PHOENIX (Special)—The Lakeview Honkers remained right on the heels of league-leading Henley here Friday night when the Honkers took a lack-luster 60-43 decision from the Phoenix Pirates to give them an 8-2 Rogue League record.

The Honkers make more mistakes than usual and didn't have too good a night from the field. But it was enough to take the Pirates with reasonable ease. The Honkers led all the way.

Lakeview was slated to meet Illinois Valley Saturday night and that was one of the big games for the Honkers who might have been looking ahead to that game while playing Phoenix.

# Chiloquin Batters Bobcats, 86-36

CHILOQUIN (Special)—The league-leading Chiloquin Panthers made it 10 Klamath County League victories in a row here Friday night when they slaughtered the Bly Bobcats, 86-36, while using two units.

The Panthers, who have lost only to the state's top ranked Henley Hornets of Class A-2, won their 16th game in 17 outings. Coach Dave Sigado played 10 players and all scored with four getting into the double figure scoring column.

The league leaders simply had too much of everything. They took a first period lead of 23-8 and increased it to 37-19 by intermission. The victors got even better in the second half, hitting 21 in the third period and 23 in the final quarter while Bly could muster only 11 and six.

Tony Wilder led the winners with 16 points while Don Taylor had 14. Oran Miller 12 and Tony DiUlio 11. Greg Harris and Jim Bridge each hit for eight points. The Bobcats failed to get a player in the double figure column. Greg Davis was tops with eight points. Jim Watts had six and Merle Clemens five for the losers.

"I played two units a half a game each and both outfits played real good ball," said Coach Dave Sigado.

# K-City May Get Texans

KANSAS CITY, Mo. (UPI)—Kansas City will be the new home of the American Football League champion Dallas Texans in 1963 if the Chamber of Commerce can sell 25,000 advance tickets. If not, millionaire owner Lamar Hunt says his team will stay in Dallas.

The proposed move got the unanimous blessing of the City Council Friday with approval of Mayor H. Roe Bartle's resolution of intent. It promises to increase the size of Municipal Stadium to 45,500 seats for football.

The resolution also would give the AFL team a seven-year lease on the stadium for \$1 per year for the first two years. The city would receive 5 per cent of the net gate receipts the remaining five years, if the net gate exceeded \$1.1 million. If not, the \$1 per year would be in effect.

# J.D. Morgan Succeeds Johns As AD

LOS ANGELES (UPI)—J. D. Morgan, who has demonstrated his ability as coach of the most successful college tennis team in the nation, will succeed Wilbur Johns as UCLA athletic director July 1.

Announcement of Morgan's appointment was made by Chancellor Franklin D. Murphy after disclosure that Johns, who in less than two decades built UCLA into a major collegiate athletic power, would retire at the close of the school year.

Johnson, associated with UCLA for 38 years since his graduation from the school in 1925, was a central figure in the current controversy between the National Collegiate Athletic Association and Amateur Athletic Union. He was also credited with helping to start the United States Track and Field Federation.

Brown made the statement to a group of students attending the 79th state convention of the California Newspaper Publishers Association.

In a response to a question as to whether he favored abolition of boxing, the Democratic governor said: "Boxing was established by a vote of the people and it would take a vote of the people to abolish it. I think boxing is a horrible sport and I favor its abolition."

ERNEST JONES Globetrotters' Big Man

# Globetrotters On Pelican Court Wednesday

The fabulous Harlem Globetrotters, Clown Princes of basketball, will be at Pelican Court Wednesday night to give the fans a treat. And they will be up against some good competition in the American League All-Stars.

This troupe of 'Trotters will be headed by hilarious J. C. Gipson. The "clown" of the team will be backed up by Connie Hawkins, former Iowa cage star, Ernest Jones, 6-10 center, Ermer Robinson, Albert Sturup, Tony Wilcox and David Hicks.

They will have some tough competition in the American League All-Stars. They are made up of a number of the now defunct circuit's top stars. The ABL folded last Dec. 31. Some of these men formed a traveling team and issued a challenge to the Globetrotters for an extended series of games and was accepted.

Chosen to coach the Stars and also to play as one of their top aces was Ron Sobieszky. He had served in this capacity in ABL play with the Chicago Majors after several years of stardom in the National Basketball League.

He is a former All-American from DePaul University in Chicago. He ranked second only to the great George Mikan in the school's annals. His team has hit the jackpot in working together as a team.

He says this is as good a team as he's ever played on. "They love nothing better than to rounce the Globetrotters," he says. But that is not going to be an easy undertaking. Others on the team are John Turner (Oakland Oaks), Jeff Cohen (Chicago Majors), George Patterson (Chicago Majors), Bob Wilkinson (Oakland Oaks), Roger Taylor (Philadelphia Tapers), Kelly Coleman (Chicago Majors).

But the Globetrotters have their share of the stars. Hawkins was an All-American for Iowa. Jones played for rugged Tennessee State. Gipson, the clown, never played college ball. He was picked right up out of high school in Chicago.

Tickets are on sale at the chamber of commerce, Hal's Sport Shop, and the Coast to Coast Store. Reserved seats are \$1.50. General admission tickets are \$1 and will be sold at the door, beginning at 6 p.m. on the day of the game.

There will also be a good half time show which travels with the Globetrotters. Mike and Carol Pickering will work on the trampoline and Mike Lemay is a Canadian acrobat.

# Henley Rallies To Defeat Scrappy Illinois Valley

CAVE JUNCTION (Special)—The Henley Hornets had to fight back from a first half deficit to down the fighting Illinois Valley Cougars here Friday night, 80-73, for their 16th straight victory of the season and 10th in Rogue League competition.

The state's top ranked Hornets had their troubles with the hot-shooting Cougars most of the game. The local Cougars jumped off to a quick lead and led most of the first half until the Hornets pulled up with them with about two minutes left in the first half. The first half ended in a 35-35 tie.

Henley's towering Hornets led all the way in the second half and had a 12-point lead with about three minutes left in the game when the fiery Cougars applied a full court press and began to pick up foul shots to cut the margin to seven points at the final buzzer.

Illinois Valley shot a little better par with 35 per cent while the Hornets were fairly hot with a fine 45.5 percentage from the field. "They were hitting those outside shots like free throws," said Henley coach Jerry Johnson. "We started coming out to slow the outside shooting down and they got some drives on us for points. The Hornets had the rebounding game, 33-46, with Ken Gooding pulling down 26 and Earl Allbritton 16. Allbritton got most of his on the offensive boards," Johnson said.

The big Gooding, league's scoring leader, upped his average with a great 33-point effort against the Cougars. Not far behind was rugged Mike Beymer with 23 points. Allbritton connected for 11 more.

Illinois Valley was led by little guard Darryl Gellert who always seems to have a hot game against the Hornets. He split the nets for 23 points Friday night. John Baumgardner added 15 and Roger Martin 11 for the losers.

The Cougars vaulted to a 17-14 first period lead, but the Hornets came back in the second period with 21 points to 16 for the Cougars to knot the game at the intermission. With Gooding and Beymer hitting, the Hornets took complete charge in the second half with 23 points in the third to 17 and 17 and 22 points to 21 in the fourth stanza.

LAUSANNE, Switzerland (UPI)—The International Olympic Committee, anxious to parry political infringements on international sports, has formulated a seven-point plan designed for closer cooperation in the 1964 games.

MOSCOW (UPI)—The U. S. National Hockey team, outscored 28-2 in its last two games, believed today that marked improvement would be forthcoming in two weekend games with the Russians.

The Yanks, preparing for the world championships at Stockholm next month, held the Soviet Union to a 12-0 score Friday after bowing to Czechoslovakia in Prague, 16-2, in the first game of their European tour.

"My boys just didn't have their legs," said U. S. Coach Harry Cleverly of Wellesley, Mass. "They waited 24 hours in a Prague airport on a delayed flight. They just weren't in condition."

American players considered the Russian score to be "low" and that the brilliant netminding of goalie Charlie Driscoll of Malden, Mass., had kept Russian rallies to a minimum. The Soviets scored four times in each period. Cleverly called the Russian squad "as good as a pro team."
