in varsity competition.

4. A recommendation that an athlete suspended from a college for disciplinary or academic reasons must complete two years of satisfactory work to be eligible for varsity competition in another school. The present rule is one year.

The council also dealt out disciplinary penalties to Ohio Valley Conference schools, Tennessee Tech and East Tennessee State. Tennessee Tech was placed on probation for two years and was ruled ineligible for NCAA events for one year and NCAA television programs for two years; East Tennessee State was placed on probation for one year with no other penalties.

Tennessee Tech violations concerned reducing financial assistance to a football player, not providing athletes with written statements of financial aid and providing assistance to an athlete after he had completed his freshman year at another school without first obtaining the clearance of the college's athletic director. East Tennessee State was found guilty of furnishing a room to a prospective student-athlete in a dormitory prior to his enrollment, furnishing free transportation from the site of his summer job to his home and permitting two basketball prospects to "demonstrate their abilities to the head coach during the summer months."

2. A pre-registration rule that bars an athlete from engaging in varsity competition until he has been in residence in a college two years if he decides to transfer after registering at an institution.

"We have been concerned with athletes transferring from junior colleges and starting varsity competition," said Byers.

All member coaches, directors and current league officials are requested to attend. Among the business on the agenda is the election of officers to guide the group during the 1962 season.

Also to be discussed are numerous business matters pertaining to the operation of the league, said Ackerman who took over as district director upon the resignation of Jack Kemnitz at the close of the 1961 season.

top spot after defeating Marshfield 13-7. Marshfield was ranked No. 8 in the state.

That victory impressed sports writers and broadcasters more than did Beaverton's 39-7 win over Centennial of Gresham. Beaverton, also undefeated, thus fell to the No. 2 spot after one week in the top position.

Ten of the sports writers and broadcasters voted for Roseburg as the No. 1 team. Two backed Beaverton, and one other voted for North Salem, the No. 3 team in this week's poll. North Salem walloped Albany 34-0 last weekend.

After the top three, the teams in order were Benson of Portland, Hillsboro at Beaverton, North Salem at Lebanon, Benson vs. Grant in Portland, Pendleton at Baker, Crater of Central Point at Klamath Falls, Ashland at Medford, Marshfield at Springfield, Grants

the balloting. Benson wound up in fourth place, but only one point behind North Salem in the voting.

Undefeated Pendleton, which has given up only one touchdown all season, stayed in fifth place. Klamath Falls moved up a notch after its 20-13 victory over Springfield.

Medford, which led the poll four consecutive weeks earlier in the season, suffered its second defeat and fell further down the line. Medford was No. 3 last week, No. 7 this week after losing to Arcata, Calif., 13-0.

Marshfield repeated in the No. 8 position, despite the loss to Roseburg, and Grants Pass and North Bend repeated in their spots too.

In the coming weekend Roseburg will be host to South Eugene, Hillsboro at Beaverton, North Salem at Lebanon, Benson vs. Grant in Portland, Pendleton at Baker, Crater of Central Point at Klamath Falls, Ashland at Medford, Marshfield at Springfield, Grants

Pass idle, and Thurston at North Bend.
