AND GRAND OPENING Sale

Our Thanks To You ...

We at Market Basket wish to thank you for your patronage during the past 6 years at both Market Baskets and we would like to extend an invitation to you to visit and shop at our newly remodeled South 6th and Shasta Way Market Basket where you'll find a completely rearranged store to make your shopping more convenient. You'll find a new grocery department with a larger variety of National Brand Foods at competitive prices.

You'll find an all-new variety, health and beauty aids department . . . wider brighter aisles . . . an all-new, larger produce department featuring "Top O' The Crop Produce" . . . there are new checkout stands that enable you to complete your shopping trip in a speedy, business-like manner.

You'll also find a large frozen foods department, a service meat department, and a big free parking lot all around the store.

Best of all you'll find the nationally advertised brand of food that your family likes, and the old-fashioned friendly atmosphere that makes your shopping trip so enjoyable!

Our special thanks to you, our customers, for your patience and understanding of inconvenience while our remodeling was being completed. And thanks to the contractors and craftsmen who worked long, hard and sometimes "odd hours" in order to complete the job with the minimum of inconvenience. And another vote of thanks to the many salesmen who call on us for their help in getting the store "set up" for the best convenience of everyone!
