penditure of the NATO alliance was about \$73 billion, of which the U.S. contributed a little over \$54 billion. These figures show very clearly the immense size of the American effort, which makes the contributions of the rest of us seem puny by comparison.

every dollar spent last year by NATO (North Atlantic Treaty Or ganization), whose basic pur-pose is the defense of Western Europe, the United States contrib uted 74 cents.

If that isn't generous, there is no such thing in the world a

Let's pat ourselves on the back

After the end of World War II Western Europe was a shambles Its great cities were masses of rubble. The soil of the U.S.A. was practically untouched. Recognizing this fact, the United States made the most generous offer ever made in the history of the world. It said to its comrades in arm in Western Europe:

"You have borne the bulk of the physical damage resulting fact, we will supply the bulk of the funds necessary for you physical rebuilding.

Marshall Plan.

Betancourt Visits U.S.

tion in Latin America, arrives in Washington today for two days of

where he received the biggest, warmest welcome Puerto Rico . ever accorded a foreign visitor.

From Andrews, Betancourt was to be flown in a helicopter to the White House where the President and Mrs. Kennedy will welcome him, his wife, daughter and official committee.

The two presidents and their wives then will lead a sevenblock parade from the White House to Blair House, where the Betancourts will stay. The White House said Kennedy added the parade to the reception to "demastrate his high regards" for Betancourt

After a lunch given by Secretary of State Dean Rusk, Betancourt will return to the White House for the first of two private sessions with Kennedy. Tonight Betancourt will be honored at a White House banquet.

Sources close to the Venezuelan chief executive said he will probase for the Alliance for Progress, as well as discuss means of Castro in Latin America. mission.

Powell Cash Faces Knife

WASHINGTON (UPI) - Rep. Adam Clayton Powell faced a cool jury of his congressional peers today in an appeal for nearly \$700,000 to run his House Education and Labor Committee for the next two years.

The veteran New York Democrat was the last House com toe chairmen to present his 193-84 budget at a closed meeting of the House administration accounts subcommittee. His appearance was set for 2 p.m., EST.

Powell's request for \$697,000 seems sure to be cut, probably by \$200,000 or more. But the controversial Negro congressman may not be the only House committee chairman whose purse will be lightened this year by the ised accounts subcon
