AN ELEGANT WAY — For Valentine's Day, or any day of the year, Cherry Bombe says, "You're someone special." Make in a whisk and serve it with pride.

ROMANTIC PUNCH — Valentine's Day is a warm spot in February with its bright red hearts and cupids. Should you be planning a Valentine party, here is a quick punch that can be prepared at the last moment. It is "Lover's Knot Punch, made with colorful pink Rose wine, apple and lemon juices and orange soda to taste. It is fruity and delicious. For an attractive centerpiece, float a heart-shaped block of ice in the punch bowl made by freezing water in a heart-shaped mold. Cherry tomatoes are known as "love apples."

**Really Good**  
For a late morning breakfast or brunch, serve toasted English muffins topped with slices of Canadian bacon and creamy scrambled eggs. Criss-cross with slices of luscious California avocado.

**CORN-AVOCADO SALAD**  
Assemble a handsome winter salad quickly. Drain whole kernel corn mix with a little instant minced onion, chili powder and salt and pepper to taste, and spoon into California avocado halves. Garnish with strips of pimiento for a dish that captures the feel of Mexico.

**Try Parsley Flakes in Biscuits**  
Add a teaspoon or so to the dry ingredients when making biscuits. Be sure they're Crescent Family Flakes — chosen for perfect appearance and packed for garden fresh flavor in "light" 1 1/2 oz. jars and irregular 1/2 oz. tin.

## A Royal Dessert

Ice cream and cake were never teamed more delectably or glamorously than in Cherry Bombe. Here is a dessert that requires no introduction. It fairly speaks for itself in glamour and taste appeal. A list of the ingredients alone is sufficient to whet the most discerning appetites. Molded and decorated to fit the occasion, it becomes even more attractive when served. A slice removed reveals the cherry, walnut and sherry-flavored sponge cake filling. For special occasions, Cherry Bombe is an undeniably superb dessert.

Ice cream desserts can easily be fashioned to complement any menu plan. The versatility and convenience of this wholesome dairy product make it a wise

choice for dessert. Important food nutrients as well as good eating pleasure are yours when you serve ice cream.

## Exciting Flavor

A pinch of dill weed and a beef bouillon cube give tender canned blue lake green beans an exciting flavor. Drain off most of liquid after heating beans and stir in a heaping spoonful of dairy sour cream.

cream. Work quickly to avoid melting ice cream. Freeze until firm. Place cake strips over ice cream, pack firmly. Combine cherry syrup and sherry extract and pour over cake.
