

Henley Hornets Meet Douglas In District Tourney First Round

Smith, Anderson, Nash Receive All-OCC Honors

PORTLAND — Senior Sammy Smith of Oregon Technical Institute, a three-time Oregon Collegiate Conference scoring champion, was named to the all-conference basketball team for the third consecutive year and was one of two repeaters from the 1962 select team, it was revealed by a vote of conference coaches this week.

Southern Oregon College's Dave Hughes was the other repeater. Two other members of the championship Oregon Tech team besides Smith, Willie Anderson, runnerup to Smith in the conference scoring race, was a unanimous choice along with Hughes, and Hewlett Nash jumped from a second team berth in '62 to the first team this season.

Bob Myers of Eastern Oregon was elevated from last year's second squad to the first unit. Darrell Brandt of Oregon College of Education completed the six-man first team, resulting from a deadlock between Nash and Brandt for the fifth position.

OCE's Steve Rankin and Jerry Shults of Southern Oregon were second team choices for the second straight year. Toby Wolf of OCE also won a second team berth. He was a first team choice in 1962. The other second team stars went to Portland State freshman John Nelson and Eastern Oregon sophomore George Wachter.

Four seniors and two juniors comprised the first unit. Smith, Myers, Nash and Hughes are fourth year men while Anderson and Brandt have another year of competition.

The 1963 all-star team has height and scoring ability. Smith is 6-6, Anderson 6-4 and Hughes, 6-2, Nash 6-0 and Myers and Brandt 5-10. The team carries a composite average of 18.7 points per man. Through the conference season they have averaged this way: Smith 22.5, Anderson 21.1, Myers 19.6, Hughes 18.7, Brandt, 16.0, and Nash 14.8. The highest scoring starting five would be theoretically average 97.9 points a game.

Smith and Anderson, not to mention Oregon Tech as a team, ran away from most of the records this season. Smith, in addition to being named to the All-Star team for the third straight time, also led the conference in scoring for the third straight time and broke his own record with 977 points in three seasons.

However, he lost the rebound title which he had held for two years, to teammate Willie Anderson. The two were so far ahead of the pack in this category that they battled just among themselves. Anderson grabbed 244 in conference play to 239 for Smith. Anderson was second to Smith's 390 points in scoring with 338 markers.

OTI established a team record by winning the most league games (13-1) and set a new OCC mark in scoring with an 86.3 average per outing. The Owls also set a new field goal record with 561.

Norman Johns and Van Zitek, who could easily have been named to the first two units also, were named honorable mentions.

Hornets Favored In 6 A-2 Playoff

ASHLAND — The state's top-ranked and only undefeated team, the Henley Hornets, will be in Southern Oregon College's Gym here tonight to take on Douglas, second place winner in the Umpqua League, in the first game of the 6 A-2 district playoffs.

Eagle Point and Myrtle Creek clash in the other game. The two winners play Saturday night for the right to go to the state tournament March 18-19-20 in Coos Bay.

This is a must for the Hornets. One loss in this tournament and it's goodbye to the state tournament. The Hornets must win both games to get into the state playoffs. And this will not be an easy chore.

Douglas is the Umpqua League's second place team. The first place team, Myrtle Creek, takes on the Rogue League's second place Eagle Point Eagles.

The Hornets are the only unbeaten team in the state and have had a long layoff. It could hurt and then again, it could help. Coach Jerry Johnson has scouted the Douglas Trojans once and really doesn't know too much about the opponent. "They could be the best team in that league over there. They beat Myrtle Creek once. They have a couple of very good guards in Walker and Withers. They have four boys which are about even in scoring and they like to run. They like to run the fast break, but I don't know if they will try to run against us or not, we'll just have to wait and see," he stated.

Coach Johnson will go with his usual starting five. He will have one of the state's tallest players and top scorers at center in 6-8 Kent Gooding. Gooding has a 24.5 average for league play and a 22.6 mark for the season. Mike Beymer and Earl Allbritton will open at the forward slots.

Beymer, at 6-2, is the second leading scorer with 233 points and a 14.1 average. Allbritton, a rebounding 6-3 forward, has tallied 241 points for a 12.0 average. Gooding is averaging 17.7 rebounds per game and Allbritton 11.3 per outing.

The guards will be 5-8 Levoy Young and 5-11 Steve Reiling. Young has 127 points for a 6.3 mean and is a fine passer and ball handler. Reiling has only a 4.5 average but is a team leader.

The other Hornets making the trip and who might see action, depending upon the game situations, are Tom Sanders and Charley Thompson, the two top substitutes, Steve Rand, Elton Schiro, Terry Bellby, Bob Lewis and Dick Johnson.

The Hornets are averaging 69.7 points per game through the 20 games this season, a fine mark for a high school team. They have averaged 48.6 rebounds per outing.
