

Ducks Go Hard On Defenses; Beavers Return To Practice

EUGENE (AP) — The Oregon football team was slated by Len Casanova for aggressive defensive workouts this week in preparation for the clash with Washington Saturday at Portland.

Casanova said the defense must have ways of stopping Washington's strong running attack when Kermit Jorgensen is at quarterback, and the Huskies' rough passing game when Pete Ohler runs the squad.

Get Day Off

CORVALLIS (AP) — The Oregon State football squad got back to hard work yesterday after a one-day layoff Monday.

The Beavers, with a 1-4 record to date, have an open date Saturday. Their next game is with Washington State Nov. 4.

Coach Tommy Prothro said the club has a lot of work to do after the mistakes made in last week-end's 24-23 loss to Arizona State. But Prothro praised the play of end Fred Jones, fullback Tom Gates and halfback Leroy Whitte.

End Contact

MOSCOW, Idaho (AP) — Coach Skip Stahley of the Idaho Vandals called a halt to contact work Tuesday.

"We can't afford to lose any one," he said as his 33 men got ready for their trip to Logan, Utah, and a Saturday game with Utah State.

Spart Star Wins Award

By THE ASSOCIATED PRESS

George Saines, of Michigan State, the shining star of the game of the week, was named today the Back of the Week in The Associated Press poll.

A defensive stalwart, the 20-year-old fullback broke loose in the second half to rip apart Notre Dame's defenses and lead the top-ranking Spartans to a 17-7 victory over the sixth-ranked Irish.

The quick-striking, 186-pound junior, the campus champ in dancing "the Twist," showed his shaky legs to the Irish defenders in reeling off scoring runs of 24 and 25 yards within 2 minutes and 46 seconds. He streaked 26 yards in the final quarter to help set up the insurance field goal. In all he carried 14 times for 142 yards, a sterling show against a team with a rock-ribbed defense.

Called "the complete player," by Coach Duffy Daugherty, Saines was all of that in unbeaten Michigan State's fourth victory. He is from Canton, Ohio.

Saines had a fine array of contenders behind him in Matt Szykowsky of Iowa; Eddie Wilson of Arizona; Jim Parker of Clemson; Jerry Gross of Detroit; Sandy Stephens of Minnesota; Dick Drummond of George Washington, and Pat Trammell of Alabama, among others.

The Vandals worked on passing as Stahley shuffled his charges to try to get some punch into an

Lake O' Woods Trout Biting

LAKE OF THE WOODS (Special) — The fishing season closes at the Lake of the Woods on Oct. 31 and, according to recent reports, limit catches can be expected right up until the end.

Both trolling with a Ford Fender with a triple teaser or flat-fish and still-fishing with worms have brought good results.

Bernice Lombardy came up with a 19-inch three-pound rainbow while using the latter method this week.

The resort, which is now open, plans to continue operation during the winter months to provide ice-boating, ice-skating and other activities.

Packers Take Offense Lead

NEW YORK (AP) — The Green Bay Packers have taken over as the No. 1 offensive team in the National Football League, breaking the San Francisco 49ers' hold on the league's two major statistical departments.

The bulk of the credit must go to George Halas, owner and coach of the Chicago Bears, his coaching staff, and the players who carried out the assignments in the Bears' 31-0 victory over San Francisco Sunday.

While Chicago's 5-2-4 defense was limiting the 49ers to only 132 yards gained, the Packers were piling it up against Minnesota in a 33-7 rout and took over the top spot in total offense with 2,150 gained to 2,142 for San Francisco, league statistics showed today.

The 49ers, despite their overwhelming loss, remained the top defensive club with 1,374 yards given up to 1,435 for the runner-up St. Louis Cardinals. The Cards have been the toughest team to run against, allowing a low of 443 yards in six games.

attack which has netted only one victory in five games.

Hone Sights

PULLMAN, Wash. (AP) — The Cougars of Washington State sharpened their passing attack Tuesday as they got set for their game Saturday with San Jose in Spokane.

Coach Jim Sutherland made a couple of changes on the left side of the line. He moved Jim Jensen to left tackle in place of Glenn Baker and Pat Crook from center to left guard.

Crook, a general handyman, started at right guard. Two weeks ago he moved to center when Tom Erlandson was hurt. Now he's moving to left guard to fill the shoes of ailing John Wyffels.

Eye UO Plays

SEATTLE (AP) — The Washington Huskies gave a lot of attention to Oregon plays Tuesday as they readied for their gridiron contest Saturday in Portland.

The first and second strings tried to solve Oregon offense patterns run by the third and fourth teams.

The Huskies also gave plenty of attention to their own passing and kicking, and blocking and conditioning drills took up the last of the workout.

Kermit Jorgensen was at the helm on the first string. With him were halfbacks Martin Wyatt and Bob Monroe, and Jim Stiger was at full.

UPI Board Names Jay

NEW YORK (UPI) — Joey Jay, the Cincinnati Reds' 21-game winner, was honored by the United Press International's Board of Baseball Experts for the second time today when he was named the National League's Pitcher of the Year.

Jay, previously picked by the UPI board for making the major league comeback of the year, received 19 of the 26 votes cast by the board members to beat out Milwaukee's Warren Spahn by three votes in the NL pitcher of the year balloting. Johnny Podres, who compiled an 18-3 record for the Los Angeles Dodgers, received the other vote.

Acquired in one of General Manager Bill DeWitt's brilliant trades, the 26-year-old native of Rockfall, Conn., developed into a star with the Reds after three disappointing seasons with the Braves.

Jay, who also scored the Reds' only World Series victory over the New York Yankees, compiled a 21-10 mark that made him Cincinnati's biggest winner since

Ewell Blackwell had a 22-8 mark in 1947. A 6-foot, 4-inch, 225-pound right-hander, Jay pitched in 34 games and 247 innings. He pitched 14 complete games including four shutouts and had a 3.27 earned run average.
