

JUNIOR GIRLS COP SECOND IN STATE — This winsome fivesome of Klamath Falls junior girl bowlers captured second place in the State Junior Bowling Tournament last weekend in Portland. From left to right are Merlene Hanscam, Linda Brooks, Dianne Knopasek, Linda Robinson and Linda Warren.

SENIOR GIRLS SECOND PLACE TEAM — These five Klamath Falls girls copped second place in the State Bowling Tournament last weekend in Portland in the senior girls team event. From left to right they are Cheryl Jack, Reda Jack, Julie McCollum, Julie Phillip and Charlene McNoise.

Oregon Game Commission Reports Deer Kill Down From '61 Season

Big game hunters reported taking just over 129,000 deer and almost 10,200 elk during the big season of 1962.

This is the report from Phil Schneider, state game director, following final tabulation of the Oregon Game Commission.

According to Schneider, the total take of deer for 1962 was down about 24,000 animals from the record 164,000 animals reported taken by hunters in 1961, but was still the fourth highest kill of deer on record. Although the elk kill was down about 2,000 animals from the record take of animals last year, the 1962 elk season was also one of the best reported.

Schneider said that according to tag sales, just over 253,800 hunters went after deer last year and reported in with 33 per cent hunter success, compared to 62 per cent hunter success in 1961. Negatively, Schneider pointed out, approximately 124,000 hunters who went after deer last year were unsuccessful in their efforts.

Hunters reported taking more than 92,000 black-tailed deer and almost 76,800 mule deer. Of the total, 92,000 were bucks and 46,800 were does. The general season produced 131,600 deer, while just over 8,000 animals were taken during the controlled hunts. General season success as reported by hunters was right at 50 per cent.

Total number of elk hunters last year was almost 33,000. Schneider continued, who reported 19 per cent hunter success, comparable to elk hunting success of previous years.

Schneider said that the general season data is obtained from a random survey of hunters, which according to statisticians is accurate within plus or minus one per cent. Controlled season data is obtained from return cards only and represents a minimum kill.

A complete breakdown of the kill by game management units is not yet available, Schneider said, but this information should be complete within a week or two.

Idaho's Mooney Knee Operation In Pan-Am Suit

MOSCOW, Idaho (UPI) — University of Idaho baseball star Dick Mooney will play second base for the United States in the Pan-American Games at Sao Paulo, Brazil, next month.

Mooney is still attending the university here after hitting .362 and being named all Northern Division shortstop in his final collegiate season last spring.

He was notified of his choice for the Pan American team Friday and told to report to Lakeland, Fla., for training April 8. Mooney attended high school in Sacramento, Calif. His parents now live in Weiser, Idaho.

Only stone eaten directly by man is sodium chloride, or common salt, which has been called the "edible gem."

Shaw To Have Knee Operation

PORTLAND, Ore. (UPI) — George Shaw, veteran quarterback with Denver of the American Football League, will undergo knee surgery at Eugene next week for removal of bone chips.

He said Friday he did not expect any complications and planned to report to the Denver training camp in July. The bone chips have been bothering him for the past several years, he said.

Shaw, a former University of Oregon star who works in the oil season in Portland, was with Baltimore and Minnesota of the National Football League before going to Denver.

Alligator trapper, snake charmer, tree killer and worm gatherer were among unusual pursuits recorded in the 1960 U.S. census occupational index.

BANTAM BOYS LOCAL WINNERS — This group of bantam boys from Klamath Falls placed fourth in the State Tournament team event in Portland last weekend. From left to right they are Billy Rose, Mike Schooler, Dennis York and Wayne Begg. Missing from the picture was Billy Barnett.

Sweden Defeats Canada

STOCKHOLM (UPI) — With Sweden on the verge of clinching its second world title in succession, the World Ice Hockey spotlight was turned on the political overtones clouding the East-West German clash today.

It is the only group A game on the schedule today and its result has no bearing on the destination of the trophy. But with East Germany odds-on favorites to win, everyone was wondering whether or not the Western sextet will abide by the championship rules and pay homage to the flag and anthem of East Germany.

Sweden virtually wrapped up the championship Friday night by whipping Canada, 4-1, to remain undefeated after six games, while the hapless United States team was trounced by Russia, 9-0. The Russians are the only team with a chance to catch Sweden now, but they'd have to beat Canada on Sunday and the Swedes would have to lose to Czechoslovakia on the same day. If Russia and Sweden finish in a tie, the title will be decided on a goals basis.

West German Interior Minister Heinrich Heuchel said his government would not accept the possibility of the West German players having to salute the Communist East German symbols. He reminded the players of their duties as West German citizens. But the International Ice Hockey Federation drafted new rules for this tournament so that stiff penalties — including expulsion — can be doled out if it is deemed two years ago in Geneva, or refuses to stand for the winners flag-raising and anthem ceremonies at the end.

STRASSBURG CAPTAIN

BURLINGTON, Vt. (UPI) — Dave Strassburg, a 6-2 center, has been elected captain of the University of Vermont basketball team for next season.

SINGLES TROPHY WINNERS — John Tinker, left, placed 12th in the Junior Boys singles with a 558 scratch in the State Tournament last weekend in Portland and Gary Shearer, right, was 10th in the senior division with a hot 596 scratch. Shearer's scratch was third highest in the tournament but the handicap system placed him 10th.

Butts, Bryant Deny Grid Rig

ATLANTA, Ga. (UPI) — Former Georgia - Alabama game played last fall. Butts said in a statement issued through his attorney that the charge, made in a Saturday Evening Post article, "is the most fantastic and ridiculous thing that I can imagine" while Bryant said he will bring a libel suit against the magazine.

NBA Closes Out Season

By United Press International
The National Basketball Association closes out its season Sunday, and the loop's also plans to go out with a big finish.

There's nothing at stake as a more but the pleasure of winning one since every position in the standings has been settled and the top three teams in each division are set for the forthcoming playoffs.

Two of the three teams that won't be in the playoffs won Friday night as San Francisco beat St. Louis 119-108 and New York defeated Chicago 116-111. The Zephyrs are the third team that won't have anyone to play after Sunday.

San Francisco got a 38-point effort from big Wilt Chamberlain and Tom Meschery added 24. The second place Hawks were never in the contest as they undoubtedly are looking ahead to playoff action against Detroit.

Bob Pettit led St. Louis with 30 tallies.

New York presented a balanced attack led by Dave Budd, John Green and rookie John Rudometkin with 22, 20, and 17.

Chicago got some hefty scoring from Walt Bellamy with 34 and Terry Dischinger with 29.

I'm just looking

The other day a study was released showing that nearly half of the persons (46%) who walk into stores, walk out again without buying anything. This is referred to as the "walk-out problem."

But is it a problem? How many come back? And as a result of browsing, how many get ideas that turn into purchases later on? Much of the country's retail trade, it seems to us, is built on this very freedom of the market place. "Don't wait until you know exactly what you want and where to get it. Come and see what a lot of new things there are to choose from."

That's one of the handicaps of the building material business. Most men and women hesitate to shop around or to leave a store without making a purchase. It's an old fashioned inhibition that Basin tries to overcome at every opportunity. We encourage browsers. We instruct our salesmen never to bother anyone who says "I'm just looking." We're not nearly as concerned about those who come in and don't buy as we are about the ones who don't come in at all.
