Sacred Heart	0	4	.000	143	254

The Henley Hornets, rapidly moving up on the top ranked place in the state's A-2 polls, continues to lead the tough Rogue League in virtually every department which includes a 6-0 record and a 12-0 season mark.

The Hornets, without the league's leading scorer, 6-7 Kent Gooding, Friday night, rolled over the winless (in league) Sacred Heart Trojans 64-33, and then pressed the still weak Gooding back into action Saturday night to pull out a 61-49 victory over the pesky St. Mary's Crusaders, 61-49.

One of the big games of the season comes up this Friday night in Lakeview when the Hornets travel east to meet the Honkers in their new 1,400 capacity gymnasium which was opened only recently. But besides this, the Honkers are pressing the Hornets for the league lead. The Honkers now own a 4-1 record, having dropped the opening league game to Eagle Point, the defending champion, by a point. Henley beat the Eagles only one point the same week. So this conceivably could be a real thriller although the Hornets will be favored.

Lakeview remained in the race Friday night with a narrow 56-55 win over St. Mary's. Eagle Point remained on the heels of the Hornets, also, with a 60-44 victory over rival Illinois Valley and a 59-55 win over Phoenix. The defending champions are now 5-1.

Illinois Valley split over the weekend with a win over Rogue River, 67-42. Phoenix, in addition to its loss to Eagle Point, trampled Sacred Heart Saturday night.

Gooding, who stayed out of practice Wednesday and Thursday with a bad cold, played only in the St. Mary's game and hit his lowest total points in a league game with 18. His average dropped below 30 points per game. He has 141 points in five contests for a tremendous 28.2 average.

Chuck Pomeroy, the 6-1 dead-eye from Eagle Point, is Gooding's nearest pursuer with 129 points and a fine 21.5 mean in six games. Mike Beymer, Henley forward, took advantage of Gooding's absence and moved into third place with 88 points for a 14.7 average. Beymer's jump was from seventh to third.

Lakeview's Larry Samples fell from third to fourth with 85 points and a 17.0 average in one less game, five. Eagle Point's Richard Short makes up the top five with 82 points and a 13.7 mean in six contests.

Henley's Earl Albritton is sixth with 77 points and a 12.8 average. Then comes Illinois Valley's Daryl Gellert, the fine little guard, with 73 points and a 14.6 average in five outings. St. Mary's Jim Calhoun ranks eighth with 69 points and a 13.8 average in five games. Dan Leahy of Lakeview fell from fourth to ninth with 66 points and a 13.2 mean. Rick Bolz of Phoenix makes up the top 10 with 65 points and a 10.8 mean.

The standings didn't change any over the past week. All teams virtually stayed the same. Lakeview has tied for second and now is in third by virtue of one less game played than Eagle Point.

Beymer and Albritton caught fire in the second half to lift the Gooding-less Hornets over the Trojans Friday night. Beymer and Albritton combined for all 21 points in the third quarter to lead the Hornets to victory. Beymer finished with 21 and Albritton with 10.

Gooding topped the scorers against St. Mary's with 18 points as the Hornets made a second half comeback for the victory. They trailed at the end of the first quarter 17-7 which had the Henley fans amazed. They pulled to within one point at the half way mark and trailed by a point, 26-25. But Gooding got hot and

made most of his 18 points to lead the second half rally.

Lakeview led the Crusaders all the way but St. Mary's came within two points late in the game when the Honkers staved them off. Dennis Warren led the Honkers with 21 points for his high of the year and Samples hit for 15. Jim Calhoun and Randy Corliss each pumped in 18 for the losers.

The Eagles posted old rival Cougars in the Saturday game with Pomeroy meshing 21 points. Short contributed 12 points and Wilbur Boatwright 15 for the winning cause. Roger Martin paced the Cougars with 12 while Gellert had 11.

Phoenix really got hot against the Trojans and hit their season's high of 77 points. John Barker connected for 17; Bolz for 14 and Jim Consruck for 12 as the Pirates won. Pete Krok and Elmo LeBeau topped the Trojans with six points each on a cold night.

Illinois Valley stomped Rogue River with Charles Versteeg hitting his season's high of 23 points. Gellert again laid in 11. Shefstrom topped Rogue River with 11.

Pomeroy connected for 27 points in the Phoenix game to lead the Eagles. Shot added 10 to the cause. Phoenix was led by Barker with 17, Bolz with 11 and Dave Johnson with 10.

Finnish Runners Added To Field

PORTLAND (UPI) — Two Finnish runners were added to the field for the third annual Oregon Invitational Indoor Track Meet at the Memorial Coliseum here Saturday night.

Miller Olavi Salonen, former holder of the world 1,500-meter record, is scheduled to run in the mile against Archie San Romani and Vic Reeve of Oregon. Dave Deubner of Stanford and Ben Tucker of San Jose State. Salonen's best in the mile is 3:39.1.

The other Finn is Burt Ohlander, who will go in the strong 1,000-yard run field against former Oregon Duck Jim Grelle, NCAA 800-yard champion Jim Durree of Southern Illinois, Don Bertoin of Washington State and Ted Abram of Oregon.

Also added to the entry list was second-foot high jumper Joe Faust, a member of the 1960 Olympic team.

Boston Group Awaits Word

BOSTON (UPI) — A Boston syndicate today awaited final word on whether it had bought the bankrupt franchise of the New York Titans for \$1.7 million.

Ted Barron, head of the four-man syndicate, met Tuesday here with Titan president Harry Wismer, their attorneys and several accountants.

But no final settlement was reached and negotiations were continued to later this week.

"We're very close. We've made an offer. Mr. Wismer seems satisfied," Barron said.

Wismer said the \$1.7 million offer was "the best so far unless (NFL Commissioner Joe) Foss comes up with a better one."

Portland State Aids OTI's League Lead

By United Press International
Oregon Tech's defending champions moved farther in front in the Oregon Collegiate Conference basketball race Tuesday night with an 87-78 victory over Southern Oregon.

Portland State aided the Owls by handing second-place Oregon College of Education a 77-60 lacing in Portland.

Sammy Smith scored 31 points for Oregon Tech at Ashland. Willie Anderson added 19, while Dave Hughes led SOC with 20.

The Owls are undefeated in six league games and Southern Oregon is 4-4.

Freshmen Gary Linn and John Nelson scored 24 and 22 points, respectively, as Portland State won its second game in a row for a 2-4 league record. OCE dropped to 4-2.

In individual scoring, not counting Tuesday night's games,

Hughes of SOC led with 132 points in seven games, although Anderson and Smith had higher averages of 29.6 and 18.6 respectively, having played in fewer games.

Lucky International Tourney Set Thursday

By HAL WOOD
UPI Sports Writer

SAN FRANCISCO (UPI) — The Lucky International, fourth stop on the 1963 winter's golden golf tour, opens Thursday with every big name in the game shooting for the top prize in the \$50,000 event.

The natural favorites are Bill Casper, winner last week of the Bing Crosby at Pebble Beach; Gary Player, who captured the San Diego Open; and Arnold Palmer, who won at Los Angeles but was disqualified in the Crosby.

And watch out for National Open champion Jack Nicklaus.

Nicklaus came within a quarter of an inch of the ball roll of tieing with Casper in the Crosby, finally deadlocking for second. He is in tip-top condition and ready to knock over a big one.

This tournament is being played on the 6,900-yard Harding Park course which is lined with trees and fairly well trapped, with a premier on accuracy off the tees and on approaches. It could fit Nicklaus well.

There's a good chance, too, that Palmer may come back fighting mad. When he was disqualified in the Crosby, he didn't mind losing the money. But the idea of having his streak of finishing in the money 47 consecutive times broken bothered him considerably.

When Palmer was disqualified for playing an illegal ball, he lost \$540 and that dropped him out of the money-winning lead, too. Player advanced to that position with \$9,440 to his credit in three weeks.

Diego Open, collected \$9,000 for his Los Angeles win.

Casper is in third place with \$8,308.33. Far back of these three come Bob Rosburg with \$4,370 and Art Wall with \$4,340.

Defending champion is Gene Littler, one of 1962's top money-winners. But Littler has been off his stick and failed to qualify for the final two rounds at both San Diego and Pebble Beach. He shot

an 83 on the opening day of the Crosby.

Ken Venturi, who learned to play his golf on this course and is a home-town favorite, also has been slightly off his game.

A couple of the other "hot" men on the tour are Wall, and unheralded Bob Duden, the man with the pendulum putter who almost rocked the golf world by barely missing in the Crosby.

Utah State Hires Knap As Top Coach

LOGAN, Utah (UPI) — It took Utah State University only four days to fill its vacant head football coaching position and new coach Tony Knap hopes to use similar speed in producing a winner.

Knap, a defensive specialist, was appointed Tuesday to fill the vacancy created by the departure of John Ralston, who last week became coach at Stanford.

Knap was Ralston's top assistant for the past four years at Utah State.

Appointment of the 48-year-old Aggie assistant was announced in Salt Lake City following a meeting of the USU board of trustees.

"My goal is to do better, and I will work to retain the high level of athletic prominence achieved by Utah State teams," said the new coach.

interviewed for the job. Newell (Hod) Sanders, chairman of the board's athletic committee, called Knap's appointment "unusual."

"I never remember in my day when a coach had so much support behind him. He was the athletic committee's choice from the start. We're very happy and we know we're right," Sanders said.

Considered a keen student of the defensive phase of the game, Knap helped Ralston's Aggie teams compile a 31-11-1 record.

In 1960 the Aggies were first in the nation in rushing offense and No. 2 in rushing defense. In 1961 they were first in rushing defense and second in total offense.

Knap wasted little time in getting on the job. He left today for Southern California on a recruiting trip.
