

**EASY TO SCOOP** — Sandwich making is easy with either a mixed filling, such as the Pimento Cheese filling or ham, when the mayonnaise is from the new, "easy scoop" jar now being used by the processor. No more messy cutlery or fingers.

**Wine In History**

By JEANNE LESEM

NEW YORK (UPI) — This is a vintage year for books on wine. The yield ranged from William Massee's small but excellent "Wine-Food Index," to three history books, a collection of prose and poetry about wine, and the eighth printing of "A Wine Lover's Cook Book" by Jeanne Owen. Mrs. Owen is secretary of the Wine and Food Society, Inc., of New York.

Massee's handbook contains alphabetical listings for more than 11,000 entries on imported and domestic wines and restaurants, and French, Spanish, German and Italian national dishes.

"The Wines and Vineyards of France" by Louis Jacquelin and Rene Poulain consists largely of information about the nature of the soil in growing regions, the

grape varieties planted, the yield of wine and official classifications of quality.

Since 5,000 B.C., when earliest evidence of wine was found, the beverage has been used in embalming, as external and internal medicine and in lieu of currency in Greek slave trade with Gaul. In "Champagne," Andre L. Simon debunks as "fiction" the oft-repeated story that a Benedictine monk, Dom Perignon, "put the bubbles" in champagne. What the monk actually did, wrote Simon, was to get cork stoppers. These permitted him to bottle wine of the preceding vintage each spring. This process, Simon added, turned still wines into the naturally sparkling beverage that became

a favorite with royalty and anyone else who could afford it.

Some of California's "ghost" towns once were vineyards and wineries, wrote M.F.K. Fisher in "The Story of Wine in California." The 1906 earthquake created some of them. Other wineries fell victims of progress—the El Aliso, for example, on whose ground Los Angeles Union Station stands today.

Prohibition killed off still more, wrote Mrs. Fisher. But wine-growing survived to become an important industry in the Golden State, thanks in great part to a Hungarian count, Agoston Haraszthy, who brought from Europe many of the vines from which the California industry grew.

**Sandwiches Easier To Make**

After a long and careful study of the homemaker's desire for an improved mayonnaise jar, the makers of a real mayonnaise came up with the answer. It is a quart jar designed in such a way as to make the mayonnaise easier to remove. The secret is in the funnel form upper section which makes it easy to run a knife

here are several high rated sandwich fillings, made easier by the use of the newly designed mayonnaise jar.

- PIMENTO CHEESE SANDWICH FILLING**  
1/4 pound (about 1 1/4 cups) shredded cheddar cheese  
1 pimiento, chopped  
1-3 cup real mayonnaise  
1/8 teaspoon cayenne pepper  
Mix all ingredients together. Makes about 1 1/4 cups filling.
- ROQUEFORT SANDWICH FILLING**  
2 (3-ounce) packages cream

- cheese  
1/2 cup real mayonnaise  
1/4 pound Roquefort cheese, crumbled  
1/4 cup chopped nuts  
Soften cream cheese, then blend in mayonnaise. Stir in Roquefort cheese and nuts. Makes about two cups.
- SNAPPY HAM FILLING**  
1 1/2 cups finely chopped cooked ham  
1/4 cup sandwich spread  
1/2 cup real mayonnaise  
1/2 cup finely chopped celery  
1 teaspoon minced onion

- Combine ingredients and spread on bread. Makes two cups filling or enough for six to eight sandwiches.
- RUSSIAN EGG SPREAD**  
5 hard cooked eggs, chopped  
1/4 cup real mayonnaise  
1/4 cup chili sauce  
1/2 teaspoon vinegar  
Combine all ingredients. Makes about two cups.
- TARTAR EGG SPREAD**  
3 hard cooked eggs, chopped  
1/4 cup chopped, drained dill pickle  
1 teaspoon dry mustard

- 1 teaspoon chopped onion  
1 teaspoon pickle juice  
1 cup real mayonnaise  
Combine eggs, pickle, mustard, onion and pickle juice. Add mayonnaise and toss until well mixed. Makes 1 1/4 cups.
- DATE NUT SANDWICH FILLING**  
1/2 cup finely chopped dates  
1/2 cup chopped nuts  
1/2 cup real mayonnaise  
Combine all ingredients. Makes about one cup.

Arkansas' state - owned toll bridges became toll free in 1938.
