Taciturn Los Angeles Mentor Firm In Support Of Players

DETROIT (UPI) — Bob Waterfield, the taciturn Los Angeles Rams coach, has come under a barrage of criticism lately, but you have to admire him for the way he supports his players. After Danny Villanueva, the second-year player from New Mexico State missed a 21-yard field goal in the waning minutes of Sunday's 14-13 loss to the Detroit Lions, Waterfield refused to criticize the young place kicker. "It happened to me once," said Waterfield, who used to kick, run and pass for the Rams a decade or so ago. "He feels bad enough as it is." Waterfield added, "After all he's human. Only I wish in this case that he wasn't quite that human." Villanueva, who already had kicked field goals of 38 and 10 yards to help move the Rams within one point of the Lions, stood on the 21-yard line of Detroit with a fourth down and three minutes to play. He got off the placement but the ball was wide and the Rams' would-be 16-14 win remained a 14-13 loss. It was the second league game this year that the Rams lost on missed field goal attempts by Villanueva. They dropped their opener in Baltimore when the 23-year-old kicker blew two inside the Colts' 30-yard line. Los Angeles, with only a win over Pittsburgh in five National Football League games, is tied for last place in the Western Division of the NFL with the Minnesota Vikings. The Rams jumped to a 3-0 lead on Villanueva's 38-yarder in the first quarter on a score set up

SD Move Said Blessing For LA Rams

NEW YORK (UPI) — It didn't start out that way, but when the Chargers shifted their franchise from Los Angeles to San Diego last year it may have been a blessing in disguise for the opposition league Los Angeles Rams. Now—with the Chargers still the only undefeated team in either the AFL or NFL—it appears owner Barron Hilton did the Rams a favor. The Rams have humbled to four losses in five league games and it's a good bet some of their loyalist fans would be deserting to the Chargers. San Diego won its sixth AFL game in a row Sunday—10 in a row if you count exhibition games—with an easy 25-10 victory over the New York Titans, supposedly rated next to the Chargers in overall strength in the league. The game, watched by a crowd of 25,138, largest ever to attend a Titans' home contest, was well played and fairly close until the final quarter when halfback Paul Lowe jumped and scooted 25 yards for the final Charger touchdown. Jack Kemp, the gummy Charger quarterback who has been recalled by the Army to active duty, played the entire game with his injured shoulder frozen with novocain and strapped in a protective sling. But the former Occidental college star still passed for 302 yards, completing 15 of 38 attempts and scoring two touchdowns.

Golfing Trio Slates Rehash

ONTARIO, Calif. (AP) — Eric Monti, big George Bayer and young Bobby Nichols will pick up where they almost left off—dead even — when they begin play Thursday in the \$20,000 Orange County Golf Open at Costa Mesa. Monti, of Los Angeles, grabbed \$2,800 first money in the Ontario Open Sunday, but had to play two extra holes against Bayer and Nichols and sink an 8-foot birdie putt to wrap it up. The trio had tied for first over the regulation 72 holes at 277. Jon Gustin of Gladwyne, Pa., finished fourth with 278 and tournament favorite Gary Player of South Africa tied for fifth with Billy Maxwell of Dallas at 280. Other monowinners at Ontario included Dave Hill (282), Jack Ellis (283), Don Collett (283), Lloyd Mangrum (284), Bob Eden (284) and Jim Ferrier (284).

Tri-City Nine After Help

PASCO (AP) — The Tri-City Braves of the Northwest Baseball League are looking for a major league hookup and may not operate in 1962 unless they get one. M. B. Kirkpatrick, one of the three Anchorage, Alaska, businessmen who own the team, said as much over the weekend while disclosing the league has forgiven a debt of nearly \$10,000. The debt was incurred, said Kirkpatrick, before his group took over the franchise in 1960. League headquarters in Portland is assisting in the effort to obtain a full working agreement for next season, said the Alaskan. The Braves are to advise the league's directors by Dec. 11 on their decision to operate or be idle in 1962. The 6-year-old chestnut horse Yastambo, foaled in Argentina, is the son of Yastalo — Bamba, own.

SF Forty-Miners Spend Long Afternoon Before Kilmer Gets Shotgun Operating

MINNEAPOLIS (UPI) — "That was a long afternoon" according to San Francisco Forty Niner head coach Red Hickey. He was talking about the 38-24 victory over Minnesota here Sunday. San Francisco's shotgun offense sputtered for nearly two periods before Bill Kilmer fired both barrels to sink the Vikings. Hickey said his offensive line played its best game of the season. He particularly commended halfback J. B. Smith, who gobbled key yardage in the Forty Niner touchdown marches. "He is the greatest football player in action today," Hickey said. Halfback Hugh McElhenny, a Forty Niner until Minnesota got him in the National Football League player pool last season, sparked the Vikings in unleashing an offensive show of their own. He scored twice for the Minnesotans, once on a 13-yard blast around end and again on a 32-yard broken field jaunt on which seven of his old teammates had a shot at him. The "shotgun," triggered by quarterbacks Kilmer, Bob Waters and John Brodie, rolled up 540 yards total offense. Kilmer said his line was "really cracking. They were opening big holes. You just couldn't help but get through." And get through he did. Kilmer carried the ball across the goal line four times, all in the second half. The score was tied 24-24 after three periods, but in the fourth period Hickey's offense was able to move almost at will. Viking coach Norm Van Brocklin said, "It wasn't the defense that hurt us, it was the offensive line. It knocked the blitzes out of us." Horses Lacking Van Brocklin said Hickey had the "horses" to work with. "We did all right for quite a while but we just didn't have enough horses to defend against it." Fumbles helped stall San Francisco in the first half. In all, the Prospects lost the ball six times. Viking Rich Mostardi nailed two San Francisco passes to stop two other thrusts in the first half. San Francisco had hoped to establish a modern NFL record of three straight shutouts. Clyde Conner, San Francisco offensive end, was injured early in the third period. He was taken to Northwestern Hospital in Minneapolis where doctors said he had suffered a brain concussion. A hospital spokesman said he was in "satisfactory condition." However, it was not known how long he would be hospitalized.

Purdue Aide Takes Charge

WEST LAFAYETTE, Ind. (UPI) — Assistant coach Bobby Demoss today assumed charge of the Purdue football team following the sudden announcement by head coach Jack Mollenkopf that he had asked for a leave of absence. Mollenkopf was granted a leave of absence Sunday to enter Mayo Brothers Clinic at Rochester, Minn., for what his family called a checkup and observation. Mollenkopf was scheduled to leave for the hospital this morning. A spokesman for the family said he was expected to remain at Mayo Brothers for at least two weeks. The spokesman added: "It is not serious." Linebacker Bill George of the Chicago Bears is playing his 10th National Football League campaign. He's from Wake Forest.
