## POLLY'S POINTERS

Soda Brightens Smile

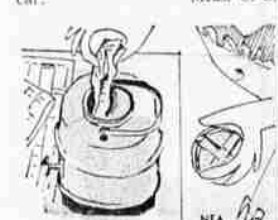

POLLY CRAMER

Newspaper Enterprise Assn.

DEAR POLLY—While in the theatrical business, I always kept baking soda on my make-up shelf. Dry your teeth and then rub them with a finger that has been dipped in the soda to whiten them. I do this after cleaning with tooth paste and before using mouth wash.

DEAR GIRLS—Mixture of salt and soda is excellent and safe, my dentist says.

DEAR POLLY—To restore old brass door knobs, hardware or any brass to like-new condition, do the following: soak in household ammonia for about one half to one hour. Remove and go over with fine steel wool. It will be shiny as new. To keep from darkening, wax with clear paste wax such as you would use on a car.

DEAR POLLY—When ironing curtains, pin a pillowcase to your waist and keep the dampened curtain inside. Pull it out as you iron. This keeps the damp curtains from getting soiled.

MRS. A. L. K. DEAR GIRLS—Sounds like a swell solution to a problem all of us have had when ironing curtains.

DEAR POLLY—To store vacuum bottles or any tight containers, put in a piece of newspaper. This keeps the inside fresh and it never smells.

MRS. J. R. F.

## ALTURAS GARDEN CLUB

The October meeting of the Alturas Garden Club was scheduled for the clubhouse but owing to inclement weather the location was changed to the home of Mrs. C. W. Carstens. Nine members were present for an all-day workshop followed by the regular meeting.

Vice President Mrs. Carstens presided in the absence of the president, Mrs. Russ Enderlin. Mrs. Guy Young acted as secretary and the routine business was transacted.

The date set for the Holiday and Fall Festival is Nov. 15. Mrs. Carstens is the chairman and the festival will be held at the clubhouse, hereafter to be known as the "Whistle Stop."

The festival will feature many new ideas for the coming holidays and distinctive items will be offered for sale. The proceeds will be used to benefit the building fund in restoration of the clubhouse.

Reports were given in regard to the recent district meeting by Mrs. Ralph Laird, by Mrs. D.

Motion on the director's tea held recently in Klamath Falls, on the building committee by Mrs. Guy Young and the treasurer's report by Mrs. Robert Schluter.

Mrs. C. J. Hunter stated that she wished to continue her membership although she would not be living in Alturas. Mrs. Fred Asst resumed her membership after an absence and three new members were welcomed. Mrs. Merville Archer, Mrs. Lester Dagen and Mrs. Phil Price.

A beautiful pine crane tree, made by Mrs. H. G. Helms, is now on display at the Pacific Light and Power office window. This tree will be given away at the festival on Nov. 15. Tickets may be obtained from any of the garden club members. Edith Armour will be the chairman of this project.

Mrs. C. A. Baird donated her prize money from the Inter-Mountain Fair to the club and the Southern Pacific Railroad sent the original stove of the building, which is now set up, courtesy of A. Austin.

## INSTALL CLEAN ELECTRIC HEAT COLLECT WIRING BONUS ALLOWANCE!

For the first time, Cal-Ore Electrical League heating and wiring contractors can offer you a **bonus** for installing electric heat in your home or place of business. Until December 1, eligible home owners and business people can collect **\$6.00 per kilowatt hour** of installed heating capacity, applied against wiring costs!

For many, this can mean

## A MINIMUM SAVING OF \$90.00 OR MORE!

**IMPORTANT:** Get complete details from your contractor before installation to insure eligibility.

## WIRE-ON-TIME

In addition to big bonus allowance savings, home-owners can also take advantage of the Wire-On-Time plan sponsored by the COPCO Division, Pacific Power and Light Co.

Through this plan, you can install electric heat without down payment, and for as little as \$10 a month!

## Remember, Too, The Money You Save Is Only One Advantage Of Heating Electrically . . .

Electric heat is the **cleanest, safest, most worry-free** space heating you can put in a home or place of business. Heat with wire—not fire. Use electrical energy rather than burning fuels—eliminate problems of fuel supply as well as smoke, soot, fumes and other messy flame by-products.

## Heat The Modern Way -- Heat Electrically!
