

# Henley Overpowers Douglas In District Tourney

## Gooding Hits 24 In 71-46 Triumph

By JERRY WAGGONER  
Herald and News Sports Editor

The high-powered Henley Hornets displayed their Class A-2 top ranked form in the Southern Oregon College gym Friday night when they slaughtered the scrappy Douglas Trojans 71-46 in the first round of the district 6-A-2 basketball tournament.

The Hornets met Eagle Point in the final Saturday night with the winner gaining the state tournament berth March 18-19-20 at Coos Bay.

The state's top ranked Hornets showed the poise which has helped them through 29 straight victories this season. They needed that poise Saturday night against the Eagles.

The Eagles downed Umpqua League champion Myrtle Creek in a lackluster game 49-42.

It was a case of too much of everything Friday night. The Hornets pulled down an amazing 74 rebounds to only 36 for the losers. Henley fired 72 times and connected on 27 of those attempts for a .375 mark.

The Trojans could hit on only 17 of 75 shots for a .226 per cent.

The score could have climbed much higher than it did. Coach Jerry Johnson had substitutes in the game during the second quarter, but he also turned them off and passed to Earl Allbritton in the third period when the Henley forward got most of his 19 points.

When the defense sagged on Gooding, he fed Allbritton all alone under the basket.

Gooding played about half of the game. He came out in the early moments of the second period with a pain in his side after scoring eight points in the first period. He and Allbritton were the only two Hornets in double figures. Mike Beymer hit eight points and Steve Reiling and Tom Sanders had six each.

There was only one bright spot for the Trojans. That came in the person of guard Archie Walker who repeatedly pierced the Hornets defenses with his radar-guided jump shot from the top of the key for 22 points, almost half the Trojans total.

The Trojans kept sending one guard off the post, pulling the Henley defender out of position and leaving Walker open for the jumper, and he was deadly.

The game was never even tied. The Hornets had it all the way after Beymer sent them off and winging on a pair of free throws and a basket, all in the first 20 seconds of the game.

With Walker hitting well in the opening quarter, the Trojans were still in the game as the quarter came to a close with Henley leading by eight points at 19-11.

The second period was much

## State Gets Go-Ahead On Tourney

JACKSON (UPI) — Seventh-ranked Mississippi State was given the go-ahead Saturday to participate in the NCAA basketball tournament after a hot controversy over the team competing against Negro players.

The state College Board, which governs all state-supported schools, voted 8-3 to abandon the state's long-standing policy of prohibiting participation against teams with Negro athletes.

The Bulldogs, Southeastern Conference champion and winner of 21 of 26 games this season, will enter the NCAA regional play-off at East Lansing, Mich., March 15. It was considered likely the Mississippi team would meet Loyola, a team with four Negroes in its starting lineup, as its first opponent.

The action upheld State President D. W. Colvard's decision last week to send the team unless vetoed by "competent authority" and apparently went against the wishes of Mississippi's staunch segregationist, Gov. Ross Barnett.

Some members of the Legislature threatened to cut the university's appropriation if the Bulldogs disregarded the "unwritten law" against playing teams with Negro players.

SEC runnerup Georgia Tech would have represented the conference in the playoffs if the board had reversed Colvard's decision to send Coach Babe McCarthy's Bulldogs to East Lansing.

Mississippi State, SEC champs in 1959, 1961 and 1962, had to turn down NCAA participation each time because of the state policy forbidding integrated athletics.

the same as the first with Gooding slipping five points through the net before leaving with a pain in his side.

Reiling made all of his six points in that period to help carry the load. The Hornets had the game well in hand at the halftime intermission with a 36-22 lead.

Henley had its finest period in the third stanza, scoring 20 points to take a 56-32 lead into the final quarter. Gooding had his long hook shot in fine form as he pumped in 11 points in that period.

That was also the frame when Allbritton got so hot with the help of Gooding's passes under the bucket.

The subs took complete charge in the fourth and didn't score too much, but their defense was good enough to keep the Trojans from scoring too many, and the Douglas crew by this time was desperate and taking shots from virtually any point on their end of the court.

The Hornets reserves were doing a fine job of rebounding with Elton Schiro, Terry Beilby and Sanders leading the way.

It wasn't an exciting game, but the many fans expressed their enjoyment on the fine shooting and rebounding of the Hornets, and there were plenty of fans.

The SOC gym was packed to overflowing with the inbound marker lined with spectators both standing and sitting.

Coach Jerry Johnson was extremely happy with his charges and just had hopes that they could continue to play as well.

The only Yank to go the 10-round distance was light-heavyweight Chuck Garrett of Chicago, but he lost the decision to Piero Del Papa.

**UP AND IN** — Earl Allbritton, Henley, pours in two points from underneath as the Hornets rolled to an easy triumph over Douglas in one of the two semifinal games in the A-2 District meet at Ashland Friday night. As Allbritton counts two, teammate Elton Schiro (34) moves up at far left, while Douglas defenders, Ron Stobbe (25) and Robert Trimble (41) hope he misses. He didn't.

## Milanovich Tops State For First Henley Title

CHUCK MILANOVICH, Henley's 148-pound wrestler, last weekend became the first state wrestling champion ever at the Henley High last weekend when he won four straight matches to top the A-2 wrestling field in his weight bracket at the state meet. Milanovich has an 18-2 record for the season and has lettered four years in the sport at Henley.

Milanovich was chosen the most inspirational wrestler by his teammates.

"I think Henley wrestling has progressed a long way this year," said Creed. "We are gradually getting stronger and should be a state contender in the near future. We have a fine sophomore group this year and the freshmen also made a good showing. We can look forward to some fine years in wrestling at Henley," Creed stated.

## Merrill, Paisley Victorious In B-District Cage Playoffs

By DICK BRIGGS

An inspired Paisley team, predicted to finish no better than third in the district 5-B tournament, brushed off another of the pre-tourney favorites Friday by overcoming a seven-point deficit in the last six minutes of the final quarter to dispose of Chiloquin, 59-51, on the OTI hardwoods.

The second upset in as many nights for the Paisley Broncos moved them into the final round of the tournament against Merrill, which easily waylaid Bonanza, 48-37, in another semifinal game.

Paisley, 55-46 upset victor over Gilchrist in a quarterfinal game, became the Cinderella team of the tourney after overcoming the pressure applied by a persevering Chiloquin team and the sentiments of a local crowd.

The alert and spunky Lake County squad, representing a high school of less than 50 students, captured the favor of a host of neutral fans as it battled the highly touted Panthers on even terms most of the evening; before the setto had ended, some of the fans who had come to cheer for Chiloquin redirected their allegiance to the Broncos.

The contest gave indications of becoming a thriller after the opening tip-off when the Broncos scored first and stayed ahead until they relinquished the lead, 9-8, with two minutes left in the opening period.

The winners went ahead at the end of the first rest period, 16-12, on field goals by Dell Swearingen, guard; Dave Brattain, forward; and two charity throws by Dick Bradbury, forward, all tallied within the final minutes of the quarter.

Chiloquin tied the count at halftime, 26-26, and fell one point behind at the next rest period, 41-40.

During the 32 minutes of action, the score was either tied or the lead changed hands a total of 24 times.

The teams exchanged the lead 10 times in the first half with the Panthers Greg Harris, forward, tallying 12 markers and his teammate, Don Taylor, guard, adding seven more. During the two periods, the Broncos were paced by Swearingen, with nine points, and Bradbury, who hit for seven.

The Broncos' Brattain, who nested 16 markers in the final half, was the game's high point man with 21, followed by his teammate, Bradbury, and the Panthers' Taylor, each with 19.

After trailing 16-12 in the first quarter, the Panthers began slowly chipping away at the Broncos advantage to finally equalize the count at 26-all by halftime. In the opening part of the third stanza, Chiloquin continued to maintain its superiority of the second

quarter, boosting its lead to seven points, 40-33. But within the following two minutes, the visitors moved ahead, 41-40, with Brattain netting four points, Bradbury contributing two, and Swearingen adding two more.

In the outset of the fourth period, Taylor tanked six of nine Panther tallies to push his team back into a seven-point advantage, 49-42, but from then on the scales tipped toward the Paisley club.

Within a minute Bradbury and Brattain each scored a field goal and free throw and Dale Emery, center, added a charity toss to knot the count at 49-49.

Moments later Bradbury, standing under the Chiloquin basket, took the ball away from a Panther attempting to pass downcourt and whirled around to mesh an easy layin. The Panther miscue put Paisley ahead, 51-49, and the visitors stayed in control during the final three minutes of the contest.

Chiloquin tallied 21 field goals to 19 for Paisley, but lost the skirmish on the free throw line, where they were outscored, 21-9.

In the preliminary game, Merrill's Ken Smith, guard, won high point honors with 21 during the Huskies were never headed. Merrill led 17-8 at the first rest period and boosted its lead during the second and third quarters, 33-20.

Ricky Steber was high scorer for Bonanza with 10. Two Merrill players other than Smith, scored in double figures, including Dave Hill, 12, and Dale Kurtz, 10.

## Final Four Berths Up In NCAA Tourney Play

By United Press International

Princeton and Tennessee Tech are the latest entries in the NCAA college basketball championships and the final four berths should be settled by tonight's day.

Also expected today is a decision from the Mississippi State board of trustees as to whether the Maroons will be permitted to play in the post-season tournament despite the "unwritten" law that has prevented a state school from competing against Negroes. Should Mississippi State be barred from play, Georgia Tech will go in its place.

Princeton whipped Yale in an Ivy League playoff game, 65-53, in New York Friday night and will meet St. Joseph's in an NCAA first round game at Philadelphia on Monday and Tennessee Tech won the Ohio Valley Conference crown by stopping Morehead State, 80-68, and earned the right to meet Loyola of Chicago at Evanston, Ill., on Monday.

**UCLA Upsets Stanford**

Stanford could have clinched the Big Six title and an NCAA berth but was upset by UCLA, 64-54, at Los Angeles. The Indians still can make it, though, if they beat Southern California tonight or if UCLA loses to California.

The situation regarding the other three berths is as follows: —Ohio State can clinch the Big Ten title and a spot in the NCAA if it beats Indiana today or if Illinois loses to Iowa. But if the Buckeyes lose and the Illini win, Illinois gets the nod since Ohio State represented the conference last year.

—Colorado can tie Kansas State for the Big Eight championship

**WHERE IS IT?** — Everyone was looking everywhere except where the ball actually was in this shot of action in the Friday night Merrill-Bonanza clash in the B-District Tournament in the OTI gym. Neil Tofell, Bonanza, on the floor, has the ball closely guarded. Left to right, Monte Burnett, Bonanza, Dave Hill, Merrill, Eddie Simmons, Bonanza, Bob Moore and Larry Conners, Merrill. Merrill won, and moved into the finals against Paisley.

## College Cagers Launch 4 Major Tournaments

By NORMAN MILLER  
UPI Sports Writer

College basketball started its annual post-season dribble derby this weekend with four major tournaments that will decide champions, large, small and independent.
