

Oregon State - Stanford Clash In Top Coast Game

By United Press International
Oregon State's invasion of Stanford, Big Six action in Los Angeles and a replay of the West Coast Athletic Conference tournament final highlight a big weekend of baseball activity along the West Coast.

'Battle Royal' Tops Mat Slate

The 1963 professional wrestling season will open with a bang here Wednesday night when promoter Elton Owen will have a "battle royal" to headline the card.

Owen will present the six-man battle royal Wednesday night at Klamath Auditorium as the feature attraction with a prelude card of three matches. A \$200 purse will go to the winner of the Royal and all six men will really be scrambling for the added purse.

The six contestants will be Wild Bill Savage, Buck Davidson, Rocky Colombo, Haru Sasaki, Irish Pat O'Brien and Lorenzo Parenti. This will be a wild affair in which a man can be eliminated by a pile-up or a submission hold. These royals are dangerous to the contestants because of the increased chances of knee injuries and the wrestlers would rather not be in one. Wrestling like pro football, is a rough sport and it's the lure of the money that keeps them in it.

In the top preliminary Savage will tangle with newcomer Lorenzo Parenti. Savage is well known here for his wild action and his rough and ready style of

fighting. Parenti is from Italy and speaks Italian, Spanish and English. He is a big boy at 228 pounds and comes here directly from St. Louis, where he was taking on some of the best. He is young and a fast-moving scientific wrestler who is guaranteed to make a hit with the fans. Promoters are high on him and predict he will win the battle royal. Savage predicts that he can't even beat Buck Davidson.

Colombo, who is also new to this ring, at least, recently, will take on sinister Sasaki in the second prelude on this big card. Colombo is well-remembered here for some great matches last spring. He is an ex-boxer and has the fastest hands in wrestling. Sasaki is a judo expert who uses chops and Karate, which is barred in "catch as catch can" American style wrestling.

Davidson, the veteran Klamath Falls wrestler - referee, will take on Pat O'Brien in the opening match. Davidson gave a good account of himself in the last card here and should be in better condition.

Tickets are on sale at Dick Reeder's and The Waldorf.

gym match clubs seeking national recognition as the best team west of Arizona State.

It also pairs off the Beavers' 7-foot Mel Counts and the Indians' 6-foot-8 Tom Dose in a battle which might determine which one is an All America and which one is just a first or second string All Coast performer.

High interest will also center around Heisman Trophy winner Terry Baker of the Beavers.

While the southpaw guard is not a punishing scorer, the Beavers basketball team has improved a notch since he took over duties as backcourt field general.

In Big Six activity, Washington (2-0) is at USC (0-2). The Huskies have still not convinced anybody that they are a threat in Big Six play but could do so with a victory or two against the Trojans.

California faces deflated UCLA Saturday. Johnny Wooden's Bruins went to Seattle last week with an eight game winning streak, a fifth place national ranking and the rating as Big Six favorite.

But lowly Washington singled them twice and UCLA dropped to tenth nationally. Cal (2-1) goes south with a 68.7 scoring average, best in the school's proud cage history.

ST. Mary's Gaels, who lost the WCAC tourney title to San Jose State, will seek revenge tonight at Oakland.

The Spartans contained St. Mary's and won 55-51 in the tourney final as San Jose's Dennis Bates put a good clamp on the Gaels' brilliant Steve Gray.

Santa Clara (2-0) hosts Loyola (0-2) in more WCAC action tonight. Saturday night San Jose meets Loyola while USF (2-0) hosts Pacific (0-2).

Other games tonight find Idaho at Oregon, Fresno State at San Diego State, Cal Poly at Long Beach, Humboldt State at Nevada and Chico State at Sacramento State.

In action Thursday night, Pepperdine dominated the backboards but had a cold night from the floor as it sneaked past Hawaii, 64-59. Harry Dinkel scored 17 points and grabbed 18 rebounds. The two teams clash again Saturday.

It was Gonzaga 73 Washington State 56 as the Bulldogs' Bill Wilson poured home 26 points. Willamette blasted Whitman 74-51 as four players hit double figures and Alameda State dumped the San Diego Marines 68-49. Darnell Mikel and Larry Lauritzen hit 16 and 15 for the winners.

Utah Coach To Colorado

SALT LAKE CITY (UPI)—University of Utah assistant football coach Don Stalwick has resigned to take a similar post at the University of Colorado.

Stalwick, an assistant at Utah for the past five years, had asked to be relieved of his duties and Athletic Director James R. Bud Jack announced today that the request had been granted.

Stalwick, 31, played wingback under Red Sanders at UCLA for three years and was freshman football coach for the Bruins in 1956. He then coached Hart High School in Newhall, Calif., before joining the Utah staff in 1958.

He confirmed he had accepted the Colorado job under new Buff coach Eddie Crowder.

Stalwick, a native of Wallace, Idaho, ended his career in the 1954 Rose Bowl game. He was among the top five pass receivers in Bruin history and in each of his three varsity years was top ground gainer for average carry.

Bearcats, Loyola Continue Winning

By United Press International
Defensive minded Cincinnati, the nation's top college basketball team, and potent-scoring Loyola of Chicago, the nation's second ranked team, have different ideas about how to play the game of basketball, and so far not even Dr. James Naismith could find

fault with either system. Ever since Dr. Naismith invented the sport in 1891, an eternal argument has persisted as to the merits of a strong defense in relation to a powerful offense. Adherents of both sides are picking up ammunition this year.

Those who feel defense all important can point to Cincinnati, the nation's stingiest outfit, which defeated North Texas State, 75-58, Thursday night for its 12th victory of the season without a loss. On the other hand, Loyola has exploited the country's No. 1 offensive unit for a 15-0 record, including a 107-69 rout of Western Michigan Thursday night.

Cincinnati, the defending NCAA champion and currently ranked first among all college basketball teams, had a fight on its hands for the first 15 minutes of its Missouri Valley Conference contest at Denton, Tex. But a late spurt just before intermission gave the Bearcats a 10-point lead at 41-31 and they continued to pile it on at the start of the second half.

It was the 30th victory in a row for Cincinnati dating back over two seasons and its second win in defense of its conference title.

The Bearcats, who have limited their opposition to an average of 44 points this season, actually were outshot from the field by North Texas State, 23-22. However, Cincinnati capitalized on 31 of 34 foul attempts—including 13 in a row by Ron Bonham—while the Eagles connected on only 12 of 19.

Bonham led all scorers with 29 points.

Loyola likes to overwhelm the opposition with fast-breaking, sharp-shooting tactics and places less stress on defense. The results are just as satisfying to the Ramblers, who have averaged 99 points a game.

After struggling to a 50-42 halftime lead against Western Michigan, Loyola broke away for 57 points in the second half to go over the 100-point mark for the eighth time this season.

Jerry Harkness, the highest scorer in Loyola history, showed the way once again with 26 tallies and he was helped by Ron Miller with 18 and Les Hamer and Johnny Egan with 16 each.

In other Missouri Valley Conference games Thursday night, Wichita boosted its record to 10-3 with a 71-65 decision over St. Louis and Tulsa topped Drake, 79-72, behind the 21 points of James "Country" King.

Elsewhere, Miami (Fla.) defeated Florida, 86-77, Providence beat Rhode Island, 75-67, Boston College romped over Brandeis, 80-44. Holy Cross stopped Massachusetts, 69-61, William & Mary surprised Virginia Tech, 78-63, Loyola of New Orleans edged Memphis State, 76-75, and Texas Southern beat Prairie View A&M 60-50.

West Picked To Capture Pro Bowl

LOS ANGELES (UPI)—The violent world of professional football reaches its annual climax Sunday in the 13th Pro Bowl, pitting stars from the Eastern Division of the National Football League against top-ranked players from the Western Division.

The West is favored in the betting markets by 3 1/2 points, probably because of the presence of eight members of the champion Green Bay Packers on the squad.

The West has an 8-4 edge in the series. Green Bay coach Vince Lombardi is masterminding this year's western effort and he's got quite a psychological edge — Lombardi has never lost a game as a head coach in the Memorial Coliseum here.

His starting lineup will probably be sprinkled with a large representation of Packers including fullback Jim Taylor, league-leading rusher and scorer during the 1962 season, Taylor was hospitalized briefly this week for observation of abdominal pains. Appendicitis was suspected but the pains subsided and he was given an okay by the doctors.

Coach Alie Sherman of the New York Giants, champions of the Eastern Division, is handling the East squad. His No. 1 quarterback is Y. A. Tittle, 36-year-old Giant signal caller.

Sherman will have a fullback who can almost match Taylor in Jim Brown of the Cleveland Browns. Brown was named player of the game in the Pro Bowl last year even though he and the Easterners lost 31-30.

In addition to the pride in victory, there's a money incentive for winning the Pro Bowl. Each member of the winning squad gets \$800.

AFL To Move League Offices

SAN DIEGO, Calif. (UPI)—American Football League headquarters will be in New York City effective June 1.

The AFL franchise owners voted unanimously Thursday night to move from Dallas.

League commissioner Joe Foss, who opposed the move in the past, told the owners he has spent so much time in New York lately that he feels at home there.

"I think it is for the best interest of the league," Foss said.

Billy Sullivan, president of the Boston Patriots, was elected league president to succeed Wayne Valley, vice president of the Oakland Raiders. He said the move had been needed for years.

Hornsby Buried At Home

HORNSBY BEND, Tex. (UPI)—Rogers Hornsby, baseball's greatest right-handed hitter who asked no quarter and gave none, was buried Thursday in this tiny ghost town.

The ceremony amid a clump of oak and cedar trees drew some of baseball's top names, including Milwaukee Braves manager Bobby Bragan and St. Louis Cardinal manager Johnny Keane.

The final resting place for baseball's "Rajah" who managed five major league teams was a cemetery near a monument that marked the site of an Indian raid in 1833, a year after the community was settled by his ancestor, Reuben Hornsby.

Funeral services were conducted in Austin for the 66-year-old outspoken baseball immortal, nine miles north of Hornsby Bend on the winding Colorado River. Rev. William Crosland of the First Southern Presbyterian Church said the rites.

Hornsby, who developed a running feud with some of today's ballplayers including Roger Maris of the New York Yankees, died last Saturday in Chicago of complications arising from a heart condition.

He posted a lifetime batting average of .359 and his 424 batting average in 1924 stands as the highest in modern major league baseball history. Hornsby led the National League in hitting for six seasons.

BAME HONORED As Dec. Star

LOS ANGELES (UPI)—University of Southern California line-backer Damon Bame today was named Southern California's athlete of the month for December by the Helms Athletic foundation.

The 5-foot-11 junior, named to the UPI All-America third team, was honored by Helms board members for his play against Notre Dame, the final regularly-scheduled game of the undefeated Trojans.

Bame, a product of Glendale, Calif., high school and Glendale College, intercepted a Wisconsin pass in the Rose Bowl game which led to a USC score.
