when I took over this fund raising. I was willing to go all the way, even to Cubo, if it was necessary. I still am willing," be

The cardinal said Thursday he was the "mysterious donor" who raised \$1 million to help free from sources with which I have prisoners captured in the ill-fated no identification."

Just before Christmas and price from sources with which I have no identification."

of Cuba.

The cardinal told a news conference today that the money avoided "the slow death of the prisoners. I do not so much call it a ransom. I would rather call it an exchange. I personally believe that my identification with the fund raising is going to have a tremendous impact in Latin American countries."

Just before Christmas and prior to the release of the prisoners. Cuban Premier Fidel Castro indicated it would be necessary to pay \$2.9 million in addition to the \$33 million in medicine and food before the men would be freed. At that time Atty. Gen. Robert F. Kennedy said "I made one phone call and received a pledge for a million dollars."

He refused to the release of the prisoners.
