

# Mississippi State Upsets Bulldogs In Southeastern

By DICK JOYCE  
UPI Sports Writer

Mississippi State's home-court invincibility was wrecked Georgia Tech's 11-game winning streak, establishing coach Babe McCarthy's Bulldogs as top dog again in the Southeastern Basketball Conference.

W. D. (Red) Stroud, Mississippi State's skinny backcourt man who beat Georgia Tech with a last-second basket last year, scored 30 points in an 81-69 rout over the Yellow Jackets Monday night at Starkville, Miss. The loss knocked Tech off the unbeaten list, leaving only top-ranked Cincinnati, second-ranked Loyola of Chicago and Niagara, ranked No. 10, on the major college perfect record list.

The ninth-ranked Bulldogs moved in front of sixth-ranked Tech, 21-20, with seven minutes left in the half and were on top the rest of the way to score an important SEC victory.

Kentucky (3-1) and Georgia Tech (2-1) are considered State's toughest rivals for its fourth title in five years. Mississippi State now stands 3-1 in conference play and 11-3 overall.

Leland Mitchell of the Bulldogs backed up Stroud Monday night with 25 points while sophomore Jim Caldwell led the Engineers with 16 points.

Illinois, rated No. 3, was the only other member of the top 10 playing Monday night and barely emerged with a 78-76 victory over lightly regarded Northwestern at Evanston, Ill.

It took a desperation 60-foot heave by Bob Starnes at the buzzer to earn the Illini their 12th victory in 13 starts and their fourth straight victory in Big Ten action. Starnes, a 6-5 senior who is best-known for his rebounding ability, wound up as the game's high scorer with 26 points. Dave Downey added 20 for Illinois while Rich Falk topped Northwestern with 21.

The Wildcats stymied Illinois, the nation's second highest scoring team, with a zone defense and never trailed until Starnes' winning goal.

In other games, Frank Christie's 21 points paced Wake Forest to an 82-82 triumph over Virginia; Billy Cunningham's 25 points led North Carolina over Maryland, 78-56; sophomore Ron Reed grabbed 47 rebounds and scored 18 points as Notre Dame whipped Butler, 80-54; Minnesota, behind Terry Kunze's 25 points, downed Michigan, 66-63; and Fred Riddle sparked a late Iowa rally for a 65-56 victory over Wisconsin.

LOYOLA'S HEAD MEN — One reason that Loyola University basketball team is rated second in the nation in the UPI poll is the special practice basket which has an inner ring to sharpen their shooting. Shown at practice session with first string is head coach George Ireland. Players are, top to bottom, Vic Rouse, Ron Miller, Leslie Hunter, John Egan and Jerry Harkness. — UPI Telephoto

## KU Sophomores Host Chiloquin

There are two Klamath County League teams in action tonight with the tough Chiloquin team, leading the Chiloquin with an unblemished record, coming to play the Klamath Union sophomores at 8 p.m. and the Bly Bobcats going after another victory over the Lakeview freshmen at Bly.

Both are non-conference basketball games.

Chiloquin is the league leader and has a 3-0 record and will be pressed to the limit tonight by the KU sophomores, expected to be one of their toughest foes in recent outings.

The Panthers are led by sharp shooters Al DeBortoli, Tony Wilder, Greg Harris, Leonard Wilder, Roy Taylor and Joe Kirk. The KU sophomores probably will have John Jendzrejewski at center, Jack Bauer and Kim Coon at forwards and Jim Drew and Rob Sandmeyer at guards. Coon has been the big gun for the Pelicans in most outings.

Bly will be going after its second victory over the Lakeview Fresh. The Bobcats won the last outing with the Honker beginners. The Bobcats will be paced by a well-balanced attack headed by Bill Waits, Johnny Godova, Duane Foster, Greg Davis, Jack Patzke and Merle Clemens.

The league schedule gets underway again Friday night when Bly entertains Gilchrist, Bonanza hosts Merrill, Chiloquin goes to Malin and Henley will be at Sacred Heart. The Lakeview Honkers will be at home against St. Mary's Friday night.

## SF's Kuenn Inks Pact

SAN FRANCISCO (UPI)—Harvey Kuenn, the San Francisco Giants veteran outfielder-third baseman, phoned from his home near Milwaukee and accepted terms for the 1963 season, the club announced today.

The tobacco-chewing "take charge guy" was believed to be in line for approximately \$35,000—the same salary which he received during the 1962 campaign when he batted .304 in 159 games.

Kuenn, the second Giant to come to terms, is entering his 11th major league season.

He came to the Giants from Cleveland in 1961 and batted .285 while getting adjusted to National League pitching. It marked only the second time that he had dropped below .300.

Kuenn won the American League batting title with a .353 at Detroit in 1959.

He told the Giants that he was in "very good shape" and close to his playing weight of 190 pounds.

## Two Roseburg Players Named

NEW YORK (UPI)—Two players from Roseburg, Ore., High School were named today to the 12th annual all-America high school football team selected by Scholastic Magazine.

They are tackle Doug John and quarterback Paul Brothers.

The team included 85 players from 29 states and the district of Columbia. Roseburg was the only school to place two players.

# Loyola Loses Ground To Cincinnati Five

NEW YORK (UPI)—Unbeaten Loyola of Chicago ran its season record to 13-0 but lost ground today in its battle to overtake Cincinnati as the nation's No. 1 major college basketball team in the United Press International ratings.

For the seventh straight week the Bearcats from Cincinnati headed the UPI ratings and slipped to a 69-point deficit this week despite adding two more victories for the nation's best record of the 1962-63 season. Cincinnati also added two more victories last week, beating North Texas State and Tulsa for a 13-0 record. Each team has 11 games left to play.

Illinois (11-1) and Arizona State (14-1) held onto the third and fourth spots, respectively, while Ohio State, beaten by Illinois last Monday, slipped from fifth to eighth and Oregon State (9-4) rebounded the top 10 in the only significant changes.

Duke defeated Navy and Clemson to boost its record to 12-2 and take over fifth while Georgia Tech (11-0) moved into sixth place and Wichita (11-3) advanced from ninth to seventh. Mississippi State (10-3), eighth a week ago, slipped one notch to ninth and Oregon State replaced UCLA in 10th.

Colorado State U., Colorado, UCLA, Notre Dame, West Virginia, Stanford, Kentucky, Niagara, Texas and Utah State made up the second 10.

(The coaches based their ratings on games played through Saturday night, Jan. 12, prior to Monday night's Illinois-Northwestern game.)

# White Sox, Orioles In Big Trade

CHICAGO (UPI)—The Chicago White Sox lost two front-line players in Luis Aparicio and Al Smith but general manager Ed Short believes the four Baltimore Orioles players he got in exchange might have solved three big problems.

The Sox obtained relief pitcher Hoyt Wilhelm, shortstop Ron Hansen, rookie third baseman Pete Ward and outfielder Dave Nicholson in the switch.

"We added power, because we got three guys who can hit the ball out of the park," Short said. "We beefed up the bullpen, and we think we might have come up with the third baseman we needed."

Short believed the deal might have partially cured the club's need for a power hitter for the No. 4 spot in the batting order. "It could make it possible for us to get more power in the whole lineup," he said. "So we wouldn't have to be so strong in the No. 4 spot. We could have diversified power."

Both players unhappy

The Sox lost two "happy" players, particularly Aparicio. The league base-stealing champion for eight seasons said he hoped he would be traded and was perturbed about a salary slash. Aparicio sent a sarcastic "thanks" to Short and manager Al Lopez when he learned of the deal.

Chicago traded position for position since Hansen, who hit .253 with 22 homers as a rookie in 1960, is a shortstop and Ward, who batted .324 with 22 home runs at Rochester last year, is a third baseman. Aparicio, whose lifetime major league average is .286, slipped to 241 last season and Smith, playing third base, hit .292 with 1 home run.

Wilhelm A Bonus

The deal thus gave the Sox a "bonus" in Wilhelm, 39, who had an earned run average of 1.94 last year and who has a lifetime e.r.a. of 2.74, and in Nicholson, a \$109,000 bonus baby who never has come up to expectations in the major leagues. However, Nicholson hits a long ball and

# Six-Man Battle Royal Heads First Mat Card Of Year

The first local professional wrestling card in seven weeks and the first of the new year will be held Wednesday night in the rugged six-man Battle Royal heading the year's opening card.

Promoter Elton Owen will present the six-man Battle Royal as the feature with a preliminary card of three matches. A \$200 purse will go to the winner of the Royal and all six men will really be scrambling for the added purse.

The six contestants for this rugged battle will be Wild Bill Savage, Buck Davidson, Rocky Colombo, Haru Sasaki, Irish Pat O'Brien, and Lorenzo Parenti. This will be a wild affair in which a man can be eliminated by a pile-up or a submission hold. These royals are dangerous to the contestants because of the increased chances of knee injuries and the wrestlers would rather not be in one. Wrestling, like pro football, is a rough sport and it's the lure of the money that keeps the athletes in it.

In the top preliminary bout Wild Bill Savage will tangle with newcomer Parenti. Savage is well known here for his wild and rough and ready action. Parenti is from Italy and speaks Italian, Spanish and English. He is a big man at 228 pounds and comes here directly from St. Louis where he was taking on some of the best. He is young and a fast-moving scientific wrestler who is guaranteed to make a hit with the fans. Northern promoters are so high on him that they predict he will also win the royal.

Rocky Colombo, who is also of Italian ancestry, will return to meet sinister Haru Sasaki, the judo and Karate expert, in the second prelim. Colombo is well remembered here for some great matches last spring. He was wrestling in Arizona last summer and was a big hit with the fans in that area. He is an ex-

# Pelicans Lowered In Polls

The Klamath Union Pelicans dropped in both the UPI and Oregonian poll this week after their first defeat last Friday night at the hands of the Medford Black Tornadoes.

The Pelicans fell in the Oregonian poll from ninth to 11th and in the UPI poll from eighth to 10th. The Pelicans were beaten by Medford, 44-35.

The top ranking went to North Eugene in the UPI poll followed by Marshall, Corvallis, South Eugene and Grants Pass tied for fourth, Milwaukie, Medford, Pendleton, Astoria and Klamath Falls.

The Oregonian poll had much the same ranking with the top four teams the same and with Grants Pass fifth, Milwaukie sixth, Crater seventh, Astoria, Pendleton and Medford. Klamath was 11th.

Henley kept moving up on Pleasant Hill in the A-3 rankings and lack only three points of catching the leader in the Oregonian poll.

# Pel Boosters Meet Jan. 16

The Pelican Booster Club will hold its weekly meeting Wednesday night at The Broker at 6:30.

There will be short talks by the Pelican basketball and wrestling coaches Al Keck and Delance Duane before the meeting adjourns to attend the Oregon Tech-Southern Oregon College basketball game at OTI.

# BIDS FOR OLYMPICS

OTTAWA, Ont. (UPI)—Canadian Health Minister J. Waldo Monette announced Monday that a federal grant of \$60,000 will be issued to support Canada's bid for the 1968 Olympics, subject to Parliament's approval.

# Collegiate Stars Prefer NFL Loop

By NORMAN MILLER  
UPI Sports Writer

College stars have shown a preference for signing with National Football League clubs once again, although the young American League is making its best showing in three years in the bidding for the graduating glammers.

AFL teams grabbed off about a dozen "name" players in the newest college crop, including three of the NFL's No. 1 selections — Dave Behrman and Ed Budde of Michigan State and Jim Dunaway of Mississippi.

However, in the overall picture the best of the college stars interested in turning professional have favored NFL teams by a ratio of 2-1 or better, according to a United Press International survey.

Of 23 signed collegians who were claimed during the first five rounds of the December drafts in both leagues, 17 have gone to NFL clubs and 4 to the AFL.

Behrman, who signed with the Buffalo Bills, and Budde, who signed with the Dallas Texans, were two of four collegians who were made the first-round draft picks of teams in both leagues. The other two preferred NFL teams, Jerry Sotvald of LSU signing with the St. Louis Cardinals and Kermit Alexander of UCLA with the San Francisco Forty Niners.

Last year the NFL signed all six players who were made first-
