

# BOWLING WITH BARBARA

By BARBARA BAUMGARDNER

Oh, Golly! The holidays are over and weren't they wonderful! All good things must come to an end so here we are back at the old grind again. But I am glad that archery is back on schedule again and the leagues will be shooting twice a week. Monday evening, Jan. 7, will find U.S. National Bowlers vs. Roberts Hardware, The Sherwoods vs. Joes Sporting Goods, Farmers Lumber vs. Kingsley Field and Klamath Kamera vs. Alta Sports Center.

Wednesday evening, the following teams will compete: VFW vs. Western Auto, Oregon Food Store vs. Dugan and Mest, and Signal Oil vs. East Side Electric. As for the league standings, the next few weeks will become more fun to watch. Most of the teams have had a loss or two and those who haven't are shooting with their fingers crossed. Because this is a handicap league, a team may begin the evening with 200 points ahead of the opposing team and sometimes it gets a little tough to gain enough points to beat that handicap. Many a time a beginner team has beat one of the better teams because of their handicap and this keeps things interesting. A reminder again that Dale Baxter from Farmers Lumber Company is offering a prize of six aluminum arrows for the archer who improves his score at every league shoot.

League standings to date look like this:

W	L
East Side Electric	3 0
VFW	3 0
Signal Oil	3 0
Dugan Mest	2 1
Kingsley Field	2 1
Sherwoods	2 1
Farmers Lumber	2 1

The regular monthly meeting will be held at the Twyla Ferguson School gym. The nominating committee consisting of Ed Sample, Gordon Lund and myself met last Thursday evening at my home. We came up with eight names for the offices of president and vice presidents, three good possibilities for secretary and treasurer and two for public relations. These people will be contacted this week for their permission to be put on the ballot and I hope to have the names of those who accepted for you next week.

No nomination was made for the office of Master of the Hunt because we feel that his is a wasted office. It was the feeling of this nominating committee that if and when the club desires to hold a rabbit shoot or any kind of a hunt that a person may volunteer or be appointed to be in charge of the event. Before the election, a motion to do away with this office will be put before the club membership and if the motion does not carry, nominations from the floor may be made to fill this office.

## KU Fresh Matmen Defeated

The Klamath Union freshman wrestling team won six of 12 matches from North Grants Pass here Saturday afternoon on Pelican Court but lost the dual, 30-21, because of pins.

The close match went right down to the last bout where KU heavyweight Mel Hardy was pinned by Mark Thompson with just 20 seconds left in the match. The Pelicans needed a pin in this bout to win the match.

Coach Phil Harder pointed out that the best match of the day and one of the best he's ever seen came when Dennis Taber, a 112 pounder, wrestled and beat Bill Price, 13-8, in the 130-pound division. He gave away a 15-pound weight advantage and still won the bout by decision.

The Pelicans lost five matches by pins and one by decision while one match finished in a 4-4 draw. The Pelicans won all six of the exhibitions and five of them by pins but the exhibition points didn't count toward the final score.

# Holman Leads Pels To Win Over Ashland Five, 52-51

ASHLAND (Special) — The Klamath Union Pelicans remained one of the 11 unbeaten Class A-1 teams in the state here Friday night when lanky Hal Holman, the take charge guy for the Pels when they have their backs to the wall, hit a pair of charity tosses with 18 seconds remaining to give the Whitebirds a hair-thin win over the Grizzlies, 52-51. It was the seventh consecutive victory for the Pelicans and the first as league competition opened in the very rugged Southern Oregon Conference. Grants Pass upset Medford in the other game, 62-60, in overtime. The Pels hosted the Cavemen Saturday night and Ashland was at Crater. Crater also is undefeated.

It definitely was an improved Ashland team over last year. The Grizzlies, also undefeated in six games going into the contest, haven't won a conference contest in three years and it looked for awhile as if they would get their first win.

"I have to give Ashland credit," said Coach Al Keck. "I look for the Grizzlies to give all the teams in the league a good go. They may have trouble Saturday night with Crater's speed, but they will give most teams trouble. I think they will upset someone. They almost did against us," he laughed.

"Hal Holman gave us a tremendous game. He scored almost all the points for us in the last quarter and hit the two that won the game for us. Seems like he is the one that comes through for us when the chips are down," the KU mentor stated.

# Gilchrist Upsets Malin's Mustangs

GILCHRIST (Special)—Gilchrist finally turned the tables on Malin here Friday night for the first time since 1951 when the home town crew toppled Malin in a Klamath County League game, 34-48.

It was the first victory over the Mustangs since 1951 and was a sweet one for Gilchrist. The locals virtually turned the trick in the second period when they ripped the nets for 21 points to take a 31-23 lead at intermission.

The Mustangs sliced the margin by five points in the third stanza but Gilchrist got three of those back in the fourth period by outscoring the Mustangs, 13-10, to gain the victory.

Dan Hoff was high for the winners with 20 big points. Denny Jessup chipped in with 14 points and David Sporrer added 13 more. Sporrer also pulled down 20 rebounds in the game and now is averaging 20 per game for the six games in which Gilchrist is +2. They are 2-0 in conference action.

Tom Brown led the Mustangs with 17 points in the losing cause. Gilchrist hosted Bonanza Saturday night.

Score by quarters: Malin 11-12-15-10-48 Gilchrist 10-21-10-13-54 Americans consume an average of 160 pounds of meat each, per year.
