Marble top tables—truly the *last word* in elegance. All have hand-rubbed finishes, solid hardwood construction and antiqued brass accents. And what magnificent beige marble! Imported from Portugal and hand polished to a warm luster. See the Traditional group in glowing mahogany veneers; provincial in cherry veneers with fruitwood finish. Many styles.

Chairs so luxuriously styled and so low priced that you'll want to pick a pair. Choose from lovely Traditionals, French Provincial or modern Serofoam* padded swivel rockers. All superbly crafted! Hardwood frames, sagless spring bases, fine fabrics (even costly nylons). Colors galore—come see!
