to change cleaning and waxing methods immediately.

We can assure you that your wood floors can be clean and bright years from now, if you will take care of them in the proper way. After 52 years of experience, we don't know of a better method to clean and wax wood floors than by using either Bruce Floor Cleaner or Bruce Cleaning Wax.

**THE RIGHT CARE FOR WOOD FLOORS!**  
Both of these Bruce products work in the same way. They contain two basic ingredients—a waterless wood floor cleaner (never use water on wood) and a removable liquid paste wax. You actually clean and wax your wood floors at the same time.  
Bruce cleans your floor and removes the old, dirty wax... then leaves a rich, new coat of real paste wax protection that can be rebuffed any time. Your wood floors will beam with clean natural beauty.  
Remember—and I can't stress this too strongly—you must always remove soiled wax before putting on a fresh coat. It's the only way you can keep your wood floors clean and bright!  
If you want a heavy coat of wax, we recommend Bruce Cleaning Wax. For lighter waxing or for cleaning extra dirty floors, use Bruce Floor Cleaner. I certainly hope you'll try the Bruce method. You'll find it not only the best wood floor care, but the easiest, too.

**Need Help? Write Me! We'll be happy to answer any questions about proper floor care. Just write me—Henry M. Tobey, E. L. Bruce Co., Memphis, Tennessee.**
