

LADIES DAY — For the record this group of women called for the photographer one day last week when all were present at the home of Mrs. Anna Shufelt, seated left. Her guests included her sister, Evelyn Cross, seated next, who is visiting from Eastern Oregon. These two women are aunts to Mrs. Charley Fraley, standing left, who is the mother of Mrs. Billy Harrison, standing right, who is the mother of Mrs. Wayne Robatcek holding her young daughter, Tamara. All but Mrs. Cross are residents of this city.

Handbags Go To Geometry Reames Dance Time Is Near

Fashion dips into geometry texts for spring handbag styles. New collections include squares, rectangles, circles, arcs and trapezoids in many leather textures and more leather colors.

Rounding out the picture are shoulder bags, newly returned to the fashion scene, in pouch and barrel shapes for day, evening and sports.

Both boxy bags and rounded totes take graceful shape in smooth and grained, antiqued and patent, suede and brushed leather.

Envelopes, scheduled for spring popularity, are gently rounded and feminine in line. They're set off with rigid bar handles, gold bracelets and filigreed detail. Brilliant patents are seen as frequently as smooth, antiqued and suede leathers in the envelope handbag category.

Most of the new shoulder bags have adjustable self-leather straps to give added versatility. Outside flap closings, gold buckles and bright colors add color to costumes.
