WINDOW SMASHED — A 1961 sedan plunged through a plate glass window of Crown Wholesale Co., 1411 Owens Street, Tuesday morning scattering glass and janitorial supplies in the area. The car driver, Mrs. Alice E. Chipps, 60, Sprague River, was cited for driving without a license and the car owner, Frank M. Godawa, 60, Beatty, was cited for allowing an unlicensed person to drive. Mrs. Chipps told city police she was trying to park but she apparently gave the car too much gas and couldn't get her foot off the pedal fast enough.

Crime, Rustling, Morals Cases Faced By Court

The state began its case Tuesday afternoon in the Hult case after the jury had visited the scene of the alleged calf theft, the Yamsay Ranch 28 miles north of Chiloquin. Dayton O. Hyde of the Yamsay Ranch was pasturing a calf for Frank Sagehorn of Red Bluff. Hyde, the first state witness, said he and Everett Malone, brand inspector, found part of the dead calf on Aug. 12. Hult is accused of shooting the calf on Aug. 11 and stealing two hind quarters.

Criminal trials, an alleged morals violation and a cattle rustling case, were in progress Wednesday morning in Klamath County's two circuit courtrooms.

Defendants in the trials were Jerry N. Pusser, 21, 1833 Fremont Street, charged with contributing to the delinquency of a minor, and Ralph D. Hult, 31, Chiloquin, charged with larceny of a calf. Pusser's trial is in Judge Donald A. W. Piper's court while Judge David R. Vandenberg is hearing the Hult case.

A 9-year-old girl, the alleged victim of an immoral sex act, testified in the Pusser case Tuesday along with her father and Heinz Werner, Pusser's next-door neighbor. Pusser is accused of committing the immoral act last May 28 at his house.

The girl's father said his daughter told him about the incident on June 20, three weeks after it happened. Werner said he was with Pusser all day May 28 except for about 10 minutes in the morning. He said the girl was apparently outside the house during that period. The defense has indicated that it will deny the act.

Xmas Gift Meeting Set

Representatives of all organizations planning to participate in community activity or giving at Christmas time are invited to be present at 8 o'clock tonight, Nov. 8, at a meeting in the council chambers of the city hall.

The meeting, called by Mayor Robert Veatch, is for the purpose of enlisting the cooperation of those organizations who plan to assist in obtaining toys and clothing for a Christmas Center. The center, sponsored by the Inter-Agency Council, would permit parents of children to shop for toys and clothing on a point system and give parents an opportunity to purchase items suitable for each child.

A pilot store operated during the 1960 pre-Christmas season was especially successful and it is hoped the plan can be expanded and enlarged this year.

The plan would also eliminate duplication of effort among participating agencies.

Orchestra Plays OTI

Number two in a current series of varied musical concerts being presented by the Associated Students of Oregon Technical Institute, will be held at the campus Little Theater Nov. 16, according to Dean Bernice B. Andrews, dean of women.

Plans call for more presentations of the caliber of the Miller Orchestra and the Cal Tjader Quintet to be given in the Little Theater this season.

OTI officials were reported "extremely pleased" with the turnout from the community for the Tjader group, their initial effort to bring well-known popular groups to Klamath Falls.

Jones Quits As Manager Of Airport

The resignation of Harold G. Jones, airport manager for the city at Kingsley Field, has been presented to City Manager Robert Kyle, to be effective Dec. 1.

The resignation will be announced at the Monday night, Nov. 13, meeting of the city council. No action has as yet been taken to secure a successor.

Jones, who took over as airport manager on Aug. 1, 1957, gave personal reasons for his action. He will move, accompanied by Mrs. Jones, to California where he has two applications pending for airport manager.

Since coming to Klamath Falls, Jones, cooperating with members of Klamath Chapter Oregon Pilots, was active in helping to secure a new control tower and air terminal building, considered one of the finest in the Northwest, at the airport.

He worked also for establishment of a full-time weather station at the airport with construction on the project to begin during November. As a member of the Pilots, he has also promoted plans for new road signs for the airport, the Washburn Way overpass and direct air route to Reno.

In announcing his resignation Jones said, "Mrs. Jones and I have made many wonderful friends while living in Klamath Falls and it is with regret that we leave Klamath Falls. We will never forget the years we spent here."

Basin Job Count Drops

Klamath Basin employment dropped slightly in October, the Oregon Employment Service in Klamath Falls announced this week.

The largest drop occurred in agricultural fields, the OES said, because the potato harvest was drawing to a close by the end of the month.

In non-agricultural fields, which are covered by unemployment insurance, 3.8 per cent of the Basin's work force were listed as jobless. This is a drop of a full per cent, from 4.8 per cent last year. The total was one-tenth of a per cent from September, 1961.

The OES said the increase in unemployment over September was due almost entirely to seasonal shutdowns in the logging industry and weather halting some construction projects.

During October, agricultural employment reached its yearly peak. Sorting for market, which normally staves off the unemployment in the potato industry for a few more weeks, was delayed until later in the winter because of current low market prices.

Total employment in the Basin is expected to decline still further during November with the end of harvest, coupled with construction delays. Present forecasts call for some increase during December. Both conditions were said by the OES to be seasonal changes.

Car Theft Charged 4

Two Klamath Falls men and two juveniles were taken into custody Tuesday night on charges of car theft.

Doyle D. Wilkins, 26, and Leo J. Roland, 20, both of 825 Grant Street, were booked at the city jail on charges of taking and using a vehicle without the owner's permission. Two juveniles, ages 17 and 15, were taken into temporary custody and held for the juvenile department.

Jerry N. Pusser, 1938 Fremont Street, reported the theft of a car belonging to him and Fred C. Pusser of the same address. Pusser said he had left the car parked on Main Street between Seventh and Eighth streets with the keys in it.

City police received a call from state police that the car was seen on Avalon Street. City police checked but did not find the car. They spotted the vehicle later, however, on South Sixth Street near Washburn Way. The two juveniles and Clarence Decker, 20, were in the car. They said the car had been loaned to them by Wilkins and Roland.

Wilkins said he knew Pusser "very well" and said he thought it would be all right if he used the car. Pusser disagreed and told police he would sign a complaint.

Hunter Shot In Accident

One bird hunter accidentally shot another member of his hunting party with a shotgun Tuesday afternoon while they were hunting quail in Poe Valley, according to state police.

Victim of the accident was Angelo Conte, 59, 2427 Peshing Way, who was hunting in a party of four, which included Gerald Durant, 2660 Shasta Way. Conte was rushed to Klamath Valley Hospital, where shotgun pellets were removed from his nose, forehead and chest. His condition was listed as "satisfactory" Wednesday morning.

Durant told state police that he, Conte and two other men were hunting quail in a thick grove of juniper when Durant heard a quail behind him. He said he turned and fired, accidentally hitting Conte in the face and chest. State police said the men were about 30 yards apart. Durant took Conte to the hospital.

Glen Squires Funeral Held

ALTURAS—Services for Glen M. Squires, 83, who died Nov. 1 in the Modoc Medical Center, were held Nov. 6 at Kerr's Mortuary. Burial was in the local cemetery.

Mr. Squires was born Sept. 30, 1878, at Humbolt, Neb. He was married to Ethel M. Davis, May 27, 1905, after spending his childhood and receiving schooling at Holten, Kan. He homesteaded in northwestern Nebraska and operated a garage at Mayette, Kan., before coming to California.

He has been an invalid for several years and made his home with a daughter, Mrs. Mabel Craig, at Tulalake for several years.

Survivors include two daughters, Mrs. Sperry Craig, Tulalake, Mrs. Floyd (Mary) Bybee, Rodeo, Colo.; sons, George L. Squires, Saco, Mont., Grant H. Squires, El Sobrante, Calif.; 12 grandchildren and nine great-grandchildren.

BB SHOOTER — A 15-year-old Klamath Falls youth has admitted causing about \$1,000 worth of damage Halloween night to plate glass windows with this ingenious BB shooter. Ray Howard, above, city juvenile officer, shows the weapon to a Herald and News photographer. The youth, a good student with no previous juvenile record, failed to show up Monday for a scheduled counseling session in the county juvenile office. Howard said he may have left town.
