## Your Newspaperboy

Your newspaperboy... and 600,000 other Junior Independent Merchants are receiving special recognition during this National Newspaper Week. They richly deserve it, for they are doing an outstanding job of getting hundreds of millions of newspapers delivered every day on time, where subscribers want them.

Here is a boy who knows where he is going. Under the skilled guidance of men interested in and trained to work with boys, he soon becomes a successful Junior Merchant... and it shows. You can see it in his eyes... in his bearing... in the confidence he has in his own abilities... in his relationships with his own age group and with adults.

This kind of training and experience carries over into manhood. That is why so many business men, when selecting new employees, give preference to young men who have been successful newspaperboys.

Join us in celebrating National Newspaper Week by saying a word of encouragement to the young man who delivers your newspaper, the next time he calls to collect. He'll appreciate it... and he'll try harder than ever to please you.
