

Garden Club Show Awards Are Listed

Over 800 guests viewed the arrangements, houseplants and decorated Christmas trees at the District Garden Club show Dec. 7 and 8 at the fairgrounds. The tea tables, arranged by Mrs. Arch Proctor and Mrs. B. C. Johnson, looked gay with yellow satin cloth and red net ruffles, centered with fresh holly and white candles. Two awards of appreciation were given, one to Bill and Rita's Flower Shop for an arrangement using large ferns sprayed with snow, and the other to Nyback's Flower Fair for an arrangement of red carnations.

Mrs. E. C. Schweitzer, general chairman, set up a landscape design display. She has completed the Garden Club Landscape School this year. Mrs. Bernard Valk was her co-chairman for the show.

The litterbug display of old bottles and cans, etc. left no doubt in the mind of the viewer the unpleasantness of such things along highways. A large conservation display by the Juniper Club featured stuffed birds in their natural habitat. Game birds were identified for hunters.

OVER THE GARDEN GATE JUNIPER GARDEN CLUB

Juniper Garden Club met Oct. 15 at the home of Mrs. Jack Holt on Loma Linda Drive with Mrs. Opal Ferguson as hostess. Fourteen regular members and three guests enjoyed the interesting demonstration of arranging dried material by Mrs. Hallie Miller of Evergreen Club.

Mrs. R. L. Carlson and Mrs. Lola Van Syck were welcomed as new club members.

Louise McKendree showed the group how to identify sugar pine and lodge pole pine.

The club's birthday will be observed at the next meeting Nov. 19 by a potluck dinner at the Shasta Grange Hall on Madison and Shasta Way. For the program, Jim O'Donohue will show his bird pictures.

All past presidents and their husbands are extended a special invitation to attend.

A new room-darkening window shade conceals its functional talents under a woven-reed look. Its three dimensional pattern, impressed on vinyl-impregnated shade cloth, goes well with oriental or contemporary decors. The shades come in metallic-threaded bronze or bahama white or green and sand and are flame resistant and color fast.

STUCK!
WILL YOUR INSURANCE PAY THE WHOLE BILL?

It probably won't. State Farm will! Most car insurance pays only a limited amount for emergency road service. But State Farm Mutual pays the whole bill for such things as delivery of gasoline, mechanical first aid at the place of disrepair, and towing to the nearest place where repairs can be done—no dollar limit! Yet, State Farm road service coverage costs only \$2 a year or less! That's less than most other companies charge. Yes, you're better off with State Farm—the company that's famous for low rates for careful drivers. And it's the world's largest. Call me today.

dinner's more fun when the dishes are done...

AUTOMATICALLY

with an **ELECTRIC DISHWASHER**

Relax, lady of the house! Enjoy every minute of every meal. Forget about the "cook's dessert" of dirty dishes, pots, and pans waiting in the kitchen sink. On those special occasions, stay and enjoy your guests—while your automatic electric dishwasher takes care of the grubby, time-consuming chores of after-party cleanup.

Added bonus: BETTER HEALTH!

Electric dishwashers also spell a healthier family. No matter how carefully you hand-wash dishes, you can't get them as clean and bacteria-free as does this electric servant. In dishwashers, dishes, silver, crystal are sanitized by scalding water and detergents stronger than your hands can stand. Cut down chances of colds and other infections... cut drug and doctor bills, lost school and work days. Give your family better health... extra hours for family fun... with an automatic ELECTRIC DISHWASHER.

See your favorite Cal/Ore Electrical League dealer. Ask about easy terms on portable, permanent or convertible models.
