Letter From Hungary Requires Translation

A Klamath Falls housewife, Mrs. Bernie Mitchell, 2950 Darrow Street, received a letter from Hungary recently and is very anxious to know what it says.

Mrs. Mitchell has relatives in Hungary, but has not corresponded with them in a number of years. She is not conversant in Hungarian and can only translate a very few words in the letter.

The Mitchells are quite sure that the letter is from one of Mrs. Mitchell's relatives and are equally sure that they could help in some way if they knew what was needed.

Mr. and Mrs. Mitchell would appreciate it if someone reading this story could help them translate the letter's message.

CHRYSLER / AMERICA'S NEWEST PAGE-SETTERS

Sports spectacular — with a 5-year or 50,000-mile warranty*

When the Chrysler 300 sets out to do a performance job, it does it with flying colors. It's been chosen (with complete justification) to pace the field at the famed Indianapolis "500" on May 30th.

Value spectacular — with a crisp, custom look

When Chrysler sets out to pack a full-size Newport with value, others take a back seat. Here's value that surprises many who figure the crisp, custom beauty of Chrysler ought to be priced much higher.

Consider the solid way this beauty is built. The complete way it's powered and equipped with a Firebolt V-8 that performs on regular. Torsion-bar suspension that levels the roughest roads. Expansive decorator fabrics. Six-way adjustable seats. Thick, door-to-door carpeting. Then there's America's longest and best new-car warranty, 5 years or 50,000 miles.

*Manufacturer's suggested retail price of Chrysler 300 sedan, exclusive of state and local taxes, license, title and dealer prep charges. Dealer sets final price.

Lakeview Schools Finish TB Tests

LAKEVIEW—Some 1147 T. B. Time tests have been completed by the Lake County Health Department in the county and city school systems, according to Mrs. Ruth McKinney, health nurse.

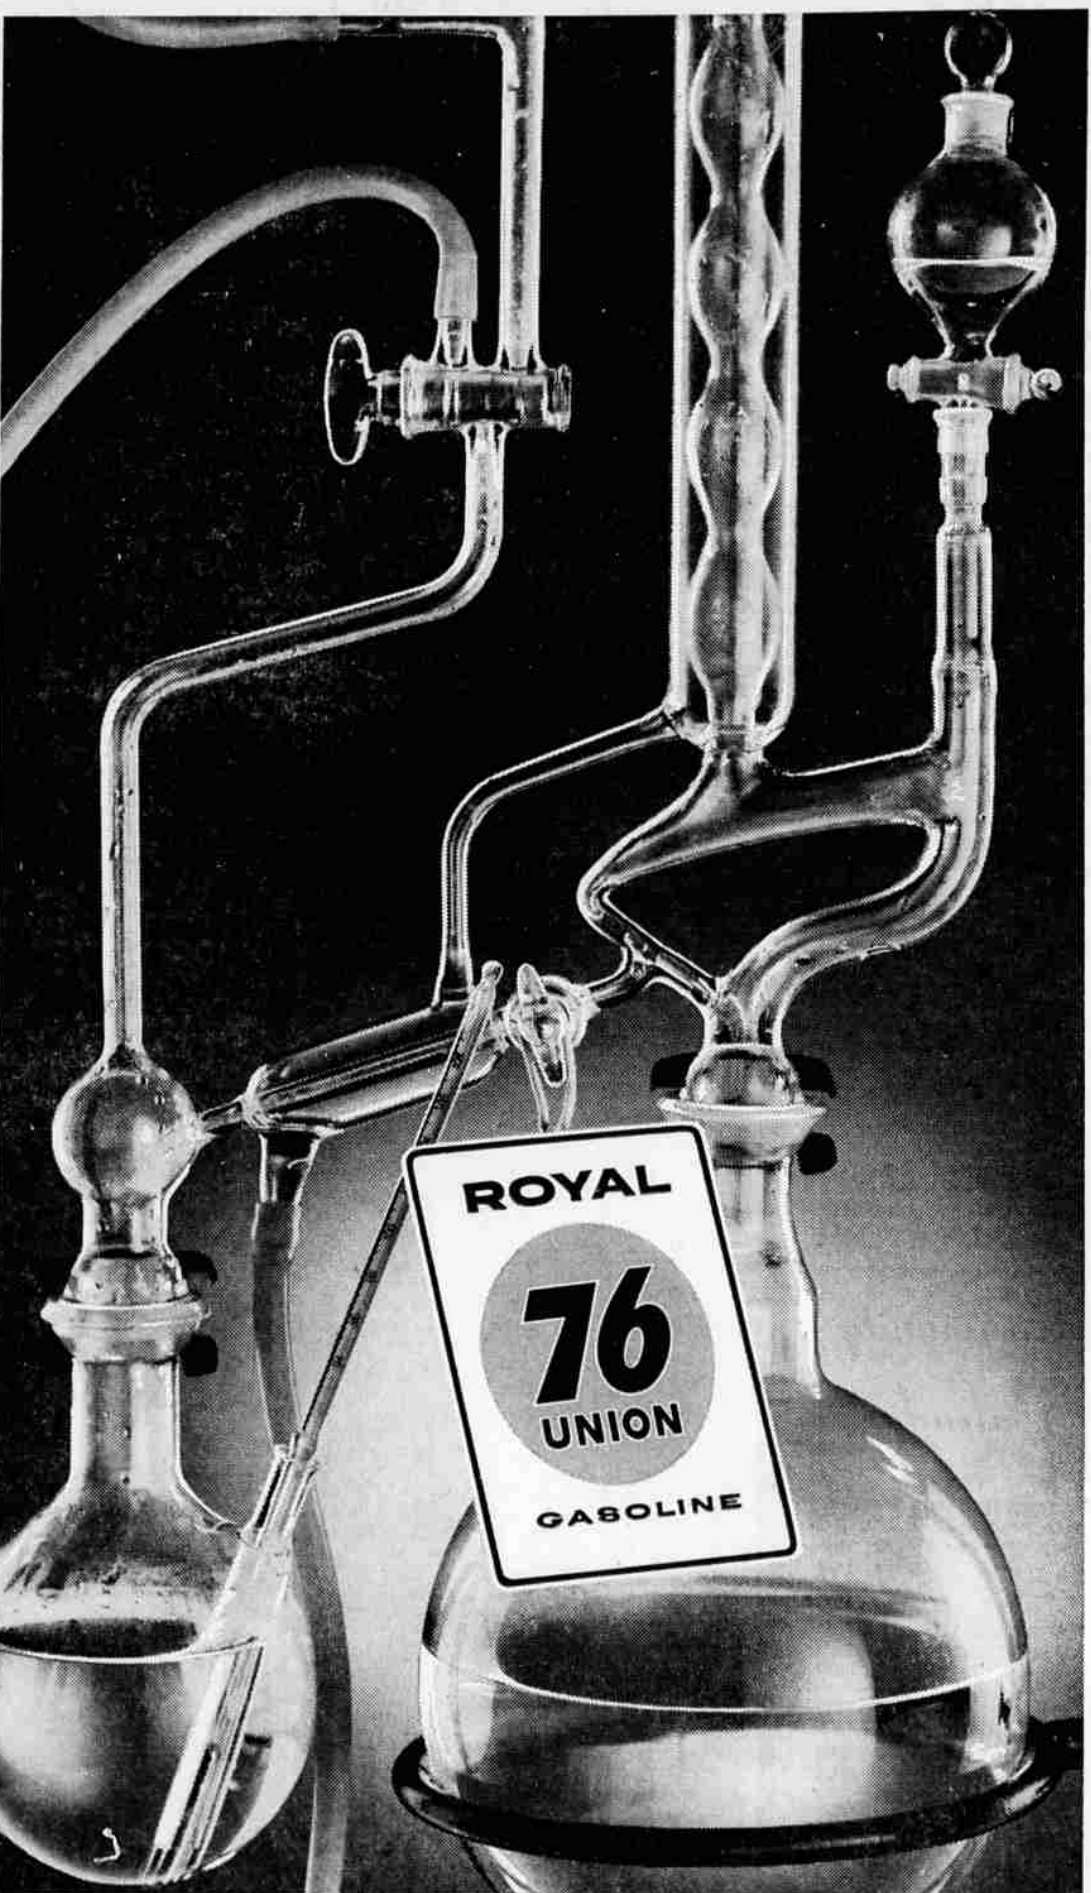

Tests in the Lakeview High School were set for April 2, and those in the Paisley elementary and high school are scheduled for April 15. Ana River, Silver Lake, and Fort Rock schools are scheduled April 16. There will be a general make-up April 8 and 10 for the city and county schools already tested. The testing program for this year will then be completed by April 20. All city and county principals have been notified of the plan.

The program was made possible this year by the contributions to the T.B. and Health Association Christmas Seal program. It was organized by Mrs. Betty Elliott and Mrs. Evelyn Bratton of the health department staff.

UNION OIL INVENTS A NEW GASOLINE THAT TUNES YOUR ENGINE CHEMICALLY AS YOU DRIVE

Every mile you drive, new Royal 76 continuously tunes your engine chemically 3 important ways. This gasoline is so different it exclusively bears U.S. PATENT NO. 3,011,879.

1. Every mile you drive, new Royal 76 tunes your engine chemically, minimizes the formation of varnish and sludge deposits on pistons and valves.
2. Every mile you drive, new Royal 76 tunes your engine chemically, prevents pre-ignition knock and assures better timing of combustion for greater power and performance.
3. Every mile you drive, new Royal 76 tunes your engine chemically...cleans your carburetor continuously.

The results of this continuous chemical tune-up: your engine operates more efficiently, far longer. Your maintenance costs are reduced. And you enjoy the performance of the West's most powerful premium.

Change to new Royal 76 today, the gasoline that is so different it exclusively bears U.S. Patent No. 3,011,879.

Drive in at the Sign of the 76, where you always get The Finest values in products and services.

You also get the West's most powerful regular gasoline (REGULAR 76) at the Sign of the 76.

We've changed the name and improved the product. It's still the West's most powerful regular. And now it cleans your carburetor continuously. You pay no more for Regular 76 than for other regular gasolines of major quality.
