

Safeway...

your partner in the progress of the Basin!

Continued growth and progress in the Klamath Basin and the entire state of Oregon is important to Safeway. With two big modern stores, one opened just a little over a year ago, serving the community, Safeway has a big stake in the Basin, and faith in the future of the Klamath area.

Safeway's local taxes, local payroll, and continued support of community projects and youth activities such as 4H and F.F.A. all contribute to our partnership in the progress of the Klamath Basin.
