

Liberalized 'Jobs For Youth' Act Approved By Senate Subcommittee

WASHINGTON (UPI)—A Senate labor subcommittee today approved a liberalized version of the administration's Youth Employment Act.

Under the bill, 75,000 youths would be put to work in conservation projects or in home-town programs during the first year of the act. However, the subcommittee bill left room for unlimited expansion of the youth quota.

Designed to cut unemployment among the young, the program has been given a top priority by the administration. Democratic leaders are hopeful of winning Senate approval before Easter. The bill now goes to the full House, associate administrator of Labor and Welfare Committee, and Committee approval is assured.

although Republicans opposing the bill may delay its clearance to the full senate.

NOMINATION—The Senate Commerce Committee today recommended that the Senate confirm Franklin D. Roosevelt Jr. as undersecretary of commerce. The vote was 14 to 2, but the committee did not identify the members who voted against the son of the late President.

SPACE—A House Space Committee was told that the space agency would need 75,000 engineers and scientists to carry out its program, Robert C. Seamans Jr., associate administrator of the National Aeronautics and Space Administration, said.

KUHS Slates 2nd Concert

The Klamath Union High School Symphony Orchestra will present the second concert in the Music Department's Spring Concert Series on March 28. The KU orchestra, always an outstanding attraction in the Klamath Basin, is under the direction of M. Dale Hallack, veteran orchestra director and music educator. According to LaMar K. Jensen, director of instrumental music, the orchestra this year is one of the outstanding orchestras that we have produced in a number of years.

Patricia Cochran, senior at K.U., will be piano soloist for the concert, playing the Robert Schumann "Piano Concerto in A Minor." Patricia for many years has been a student of Sister Faustina of Sacred Heart Academy.

The concert will be in Mills School Auditorium and will start promptly at 8 p.m. An admission price of 50 cents per person will be charged, with the proceeds going to the music department's general operating fund. This fund is used to cover many of the activities of the music department which are not generally covered by school district funds.

DIRECTORS DISCUSS "ELIZA" — Musical Director LaMar Jensen and Director Ellen Miller discuss some of the arrangements which will be played during the forthcoming musical production of "Eliza and the Lumberjack," to be staged April 4 and 5 at the OTI Theatre. Rehearsals are now being staged at the college theatre.

Jensen Directs Music For Eliza Production

Orchestral music for the Klamath Players' production, "Eliza and the Lumberjack," will be provided by a host of semi-professional musicians under the direction of LaMar Jensen, familiar to local residents as music director of Klamath Union High School, according to Mrs. Robert DeRosier, publicity chairman of the show.

The musical will be staged April 4 and 5 at the OTI Little Theatre to raise funds for the construction of the proposed Intercommunity Hospital.

The orchestra, consisting of four trumpets, two trombones, four saxophones, drum, string bass, and piano is composed of semi-professional musicians who are giving up their free time to practice.

The score for the production was arranged by Dr. LeRoy Ostransky of the College of Puget Sound, one of the directors of "Eliza" during its showing at the

Washington State Centennial recently, and author of Anatomy of Jazz.

The composer of the musical, Helen Davis of South Bend, Wash., commented that the musical has not been released in the last five years because the groups desiring to produce the show lacked the musical ability to perform the Ostransky score. Jensen states that the score will be used exactly as it was written.

Jensen's musical experience includes some 20 years of school and professional work, both with choral groups and bands. He received his bachelor's and master's degrees in music education from the University of Idaho, and has worked with musical groups in various capacities since then. A resident of Klamath Falls for many years, Jensen is the father of six children.

The orchestra is comprised of semi-professional musicians according to Jensen, and use of their voluntary services has been cleared with the American Federation of Musicians, Local No. 495.

The group includes Fred Floetke, Dave Johansen, Emphraim Hackett, and James Metler on trumpets; Louis Bath and Dr. Robert F. Peters on trombones; Jack Pearson, Roger Beck, Elmer E. "Bud" Blanchard and Norman "Buzz" Beck on saxophones; Ted Van on drums; W. J. "Bill" Cunningham, string bass; and Marie Obenchain at the piano.

The musical is being presented as a benefit for the Intercommunity Hospital fund, and all proceeds will be donated to this drive. Ticket prices are tax deductible as a charity donation, and will be so marked.

Ticket information is available from John Sandmeyer, 625 Pine Street, telephone TU 4-8222, or at the chamber of commerce in downtown Klamath Falls.

CHURCHILL PLANS VACATION
LONDON (UPI) — Sir Winston Churchill today was reported so bored with inactivity in London that he plans a vacation trip soon to sunny Monaco.

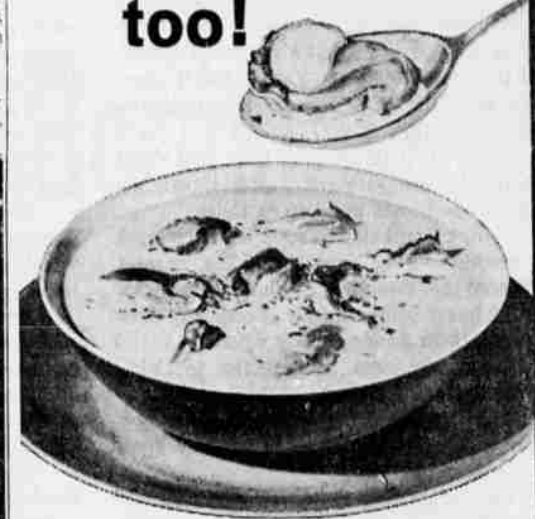

A friend of the family said the 84-year-old wartime prime minister was fed up with having nothing to do here but read. He said Sir Winston probably would leave next month for Monte Carlo, where he broke his thigh in a fall last year.
