Hard Times Party Theme

YREKA—A "hard times" party was enjoyed by members of the Siskiyou Court No. 100, Order of the Amaranth, following its regular meeting Oct. 15, in the Masonic Temple in Yreka.

During the regular meeting of the order, presided by Royal Matron Emma Ahlgren and Royal Patron Jim Dow, plans were discussed on a ways and means of raising funds for the court. It was suggested to have get-togethers at homes of members, and playing cards or having some other form of entertainment, with those attending to make donations. Mrs. Beulah Orr offered to have the first event at her home, and Mrs. Ethel Gavin, associate matron, offered to hold the second one at her home. Definite dates will be set at the next meeting, Oct. 27.

Several members of Siskiyou Court indicated they are planning to attend the event, which will be preceded by a no-host dinner from 4:30 to 5:30 p.m.

After the regular session was closed on Friday night, members adjourned to the dining room where they enjoyed a supper prepared by Mrs. Ahlgren and Mrs. Beulah Orr. In keeping with the theme, the tables were covered with newspapers, centered with lighted candles in discarded cat-sup bottles and similar containers. The decor was colorfully completed with autumn leaves and bouquets of Hawthorn berries and asparagus foliage.

Mrs. Beulah Orr was awarded a prize for the best woman's "hard-time" costume, and the outfit worn by Mrs. Helen Soule won her the prize for the best "man's."

Dental Aux Holds Meet

The Klamath County Dental Auxiliary met Thursday, Oct. 5, for its regular monthly meeting at the home of Mrs. Orton Mann. Co-hostess was Mrs. Fred Krauel.

Among those present was Mrs. Philip Cole, of this city, Oregon State dental auxiliary president. Mrs. Cole reviewed the state-wide program planned to encourage better dental health.

Members discussed several films on dental health, one of which will be purchased by the auxiliary next month. At this time the film will be placed in the Klamath County Health Department for use by both school systems in their visual education program if desired. It will also be available to any organization or group wishing to use it throughout the county.

Plans for assisting in the ob-

servance of national dental health week in February were also discussed. During this week dentists from the Klamath County Dental Society have donated their services in cooperation with the county health department in promoting better dental hygiene practices. This is strictly an educational program done at the second grade level throughout the school systems as part of their dental hygiene program.

This year the dental auxiliary has purchased toothbrushes that will be given to needy families during this inspection.

We The Women
There's Ironic Twist To These Exercise Routines
Ruth Millett
Newspaper Enterprise Assn.

"Bend, straighten, stretch. Bend, straighten, stretch." What's going on? Just housewives in one of the thousands of exercise classes all over the country, bending, stretching and twisting to get or keep themselves in shape.

Why do housewives need exercise? Don't they get enough exercise taking care of their houses? Not any more, they don't.

At least, not those who can afford all the new labor-saving devices, each one guaranteed to cut physical activity to a minimum.

The ladies say "wonderful" every time they come across a new gadget to keep them from exerting physical effort. (Now there are even electric can openers.)

Anything that will cut down on walking, stooping, reaching, bending, lifting, heating, or standing is a "must" for the well-equipped household.

So the lucky homemaker who

Fashion Flair
By TERRY MAYER
Why do so many women look less attractive after reaching the age of 30? Our worries show on our faces, marring the soft look of youth. Why is it some women look radiant much more often others? Think it over. Remember the song, "Pack up your troubles in your old kit bag and smile, smile, smile." What worried you about three weeks ago? Can't think of it? Slipped your mind? Shrug your shoulders. Most everything takes care of itself. Think happy thoughts. Smile. Soften your face. Erase hard lines by kind thoughts. They lead to a better tomorrow, make a better "today."
