Diamonds Good Suit

By OSWALD JACOBY
Written for
Newspaper Enterprise Assn.

A quick count of my losing tricks showed that I might lose five tricks. There was a possible trump loser if the trumps broke 4-0, but there was a play to guard against that. All I had to do was to be sure that when I started to draw trumps I played the king or queen from my hand first. Then if someone showed out I would have a proven finesse against the jack, wherever it might be.

After taking the first trick with the king of hearts I laid down my king of spades. When both opponents followed I drew the rest of the trumps with two more leads and continued by cashing dummy's ace of hearts and ruffing the last heart.

I had a finesse available for the queen of clubs, but if I took it and lost, a club would come back and I would have to attack the diamond suit myself.

There was a better play available. I cashed the ace and king of clubs and led a third club. East was in with the queen, but it would not have mattered if West had taken the trick.

East had to give me a ruff and a discard or lead a diamond. If he led a diamond there would be no way for me to lose more than two diamond tricks, thus I had insured my contract by eliminating spades from the East and West hands and hearts and clubs from my hand and dummy.

Scholarship Contest Set For Klamath

High school students who will graduate this spring from schools in the Klamath area have the opportunity to apply for the \$500 Step to Knowledge Scholarship, sponsored by O.N.C. Motor Freight System, according to an announcement by the company's manager, Al Lynch, Klamath Falls.

"The program is open to graduating students in over 200 schools throughout California, Nevada, Oregon and Washington and will award 35 students, who plan to attend a college or university next fall, with \$500 scholarship grants," Lynch said.

Complete information and applications for students in this area are in the hands of the principals at the participating schools. The winning student will be selected by a judging committee comprised of local businessmen with Ray Hunsaker, Klamath Falls superintendent of schools, as chairman.

Applications will be judged on scholastic standing and achievement, extra curricular activities and educational aptitude.

All applications must be submitted to the principal of the applicant's high school by May 1, 1963. The \$500 educational grant will be made through O.N.C.'s terminal at Klamath Falls.

Carroll J. Roush, president of O.N.C., said, "1963 is the fifth year for the Step to Knowledge Scholarship Program and we are extremely pleased to be able to offer this educational assistance to young people just starting their college educations.

"We feel the security of the nation's future lies with today's youth, who are able to utilize our vast educational facilities. Private enterprise makes a sound investment in giving every encouragement to students wanting to attain higher educational levels," he said.

M. B. Jones Leaves GN

M. B. Jones, 338 Hillside Avenue, retired recently after 46 years of service with the Great Northern Railway. He began with the line May 17, 1912, at Cloverdale, B.C.

Jones, born in Sheldon, Mo., in October 1895, progressed to telegraph operator at Tonga, Wash., in June, 1913, and worked at various stations and positions on the Great Northern until April 10, 1927, when he was promoted to train dispatcher in Seattle.

In September, 1927, Jones gave up his position to return to the line to work as a telegraph operator and ticket clerk at New Westminster, B.C., where he remained until he left the GN on Nov. 23, 1937.

On Oct. 9, 1942, Jones returned to the Great Northern as an extra telegraph operator at Bieber, Calif., where he served until Dec. 21, 1943, when he was promoted to train dispatcher in Klamath Falls.

He served in that position until his retirement, effective Jan. 27, 1963.

Mr. and Mrs. Jones will make their home at 1328 Palm Avenue, Martinez, Calif., where they have children. Jones plans to spend much of his time watching baseball and trying new fishing holes.

The Joneses will also spend time traveling and visiting other children and grandchildren.

Expansion Of ROTC In High School Draws Support From Congressmen

WASHINGTON (UPI)—A group of congressmen was ready to appear before a House armed services subcommittee today to support a proposed expansion of the high school ROTC program.

Defense Secretary Robert S. McNamara had announced the end of the program last summer, but agreed Wednesday to continue it for another year while a study is made.

Rep. Alton Lennon, D-N.C., told the subcommittee in prepared testimony today that he was "shocked" by McNamara's original decision.

Speaking for the 11-member North Carolina congressional delegation, Lennon said that "in this era when one of our major problems is the conduct of our youth, any program which promotes responsible behaviour should... be preserved."

Also to appear at subcommittee hearings were six other representatives from six different states.

Chairman F. Edward Hebert, D-La., has proposed expanding the junior ROTC to half a million youths in 2,000 high schools. At present, there are 255 high school ROTC units with 60,000 students taking Army training in the program.

Other congressional news: Budget: The chairman of the Senate Banking Committee, a step ahead of House Republicans, presented specific details on how to cut at least \$5 billion from President Kennedy's budget. Sen. A. Willis Robertson, D-Va., in a prepared Senate speech, said he would slash \$4.6 billion from non-

VARIETY SHOW DANCERS — This quartet will be among the many variety acts that will be featured at the Kingsley Field Hospital Benefit Variety Show which will be presented Sunday, March 10, at 7:30 p.m. in the Base Theatre. Twelve acts will be presented featuring pantomimes, vocalists, dance routines, comedy acts and a surprise act by Base Commander Colonel Ed Witzemberger. The four flappers, left to right, are Mrs. Johnna Nixon, Mrs. Carolyn Gray, Mrs. Ann Brown and Mrs. Betty Trumpher of the Airmen's Wives Club. Eddie Butler from the Winema will play organ and Staff Breed, KUHS student, will play drums.

Trucker Law Hearing Slated

SALEM (UPI)—A hearing for a Lakeview trucker charged with violating public utility commission regulations will be held at the Lake County Courthouse March 20.

The charges, filed by Commissioner James C. Hill, concern the alleged trucking activity of Myron A. Hannagan, owner of Southern Oregon Transportation in Lakeview.

Hill charged that Hannagan, prior to the time he was granted a state PUC permit, made 12 hauls of heavy equipment and livestock for shippers in the Paisley-Silver Lake region.

Hill is asking the maximum penalty, \$100 per count, for a total of \$1,200.

Hunters in Ohio rarely found bears and wolves there after 1825.

Democratic senator and Republican congressman Sen. Thomas J. Dodd, D-Conn., called administration arguments for the test ban a "blend of defeatism, groundless idealism, and blind trust of the Soviet Union."

Rep. Craig Hosmer, Calif., a top-ranking Republican House member of the Joint Atomic Energy Committee, said a halt in U.S. nuclear testing would hamper development of "clean" tactical nuclear weapons. He said they were more important to this country than to Russia.

Brush Control Program Slated For Lake County

LAKEVIEW—A total of 40,540 acres make up an area to be included in a brush control program planned for this spring by the Bureau of Land Management, according to George Lea, district manager. This will be the largest spraying program ever to be accomplished in the district, Lea said.

The program in this district includes seven projects. In the South Warner grazing unit are Hill Camp with 13,000 acres; Calderwood Project, 4,000 acres; Sandy Project, 2,500 acres and School Lake, 1,240 acres. In the Christmas Lake unit are Horse Mountain with 2,340 acres; Beim project, 13,100 acres; and Abert (burned over area), 4,300 acres.

The purpose of the spraying is to eliminate the grasshopper in order to release the grasses that remain and increase their productivity. It is expected to triple the grazing capacity. In the areas devoid of any vegetation, dried wheat grass seed will be crested so there will be no disturbance by plowing and probable wind erosion.

The bids will be opened in Portland on March 18 at 2 p.m. Anyone wishing further information can contact the BLM office in Lakeview. Bids can be made on other Oregon projects at the same time, including spraying in Baker, Burns, and Vale districts, and the Susanville, Calif., district.

LUXURY CAR: RIDES, RESPONDS AND LOOKS LIKE IT OUGHT TO COST A RANSOM

You're looking at our Impala Super Sport Convertible which, along with its cousin the Sport Coupe, absolutely embarrasses higher priced cars. That special trim and those front bucket seats merely hint at the comforts you find in every Impala SS.

Performance? It's remarkable, an understatement we can afford when there are 7 engines to choose from. One of which is the popular 340-hp Turbo-Fire 409*, a wizard in traffic and a joy on the open road. And others all the way up to 425 hp*.

If you want an extra flourish or two, mull over extra-cost options like floor-shift four-speed manual or Powerglide transmission, Positraction rear axle for better road adhesion, fade-resistant sintered-metallic brake linings, and a tachometer to relay what's cooking up front.

Just before you rush off to your Chevrolet dealer, may we remind you that both Impala Super Sports offer the new Comfortilt steering wheel*. You adjust it to suit your driving style, flick it out of the way for easy entry and exit.

All three Chevrolet series—Biscayne, Bel Air and Impala—deserve a long look. Super Sports almost demand it.

Super Sport equipment* available on both Impala Convertible and Sport Coupe. *Optional at extra cost.

Conference Scheduled On Business

ALTURAS — Myles A. Tracy and Paul Hersey, division of business, Chico State College, will be the discussion leaders at the Current Business Problems Conference to be held in Alturas March 29. The conference, co-sponsored by the Modoc Chamber of Commerce and Chico State College, will bring together businessmen of the Modoc County area and business experts from the college.

A. F. Van Horn, Modoc Chamber of Commerce manager, emphasized that all businessmen in the county are invited to attend the conference and benefit from the exchange of business ideas.

The conference will start at 4 p.m. Friday afternoon. The afternoon meetings will be held in the social hall of Modoc Union High School. Topics for discussion will be "What Businessmen Need to Know About Money," and "Differences Between Successful and Unsuccessful Businessmen."

The dinner meeting will start at 6 p.m. in the Niles Hotel Rose Room. Paul Hersey will speak on "Person to Person and You," followed by an open forum with all discussion leaders and guests participating.

Rummage Sale

Jobs Daughters, Bethel 61, will hold a rummage sale, Friday and Saturday, March 15 and 16 at Clyde's Towing Service, 734 Klamath Avenue.

Anyone wishing to donate rummage may call Mrs. Kitty Hanville at TU 4-6857 or TU 4-9889, for pickup.
