

Self-Help Stressed By Revenue Service

The Internal Revenue Service during the 1963 income tax filing season will again stress self-help as its basic theme of taxpayers assistance, A. G. Erickson, director of Internal Revenue for Oregon, announced today.

"The self-help program has been in effect for a number of years," Erickson said, "and we believe that more and more taxpayers are becoming familiar with the requirements for the proper preparation of their federal income tax returns. Essentially, self-help means that taxpayers complete as much of their returns as possible before asking help from us. Most taxpayers can do the whole job if they carefully read the form itself and its accompanying instruction booklet. We shall again stress our tele-

phone assistance program, which will enable taxpayers with a problem or two to call us for a quick answer designed to enable them to complete the preparation of their returns. Office assistance will be available where required but will naturally entail considerably more of the taxpayer's time.

"The most important thing for the taxpayer in preparing a return or in seeking telephone or office assistance is to have all of his 1962 financial records at hand.

"Again, let me remind taxpayers that it will be much easier to prepare a return or to obtain any help needed now than during the late stages of the season when telephone lines are jammed and offices are crowded."

Dunsmuir School Vote Scheduled For April

DUNSMUIR — Schools in Dunsmuir have been notified by county clerk's office by 5 p.m. March 1.

Trustees whose terms of office expire are Sidney Fischer and Arthur Crowe, high school board members, and Gerald Spencer, Jack Samuelson, Neal Kluckman, and Elmo Loney, elementary school board members.

Nominees must file intentions to run for these offices with the county clerk's office by 5 p.m. March 1.

Except for Sidney Fischer, who resigned his post last week due to the demands of his employment, no one had stated whether or not they will seek reelection. There are no bond issues or other school questions slated for the ballot nor are there any announced new candidates.

Boardman Space Park Supported

WASHINGTON (UPI) — The Oregon congressional delegation promised today to do all it could to assure creation of Oregon's space-age industrial complex at the Navy's Boardman bombing range.

The pledge was made in a letter sent to Oregon Gov. Mark Hatfield following a closed meeting at which Samuel V. Mallicoat, director of the Oregon Department of Planning and Development, outlined problems encountered with the Navy and Army Engineers.

The state plans to set up a 480,000-acre industrial area to which it hopes to attract a major Boeing Company research and test facility.

Sen. Wayne Morse told the group that he had been assured by both Sens. Warren G. Magnuson and Henry M. Jackson that the Washington Democrats were not seeking to block the project.

The chief roadblock so far encountered by the state, Mallicoat said, was a wide gap between what the Navy says the land is worth and what the state is willing to pay.

But state officials say the site has been valued at only \$122,000 by two former BLM appraisers. They agreed, however, that improvements made by the Navy were worth about \$35,000.

Also involved in the controversy is the Corps of Engineers, which objects to demands by the state and Boeing for control of 11 miles of waterfront along the Columbia River. Boeing officials say they

Price High
Navy officials have told the state that Bureau of Land Management (BLM) appraisers have put a \$380,000 price tag on the land on the basis of its value as grazing land.

cannot yet determine how much of the riverfront might be needed for port facilities.

Army Engineers say the land is needed for public use under the multiple-use concept being applied to construction of the John Day Dam and have asked the state and Boeing to be more specific in their plans.

Hemorrhoids Cured Painlessly By Non-Surgical Method

The non-surgical, electronic method for treatment of Hemorrhoids (Piles) developed by doctors of the Beal-Oliver Sandy Blvd. Clinic has been so successful and permanent in nature that the following policy is offered their patients:

"After all symptoms of Hemorrhoids... have subsided and the patient has been discharged, if he should ever have a recurrence, all further treatments will be given without additional fee."

Patients experience little, if any pain. Their treatment requires no hospitalization and does not employ drugs or injections.

Write today for a free, descriptive booklet, yours without obligation: The Beal-Oliver Sandy Blvd. Clinic, Chiropractic Physicians, 2026 N. E. Sandy Blvd., Portland 12, Ore.

DO YOU LIKE **BROILED LOBSTER** AND DELICIOUS **PRIME RIB ...?**

If you do, treat yourself to the very finest... do it tonight. Bring the entire family in for dinner. Besides the lobster and prime rib, there is a complete menu with something on it to satisfy everyone.
