Slides of the camp for severely retarded children at La Honda, Calif., were shown by Victor Overman at a luncheon meeting of Alpha Lambda Chapter of Delta Kappa Gamma, teachers' honorary, held in the Blue Room of the Winema Hotel, Saturday, April 6. The slides were taken by Anne and Victor Overman while they were serving as staff members of the camp. The pictures were most interesting and helped provide a better understanding of the work being done through summer camp programs for mentally retarded children.

Part of the day's program was dedicated to practicing Delta Kappa Gamma songs. Goldie Peterson led members in the singing. Dorothy Green presided over the business meeting which preceded the program.

Plans were made for officers and members to attend the convention to be held in Salem May 4, 5, and 6. The Easter season provided the motif for room decorations. Tables were attractively arranged with pastel Easter eggs of organ-dy and net and yellow ribbon trees. A large chrysanthemum floral piece centered the head table. In charge of luncheon arrangements and table decor for the meeting were Marjorie Gunderson, Lela Thurman and Anne Dolezal.

The next meeting will be May 11 at the Winema Hotel with Anne Overman, Lois Joneschiet and Aura Mitchell as committee chairmen in charge. Founders' Day will be observed with Dolly Bunch handling program arrangements.

Sue Ann Owens poured coffee and Jamis Owens, punch. The guest book and silver tree were attended by the honored couple's son, Richard McDonald, a junior at KUHS.

Following the reception, the family had dinner at Harold's. Out-of-town guests included Mr. and Mrs. Morton Yaden and Greg and Mrs. Verlin Parker, all of Lake Oswego; Mrs. Charles Jackson, San Diego, and Mrs. Ralph Putman, Ashland.

FOR FISHOPHILES

The charm of having your own aquarium is in watching the fish flit through the water. Viewing is better if you keep the bowl clean and refresh the water often. This also is important to your finned pets' health. Transfer the fish to another container and wash the bowl thoroughly. Rinse several times to eliminate any soapy residue and refill with fresh water.
