'Right Of Entry' Tension Builds In Berlin

Heavy Deficits Faced By Nation's Railroads

NEW YORK (AP)—Presidents of two major Eastern railroads told nine state governors today that staggering deficits are driving the industry toward nationalization.
One of them, Jervis Langdon whose Baltimore & Ohio Railroad is \$23 million in the red so far this year, said the prospect threatens "unless there is a cure or pretty rapid action by the government."

YANKS ENFORCE RIGHTS — Bayonets on rifles, U.S. troops cross the white border line back into West Berlin, followed by a car carrying E. Allan Lightner Jr., assistant chief of U.S. mission in Berlin...

Red Police Halt Two Army Buses

BERLIN (AP)—The U.S. Army missed today on the right of civilian entry into East Berlin but then let the East German authorities turn back two U.S. Army sightseeing buses heading for the East sector.
East Berlin border guards stepped aside when armed U.S. military police escorted an American civilian car into the Communist sector.
A few hours later the guards refused entry to two U.S. Army sightseeing buses which had no armed escort.

Fear Grips Oran

ORAN, Algeria (AP) — Black posters showing the face of fugitive former Gen. Raoul Salan plaster the walls of Oran, Algeria's second city, gripped by fear and uncertainty.
To most of Oran's 200,000 French settlers, Salan and his Secret Army Organization have become their hope of survival.
The French colonists believe that plastic bombs and their determination to fight will win them political representation in an independent Algeria of the future.

Nobel Award Condemned

JOHANNESBURG, South Africa (AP)—Prime Minister Hendrik F. Verwoerd's own newspaper today condemned award of the 1960 Nobel Peace Prize to banished Zulu chief Albert Lutuli as "an inexplicable pathological phenomenon."
The criticism was made in a sharp editorial in the Johannesburg Afrikaans language newspaper Die Transvaler. Verwoerd is chairman of the board of directors of Transvaler and the paper is regarded as his mouthpiece.

Fallout Cloud Hits U.S. Friday

WASHINGTON (AP)—The initial fallout cloud from the Soviet Union's superbomb test is expected to reach the Aleutian Islands late Thursday and Alaska or western Canada late Friday.
That was reported today by atmospheric radiation experts of the U.S. Weather Bureau.
The cloud contains only a small fraction of the total debris. The rest is high in the stratosphere and won't begin to come down until next spring.

Atom Test Gets Okay

WASHINGTON (UPI) — President Kennedy gave a go-ahead today for a nuclear test to be conducted in a New Mexico salt formation 1,200 feet underground.
He invited observers from interested United Nations countries to witness the shot.
The experiment, known as Project Gnome, will be conducted in about 60 days near Carlsbad, N.M., as part of the Atomic Energy Commission's program to develop peaceful uses of atomic energy.

Break Seen In Deadlock

UNITED NATIONS, N.Y. (AP) — Prospects brightened today for a break in the Security Council deadlock barring Mauritania and Outer Mongolia from membership in the United Nations.
Nationalist China appeared to have abandoned its intention to veto the Mongolians.

Stevenson Sees No Quick Victory

SAN FRANCISCO (UPI) — Adlai E. Stevenson, U.S. ambassador to the United Nations, said Tuesday night there can be no quick victory in either the cold war or a hot one and "since we don't wish to die together, we must manage to live together."
He told the San Francisco chapter of the American Association for the United Nations on the 16th anniversary of the United Nations that "we may have had our fill of negotiations—but there is a lot more to come."

Negro's Job Sparks Row

WASHINGTON (AP) — Postmaster General J. Edward Day has reinstated a Georgia Negro leader as a mailman but the way he announced it has drawn bitter criticism from the National Association for the Advancement of Colored People.
The NAACP's general counsel, Robert L. Carter, called Day's statement "vicious, insulting and misleading." He said "it raises grave doubt as to his suitability for the Cabinet post he holds."

Troop Train Hits Truck

MILES CITY, Mont. (UPI)—A troop train carrying Wisconsin National Guardsmen to Berlin crisis duty piled into a loaded gravel truck at a grade crossing today with an impact that derailed several cars and set the truck and locomotive on fire.
Police said the truck driver was killed, and three trainmen were reported missing in the wreckage. None of the guardsmen, members of Wisconsin's 32nd Red Army Infantry Division, was believed seriously hurt.

Enrollment Jump Concerns State Board Meeting Here

By ANDY MERSHON
OREGON TECHNICAL INSTITUTE—The State Board of Higher Education wound up its two-day meeting here Tuesday shortly before noon.
Three items on the building committee's agenda had to be continued over until Tuesday morning, so the formal board meeting at which all reports were approved was delayed for a time.
Reports from the board's building, finance and curriculum committees were approved subject to revisions and additions before final minutes are prepared.

UN To Talk Bomb Pleas

UNITED NATIONS, N.Y. (AP) —The U.N. Political Committee brushed aside repeated procedural roadblocks today and voted to consider immediately an urgent appeal to the Soviet Union for cancellation of the 50-megaton hydrogen bomb explosion.
The vote was 11-20 with 22 abstaining.
The action in the 181-nation committee came after a stormy 3-hour debate. The chairman, Ambassador Mario Amadeo of Argentina, repeatedly gavelled delegates down and warned that the chair would not tolerate any "obstructionism."

Enrollment Jump Concerns State Board Meeting Here

in case the enrollment increase goes as high as 10 per cent.
The committee report said an overrealized enrollment of 2,000 collegians presently exists and the anticipated overrealization for 1962-63 will probably reach 3,300.
In asking for the additional funds, the committee report stated "It is clearly evident that supplementary financing will be necessary. The committee believes that the state cannot afford to permit a serious deterioration in the quality of instruction for the 31,000 or more students expected to enroll during the current biennium."

Nickerson's report asked that Secretarial Technology and Medical Associates programs be continued and Auto Body be "phased out."
Nickerson also recommended that a two-year physical education program be inaugurated at OTI. In line with this, the board also authorized plans for a physical education building to be formulated.
Lone dissenter from the board's decisions was Allan Hart of Portland who opposed both the philosophy of OTI selection of students and the Secretarial Technology program's continuance.
Both the medical and secretarial programs will, however, remain on continuous study status. Board action limited OTI enrollment to the present 800.

primary planning on seven top priority building projects to take place in the 1963-65 biennium. The request will be made to the Federal Housing and Home Finance Agency for interest-free advances on the seven projects. University of Oregon submitted no requests for funds and the board granted them until December to do so.
The board set aside a site north of SW Mill Street, between 10th and 11th avenues, Portland, for a \$2,340,000 science building at Portland State College.
They voted to accept and thank the Westinghouse Corp. for the donation of KEX-FM, a radio station located in Portland. The gift is contingent on approval of the broadcasting license transfer by the Federal Communications Commission.
