8 YEARS...Same Management—Same Outstanding Service—Same Goal

### ☆ MANAGEMENT ☆

August 1963 will mark 8 years of service to stockmen and farmers, large and small. The same management working on your behalf to secure the best price for your livestock! Many firsts have been set in this area by KLAMATH STOCKMEN'S COMMISSION CO., INC.

FIRST to set the new low commission rates you now enjoy.

FIRST to direct mail a complete market letter to buyers and sellers.

FIRST to be completely bonded and licensed by the Packers and Stockyard branch of U.S.D.A.

FIRST to be a member and uphold the principles of the Livestock Auctions Market Association.

FIRST in individual consignments.

### ☆ SERVICE ☆

KLAMATH STOCKMEN'S SERVICE AND FACILITIES HAVE ALWAYS BEEN THE BEST FOR THE PROTECTION AND EASY HANDLING OF YOUR LIVESTOCK. The covered corrals, cement pens, and sanitary feeding and watering facilities aid in making your livestock more marketable. The hog pens have been noted to be the cleanest in this part of the state. ### ☆ GOAL ☆

KLAMATH STOCKMEN'S HAS NEVER LOST SIGHT OF THE REASON FOR ITS ESTABLISHMENT — TO SELL YOUR LIVESTOCK NOT TO COMPETE WITH YOU! This market is here to sell your livestock, not to sell our own livestock. This is indicated by consignors who bring their livestock to KLAMATH STOCKMEN'S Tuesday after Tuesday! There have been as high as 111 individual consignors to one sale!
