SARAKA SOLVES THE PROBLEM OF "AFTER 45" IRREGULARITY

Doctor-approved bulk stimulant helps keep you comfortably on schedule as no ordinary laxative can!

As we grow older, our systems may often need outside aid to help maintain a normal regularity pattern. Continued use of strong drug laxatives can be irritating, even dangerous. That's why many doctors recommend SARAKA, the pure, all-vegetable bulk stimulant laxative for middle age and over. SARAKA supplies the moist, bland bulk that is so essential to healthy bowel function. And only SARAKA has a gentle stimulant action to help ease this bulk through your system plus Vitamin B₁.

Special note to weight watchers: Lack of sufficient bulk in 900 calorie liquids can lead to constipation. If this occurs, supplement your daily diet with all-vegetable SARAKA.
