THREE TIMES THE CHOICE... WIRELESS ROTO/REMOTE CONTROL NOW OR LATER

Now, Packard Bell gives you the choice of TV just the way you want it. Simply select the beautiful cabinet style that fits your home best—then choose *the kind of controls you want*. Three times the choice—either manual or one of two wireless Roto/Remote controls. You can even change controls *later*—changeover is made in less than five minutes... without the use of tools. See all that's new—Computer Dial tuning, and two new Roto/Remotes that are drop-proof and shock-proof. Be *first into the future*—see your Packard Bell dealer now!

1 THIS—

MANUAL CONTROLS are located on the front-facing exclusive Computer Dial which displays illuminated channel numbers—easy to see, even across the room.

2 OR THIS—

Mark 12 WIRELESS ROTO/REMOTE operates set from across the room. Controls on/off, changes channels, affords three volume levels, 2 rotors.

3 OR THIS!

Mark 14 WIRELESS ROTO/REMOTE controls on/off, changes channels either way, gives 5 volume levels and mute, up or down, 4 rotors.
