

# Drop Noted In Klamath Unemployed

The seasonal increase in unemployment during December was less during any December of the last four years, according to the state employment office. Total unemployment in Klamath County was also less than during comparative periods of the last several years. However, the percentage of the labor force covered by unemployment insurance, which was unemployed during the week ending Dec. 27 was higher in Klamath County than over the state as a whole.

The number of jobs for which workers were requested from the Klamath Falls office of the Oregon State Employment Service during December was 33.3 per cent higher than December 1961. Unemployment is expected to increase during January but the increase is expected to stop substantially below the comparative period of last year. Weather conditions will have an effect on employment throughout the winter months, and will be a factor in determining the peak period of unemployment.

The lowest level of employment this winter is expected to fall in late January or February. From that point, employment can be expected to rise gradually to a peak during the summer and early fall. At the end of December the Klamath Falls office had 1,145 applicants registered who were seeking employment. This represents the largest source of qualified applicants in Klamath County.

### Juvenile Members Visit Eastside Grange Meet

NEW PINE CREEK—The Eastside Grange met in regular session Jan. 19 with 25 members, several Juvenile Grange members, and two guests present. The visitors were Bill Moser, Lake County farm agent, and Mrs. Moser, who are members of the Thomas Creek Grange.

During the business meeting, two new members, Mr. and Mrs. Edgar McElwain of Willow Ranch, received the obligation.

A petition, protesting the Oregon Game Department's annual doe season, from Hebron, Ore., was tabled indefinitely. The consensus of opinion was that since officials are appointed collectively to the game department upon their merits and capabilities, they should have a broader understanding of the deer situation throughout the state and therefore not act according to the wishes of a group in any given locality.

The proposition of entering the Community Service Program Contest at the present time was introduced by the master and tabled indefinitely.

A practice for the newly elected officers was suggested, and the date was set for Wednesday, Jan. 23, at 2:30 p.m. All officers are expected to attend, and other members are invited.

Bill Moser was the speaker on Lecturer Velma Newcomb's program following the meeting. He defended the use of chemicals as a stabilizer to farm production. He said there was some rather caustic criticism of the wide use of pesticides making the rounds,

# Conservative Policy Eyed

NEW PINE CREEK — Carmen P. Fleming of New Pine Creek, chairman of the Republican Central Committee of Modoc County, indicated Monday that he will attempt to introduce a nine-point program of conservative policy through the Association of Republican County Central Committee Chairmen at the state Republican Central Committee meeting in San Francisco, Jan. 20-27.

Fleming said he had just conducted a survey of both Republican and Democratic voters in the state of California and the results of the questionnaires confirm his conviction that the Republican Party can be unified and win elections if conservative, constitutional policies are adopted and followed unwaveringly.

His survey showed that almost all of the Republicans and about half of the Democrats were in favor of conservative government. "If conservative governmental policies are not adopted, we will soon find ourselves living in a socialist state, absolutely contrary to the original intent of our constitution," Fleming stated.

Bill Moser was the speaker on Lecturer Velma Newcomb's program following the meeting. He defended the use of chemicals as a stabilizer to farm production. He said there was some rather caustic criticism of the wide use of pesticides making the rounds,

which in a few cases were founded on fact where poisons were used without the proper precautions. But he added it would be practically impossible to feed the nation without the use of sprays and pesticides.

He pointed out, however, that some good has come out of the criticism, because the importance of using extreme precaution and following the exact directions given for each specific use is being emphasized to a greater degree.

Moser then showed slides demonstrating conditions of poisonous weed infestations before and after spraying, and again stressed the importance of keeping such infestations under control, particularly for the safety of livestock.

On The Record  
MARRIAGE LICENSES  
Robby J. George, 20, Kinrossy Field and Brenda Mary Wesley, 17, Klamath Falls, E. E. Bland, Bonanza, and Laurene Fay Thrash, Klamath Falls (legal) gave.

Five Escapees Recaptured  
WOODBURN UPI—Five boys who escaped from MacLaren school for boys here Monday morning were recaptured later in the day.

Supt. Amos Reed said the boys were returned by members of the staff.
