OLD, TIRED, WORN OUT FEELING MAY RESULT

If frequent urination worries you, and hinders you at the most embarrassing moments, you're bound to feel tense and nervous. And if your back aches you feel grouchy—hard to get along with—and your work is a burden.

The cause of common Kidney and Bladder Irritation frequently arises from a germ called the colon bacillus, and non-specific germs resulting from colds, bad teeth and other causes. Talking Point

The party that our neighbors threw

Was absolutely novel, new;

Nobody said: "Let's play charades!"

We took no "tests"; we got no "grades";

It was, refreshingly, a "first"—

We simply sat there and conversed!

The little girl had been sleeping in a room with a night light, but her parents decided it was time she learn to sleep in the dark.

"Do I have to?" the frightened child whimpered as her mother turned off the light for the first time.

"Yes," the mother replied determinedly. "You're a big girl now and should get used to the night."

There was a thoughtful pause, then a little voice came from the darkness. "Well then, may I get up and say my prayers all over again, this time more carefully?"

"I've decided to call the baby Euphrosyne," the new mother told her husband on his first visit after the big event.

The young man blinked in disbelief at first, then saw a look of determination in his wife's face. "Wonderful," he said, thinking fast. "That was the name of the first woman I ever loved."

The silence was heavy for a while; then the wife said: "I've changed my mind. We'll call her Mary."

A real-estate salesman telephoned the owner of some property before bringing his client to see it. He was answered by a hesitant, childish voice. "Is Mrs. Cromwell there?" the salesman asked impatiently.

"Uh, no," piped the small voice at the other end.

"Well, when do you expect Mrs. Cromwell?" he persisted.

There was a long, indecisive pause, then the somewhat plaintive query: "This 'Mrs. Cromwell'—is that my mother?"
