

Job's Daughters, Bethel 6, King Of Hearts Ball Is Gala March Event

The King of Hearts Ball, given annually by Job's Daughters, Bethel 6, is staged usually in February near Valentine's Day. This year due to conflicting dates the affair was postponed until March 9. For the evening, the Pine Grove Room of the Willard Hotel was festooned with pink and red streamers and heart motifs. A white runner led to the stage, all in pink decor, where the royal court was introduced. Traditional hearts bore the names of the king and his knights. Entrance to the ballroom was gained through a huge pink ruffled heart, shown as background for the five royal couples on today's page.
