

# Hornets Slip By Honkers In Overtime

LAKEVIEW (Special)—The young eagles who have found what it is like to win, pushed the state's second ranked Henley Hornets to the full limit here Friday night before a jammed crowd in Honker Gym before finally losing in an overtime period.

Henley, with its towering height, led most of the way until 6:4 Dennis Warren sent a hook shot flying true to its mark with three seconds left in the regular game to knot the contest up at 37-37 and send it into overtime. The Hornets pulled it out in the extra period despite Lakeview having made the first two points.

It was a whale of a game for the spectators and for the Honkers who came within an eyelash of downing the giants of Class A-2 basketball. The Hornets took a first period lead of 9-5 and increased it to 20-13 by the half time intermission. The Hornets, who usually start cold, were cold again Friday night, in the first half.

The Hornets moved farther ahead in the third period by scoring the nets for 21 points but Lakeview stayed within striking range with 17 points and trailed the mighty Hornets, 41-30, going into the final period.

Then the Honkers stood all the jammed crowd on their feet as they began a torrid shooting exhibition which pulled them into the tie as the game ended. The Honkers tallied an amazing 27 points in the fourth quarter against Henley's defense which isn't a slouch in itself.

The Honkers were led by fiery Larry Samples who had himself quite a night with 30 points, by far his best of the season. But it was Warren who hit the lying point and also dumped in the first basket of the overtime period. He finished with 11 points and Dan Leahy with 10.

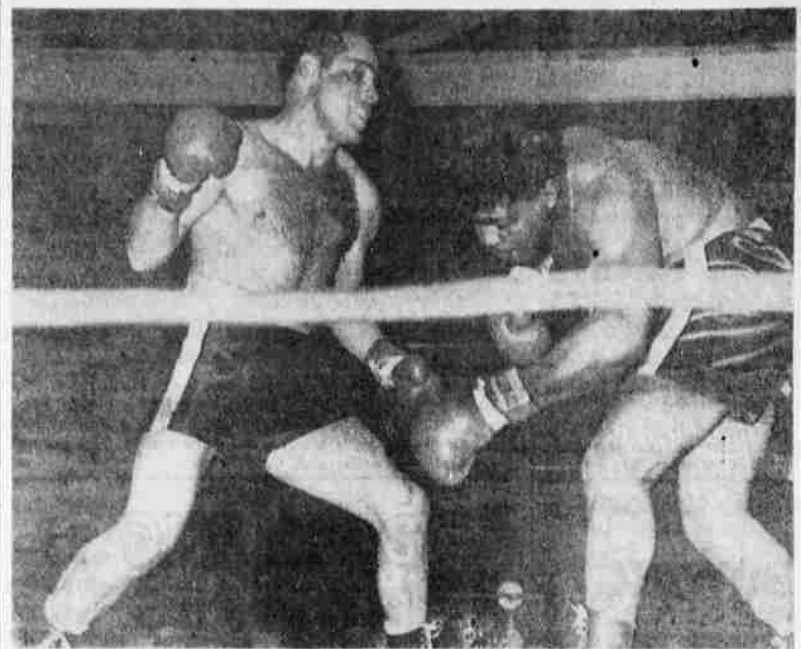

And another tribute to the Honkers was that they held their league's leading scorer, Kent Gooding, the 6 - 7 center, to 13 points. He went into the game averaging 28.2 per outting. But the double teaming of Gooding perhaps won the game for the Hornets. It left Mike Beymer open on the wings and the forward led the Hornets in scoring with 17 points while Earl Albritton, the other forward who was left open at times on the double teaming, dropped in 16 points. LeVoy Young also hit in double figures with 12.

Samples hit 12 baskets in 29 shots for a brilliant 41.4 average through the field. He added six free throws in six attempts for the 30 points. Henley could have and should have had the game in the bag from the charity line. But they had one of those nights when the gifts wouldn't drop and they hit only nine of 23 for an atrocious .391 percentage. The Hornets had 26 baskets to 25 for Lakeview. The Honkers hit nine of 13 from the line.

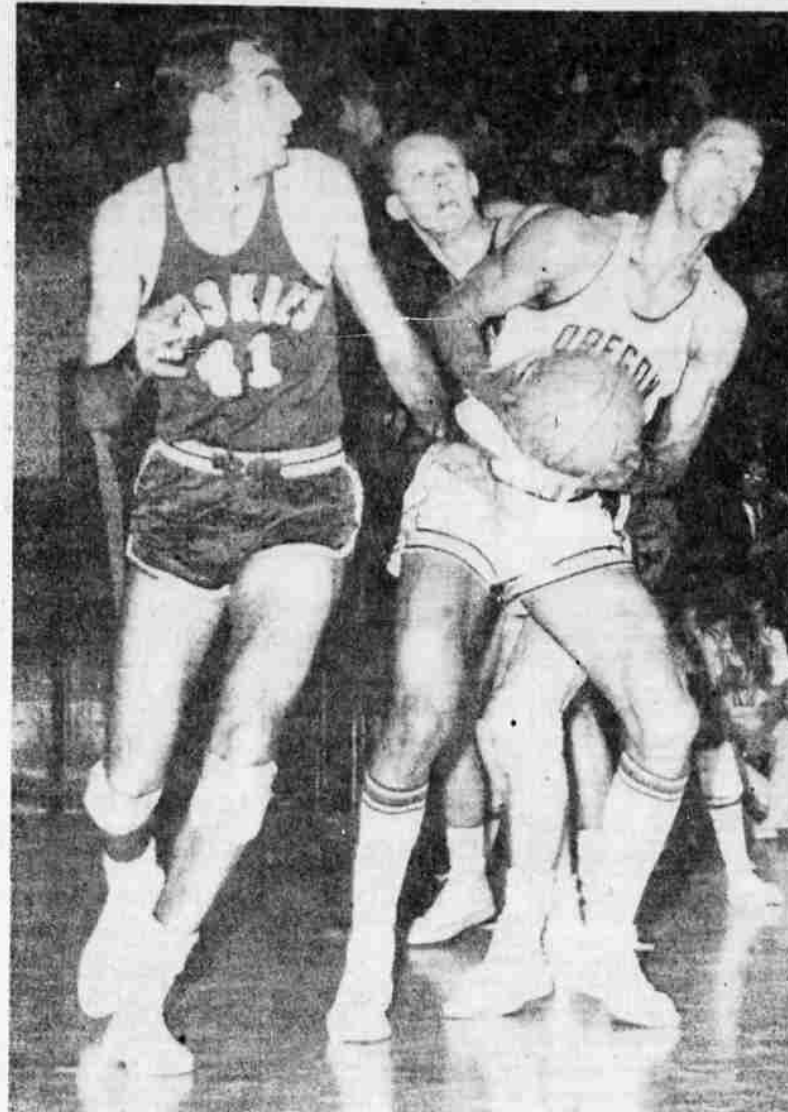

This dealt the Honkers their second loss in league play and Henley still is unbeaten with a 7-0 record. The Honkers are 4-2. Their other loss was a one-point defeat by defending champion Eagle Point.

The shorter Honkers actually out-rebounded the taller Hornets by one, 45-44, according to Lakeview statistician Bob Hunsaker. Rex Hunsaker, school official and former Oregon Tech coach, said that this set a new record for the new Lakeview Gymnasium and that it will stand because there couldn't possibly be any more fans jammed in the gym than there was Friday night.

He also said that the Honkers were not down after this loss which could have gone either way.

## Rogue River '5' Rallies To Beat Trojans, 62-59

The Sacred Heart Trojans had a Rogue League win all but sewed up at Trojan Gym Friday night when the seams tore loose and the Rogue River visitors rallied for a 62-59 victory to put the Trojans in the basement of the league standings.

It was the fifth straight loss for the Trojans in league play and the first victory in six attempts for Rogue River.

The Trojans had a five - point lead in the last period and lost it when a couple of the big guns fouled out with four minutes left in the game. The Trojans had a two-point lead when spark-plug and guard Marv Davis left the contest with five fouls. He was followed shortly thereafter by Dick Miller, the second leading scorer and top rebounder, and the Trojans lost the lead and the game.

The contest was actually lost from the charity line. Both teams had 23 baskets but the Trojans were atrocious at the free line in hitting only 13 of 29 for a horrible 44.8 per cent. The visitors were pretty bad at the foul line also but hit 16 of 29 to win the game. Their percentage was 55.2.

Coach Marv Delplance lost three players because of studies and among them was leading scorer Elmo LeBeau. The other two were valuable men in Chuck Milani and Dick Van Camp.

Pete Krok had his best night of the season in hitting for almost half of the Trojan points with 25 tallies. Miller chipped in with 16 before he left with the fifth foul. Their's were the only two in double figures.

Joe Salter had 11, Shestrom 10 and Powell 12 for the winners. Leading scorer Tom Davidson was held to eight points on a good defensive job by Krok.

The Trojans were behind by two points at the end of the first frame, 16-14. That margin held up through the second quarter as both teams netted 15 points. But Sacred Heart rallied in the third to tie the game up at 48-48 and then took the five-point lead before losing it in the final stanza.

## Bobcats Top Malin In League Action

BLY (Special)—The Bly Bobcats, hampered by an inaccuracy at the gift line and accruing too many fouls themselves, had to hold on to defeat the Malin Mustangs in a tight game here Friday night, 40-39, in Klamath County League competition.

Quiou and Sherm Kalina had 10 each. Johnny Godova was the only Bobcat to hit in the double figure column with 12 points.

The Mustangs had only four players to score with Tom Brown being the fourth with three points. The Bobcats had six hitting five points or more.

The Bobcats were aided by the cold, cold Mustangs who couldn't seem to find the basket with radar in the first half and stayed in the game only by their accuracy at the charity line. The Mustangs collected only two field goals in the entire first half and only nine for the whole game. The other 21 points came at the gift line where they hit 21 of 36 for 58.3 per cent. Bly was the opposite in hitting only eight of 23 from the line for a horrible 34.8 per cent.

Malin won the junior varsity game, 27-24. Score by quarters: Malin — 7 13 14 5—39 Bly — 13 9 12 6—40

TULELAKE (Special)—The McCloud basketball team took advantage of an extremely cold Tulelake team in the first half to edge the Honkers, 48-40, in a Six-Klout County League cage game.

The Honkers, having a terrible first half, hit only seven points in the first half as McCloud took a 25-7 lead. The Honkers then began to find range and fight back with 33 points to McCloud's 23 in the second half. But it wasn't enough.

Jim Owens led the McCloud scoring parade with 22 points and Dan Prumle added 11. Clint Simpson and Mike Todd each connected for 13 for the Honkers.

## D. Jones Issues Warning

NEW YORK (UPI)—Heavyweight contender Doug Jones of New York issued this warning to Cassius Clay today: "Beware of that March 11th sixth round you picked."

Jones, "Mr. Upset" of 1962, and unbeaten young Clay, the "Louisville Lip," have been signed for a 16-round fight at Madison Square Garden, Wednesday, March 13.

Even before the match was closed, 21-year-old Clay predicted a sixth-round knockout over 23-year-old Doug, despite Doug's "bocking seventh-round knockout over high-ranking contender Zora Foley at the Garden, Dec. 15. That kayo was the major ring upset of '62.

Jones, who usually lets his fists talk for him, was spurred to speech today not by Clay's mere forecast for the unlucky 13th day of the month.

"When a man with a weak chin goes against luck by picking a round on the 13th," cautioned Doug, "that same round's liable to come back and hit him right on that same chin and knocked him out."

## Chiloquin Turns Back Rally By Merrill Huskies, 55-50

MERRILL (Special)—The league-leading Chiloquin Panthers remained undefeated in Klamath County League competition here Friday night by fighting off a spirited Merrill quintet, 55-50, for their seventh straight win.

Merrill, the team which has been noted of late with its spirited fourth quarter rallies to pull wins out, couldn't get that rally going in this game and dropped the contest.

It was a close game all the way and a real see-saw battle which saw the score change hands quite often. "We blew up in the last couple of minutes," Coach Jerry Greenovent of Merrill said. "Dave Hill, our post man, fouled out late in the game and that hurt us. But the kids just had a bad fourth quarter," he explained.

## Pel Frosh Mat Team Nails Crater

The other wins were by decision. The one loss suffered was a 6-2 decision by Danny Row to Jerry Blank in the 106-pound division.

## Red-Hot Antlers Halt Grizzlies

BONANZA (Special)—The Bonanza Antlers, hitting one of their hottest shooting streaks of the season, downed the pesky Gilchrist Grizzlies here Friday night in a Klamath County League game, 74-50.

The Antlers had a hot 42 per cent shooting average in the first half and about the same percentage in the second half as they rolled to their fourth league win against three losses. The loss left the Grizzlies with a 3-4 record. The two clubs were tied for third going into the game. Bonanza is in sole possession of third place now behind Merrill and Chiloquin.

The Antlers poured in 22 points in the first quarter to get a 10-point jump on the Grizzlies. They increased that margin in the second quarter by ripping the nets for 17 points while Gilchrist hit for 13. Bonanza led at the intermission, 39-23.

## Bids Offered For TV Rights
