

ONE OF 50 BOOTHS — This is just one of the 50 booths that were entered in the Home Show last year. Displays will again be featured from 50 merchants on the newest in home products. This display was by the Klamath Brick and Tile Company, one of the exhibitors this year also.

All The Latest In Home Supplies At Home Show Display

Everything from building materials to the latest word in home furnishings will be on display this weekend in special booths at the Klamath County Fairgrounds Exhibit Building during the annual presentation of the Home Show. Sponsored by the Klamath Falls Kiwanis Club, the Home Show is a three-day affair that enables

home owners of the area to examine and inquire about articles for the home. Many local merchants will have their very latest models on display and will have their booth manned so that inquiries can be answered.

Plans also call for special prizes to be awarded during the show as well as individual features at some of the booths.

The Home Show has grown from its initial showing and annually several thousand persons take advantage of this opportunity to examine all that's new for their home.

The Kiwanis Club which sponsors and mans the three-day show thus finances the operation of its Youth Foundation Fund which features such projects as park building endeavours.

Current biggest project of the Kiwanis Club is to build comfort stations for the newly opened Kit Carson Kiwanis Park located adjacent to Kit Carson Way along the right-of-way at the north entrance. This new park was dedicated in late 1962 and has been equipped with playground equipment, tennis courts and other features.

The addition of the rest room structure will complete development of the Kiwanis portion of the park which is now operated by the city.

While there is no charge for admission to the home show,

proceeds from charges levied against merchants for booth space go to swell the youth work funds of the Kiwanis Club. Plans call for the Home Show to open at noon Friday and re-

main open until 9 p.m. The same hours are in effect for Saturday and on Sunday, the hours will be noon to 6 p.m. Fred Ehlers again is serving as general chairman for the Home Kiwanis Club.

Grenfell Case Testimony Set

PORTLAND (UPI) — The state called more witnesses today in the trial of former State Sen. William Grenfell Jr. on a charge of failing to remain at the scene of an accident last October.

Fifteen witnesses were called Tuesday and Deputy Dist. Atty. Robert Christ said he expected to call a total of 44. He predicted the trial would last four or five days.

Circuit Judge Virgil Langtry Tuesday denied motions for dismissal of the charge.

CHEAPSKATE

LONDON (UPI) — Mrs. Hazel Hilmo got a divorce on grounds of cruelty Tuesday after she testified her husband was so cheap he expected her to wear his former girlfriend's old clothes.
