

# KU Pelicans Travel To Crater To Meet Blazing Comets Friday

## Henley, Sacred Heart To Battle In Rogue League Rival Contest

A pair of old rivals get together Friday night and Lakeview will host rugged St. Mary's as the area's Rogue League teams swing back into action.

The old rivalry pits the undefeated and league-leading Henley Hornets at Sacred Heart Academy against the Trojans who have lost both contests in league action. This is an old rivalry and Henley, due to a six-game winning streak which dates back to 1968, holds a slim 10-9 margin over the Trojans.

Eagle Point is at Phoenix and Illinois Valley and Rogue River get together in the other outing.

The Hornets and Trojans have been playing each other twice a year since 1962 with Henley winning 10 and losing nine. The six-game winning streak began in 1968 with a 37-36 Hornet victory. The Hornets will be favored to extend that streak Friday night.

This will be the first meeting for the two clubs this season. It will also be the first game on Sacred Heart's resurfaced gym floor.

The Hornets will be heavy favorites in the game with big 6-7 Kent Gooding supplying the fire

## Huskies-Antlers Game Tops Slate

Merrill's fast-rising Huskies will be at Bonanza Friday night in the top game this week in the Klamath County League while Bly entertains Gilchrist and league-leading Chilcoquin journeys to Malin.

Merrill, holding down second place behind undefeated Chilcoquin, will be hard pressed with the hustling Antlers of Bonanza. This game is rated a tossup. Gilchrist, also a rapidly improving club, will be the pick over Bly and Chilcoquin is a heavy choice over inexperienced Malin.

The Huskies and Antlers have split games thus far this season and this game could develop into a real donnybrook. The Antlers will have the home court advantage and it may depend on which team has the best night.

Merrill probably will open with Ken Smith, Bob Moore, Dave Hill, Dale Kurtz and Jim Thompson. Others who will see action will be Larry Connor, Jim Merrioles and Jim Reed. Smith is the leading scorer for the Huskies and is aided by balanced scoring from the rest.

Bonanza is paced by Eddie Sim-

## KU Hopes To Get Back On Win Road

They are 6-3. Keck stated. The Comets have rattled the nets for 606 points in nine games for a 67.3 average this season and have allowed 50.2 points per game. They have hit for 178 points in the three league games for an average of 59.3 while allowing 169 for an average 56.3. So that might indicate the toughness of league play.

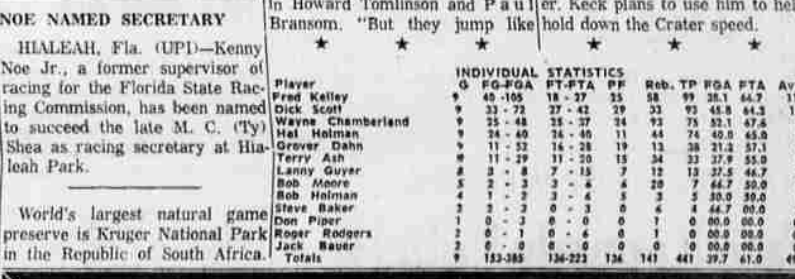

The Pelicans are averaging 49 points per game through the nine contests with 41 points. They

## Big Six Cage Lead On Line This Week

The Big Six basketball lead goes on the line this weekend when Washington (3-1) invades Stanford (1-0) for a game of games.

The Huskies were picked the team least likely to succeed after 60-80 showings in early games and so on the Los Angeles Basketball Tournament.

But then Washington swept UCLA at home and earned a split at USC in a quartet of games, each settled by four points or less. The Huskies have been getting a lot of mileage from the tall front-line combination of Dale Easley and Ed Correll. The latter leads the Big Six in rebounds.

Stanford is rated number 16 nationally after splitting with 10th ranked Oregon State last weekend. Center Tom Dose lately has been getting outside shooting help from Don Clemens.

Semester finals cut down weekend basketball action along the Coast but a few other games Friday will find Portland at Nevada, Gonzaga at Seattle, Pepperdine at Hawaii, Oregon at Washington state, and a tournament hosted by Cal Poly of Pomona.

Arizona State is at New Mexico tonight in a key Western Athletic Conference game.

Wednesday night's light slate was headed by Pepperdine's 73-56 defeat of the Mutual Express team of the Hawaii Armed Services league at Honolulu.

Pepperdine led by 27 points in the second half and was never in trouble. Lee Tinsley led Pepperdine with 18.

## Collier Replaces Paul Brown

**CLEVELAND (UPI)** — Blanton Collier, a man well-versed in the Paul Brown football system, will guide the fortunes of the Cleveland Browns in 1963.

The former University of Kentucky coach was named to the post Wednesday by Art Modell, Browns president, who said "Blanton was my first choice and the only man talked to."

Collier, who steps up as head man — succeeding his longtime friend, Brown, fired last week — signed a three-year contract calling for an estimated \$35,000.

The 56-year-old Collier, after being announced as the new coach, told newsmen he would retain all of the team's assistant coaches and one and possibly two others would be added. The present assistants are Howard Bixler, who was also named personnel director; Fritz Heisler and Dick Ulinski.

Modell also announced that Harold Sauerbrei, the team's business manager and a former sportswriter, will take over as the new general manager.

Collier, the second head coach in the 17-year history of the team, said he agreed to succeed Brown, "the man who gave me my start in professional football," only after careful thought and "with emotions so conflicting that I find them most difficult to explain."

"I was offered the job last Sunday," Collier said, "and I immediately contacted Paul. He told me, 'You must accept the job."
