----- Internal Revenue Service Announcing... DRUGIAX

U.S. Treasury Department

Ever wish, at income tax time, that you had a complete record of every cent you spent for drugs and drug products throughout the year-and how much of it was legally deductible?

That kind of a record could save you money. And that kind of a record can now be yours, every year, absolutely free of charge.

This new service is called Drug Tax. We are making it available to all of our customers immediately, free of charge, as another way of saving "thank you" for their patronage. You would be surprised at the number of drug and

medical supplies that can be of a deductible natureitems such as antiseptics, aspirin, cough and cold preparations, and hundreds of others, Indeed, the American taxpayer has been losing mil-

lions of dollars annually because he hasn't been aware of how many drug items are legally deductible. But you must be able to offer proof of purchase in

order to claim such items in preparing your federal

income tax return. And when you buy from us, you get that proof-in the form of an annual record, mailed in February. Come in today and let us tell you more about DrugTax. And from now on, buy all of your drug and medical supplies from the store that gives you the free
